PUBLIC SAFETY COMMITTEE AGENDA REPORT

REPORTS
AGENDA ITEM NO. D.1

DATE: June 9, 2020

TO: Public Safety Committee

FROM: Eric Sonstegard, Assistant Police Chief, (805) 385-8290, eric.sonstegard@oxnardpd.org

SUBJECT: Purchase of Radio Dispatch Console System. (10/10/10)

RECOMMENDATION

That the Public Safety Committee recommend the City Council approve and authorize the Mayor to execute a ten (10) year agreement (#A-8095) with InterTalk Critical Information Systems for seven (7) dispatch radio console positions, in the amount not to exceed $724,413.16.

BACKGROUND

The Oxnard Police Department's Emergency Communications Center (the Center) is staffed 24 hours a day, 365 days a year, and processes all emergency calls for service generated within the City. This public safety answering point handles all of the 9-1-1, 10-digit emergency, non-emergency, and in-house police lines for the City of Oxnard. The Center also receives the initial Oxnard-generated calls for Fire, EMS, California Highway Patrol, and other agencies, which are then transferred as necessary. The Center processes approximately 350,000 telephone calls each year. Approximately 180,000 are law enforcement related and are handled directly by the Center.

The Center is staffed by Public Safety Dispatchers (PSD) and Public Safety Call Takers (call takers) who are assigned to a "workstation" on each shift. This workstation allows them to answer 9-1-1 calls, generate calls for service on a computer assisted dispatching platform, conduct records checks, and dispatch calls for service to police personnel. At the heart of each workstation is a dispatch radio console system. The current dispatch console platform system is the Motorola Gold Elite, which was acquired in 2001. Having an average service life of approximately ten (10) years, the Motorola Gold Elite is now obsolete. Motorola stopped manufacturing the Gold Elite in 2013, and as of June of 2018 stopped manufacturing and distributing replacement parts. In recent years, it has become increasingly difficult to maintain the system and in a few cases, replacement parts have been purchased on EBay to maintain the system in working order.

In addition, the Gold Elite is an analog-based product, and contemporary radio consoles are moving to prescribed interoperability standards. The Gold Elite consoles are not capable of meeting the Association of Public-Safety Communications Officials (APCO) Project 25 (P25) capabilities. P25 is a suite of standards for digital mobile radio communications designed for use by public safety organizations in North America. P25 was initiated collaboratively by public safety agencies and manufacturers to address the issue with emergency communication systems. P25 standards require that all new radio systems are interoperable, and able to work together regardless of manufacturer (e.g. Motorola, Harris, Kenwood, etc.). P25 standards also require that

radios (console, mobile, and portable systems) be programmable to support both analog or digital signals, and have encryption capability.

On March 27, 2018, the Oxnard City Council, during an agenda item titled "Use of Line of Credit for Large Capital Projects", authorized the Mayor to execute an escrow agreement in the amount of $10,000,000 relating to the master equipment lease/purchase agreement for the acquisition, financing, and leasing of certain equipment. One of the deferred capital projects earmarked for funding included in that agenda item was Public Safety Communication Equipment.

In early 2019, the Oxnard Police Department entered into a consulting agreement with Pegasus Telecommunications Consulting Group to assist with the development and implementation of a Request for Proposal (RFP). The purpose of this RFP was to "*solicit proposals from qualified vendors to furnish, install, configure, and support all hardware and software necessary for a complete system of seven (7) IP based, dispatch radio console operator positions at Oxnard Police Dispatch*." The RFP was published on August 1, 2019 and vendor presentations/demonstrations took place on October 14-16, 2019. On December 4, 2019, the contract was awarded to InterTalk Critical Information Systems. The InterTalk dispatch radio console system is P25 compliant and is compatible with our current radio infrastructure (Analog) as well as providing compatibility with any future advancements towards a digital radio infrastructure.

STRATEGIC PRIORITIES

This agenda item supports the Quality of Life strategy. The purpose of the Quality of Life strategy is to build relationships and create opportunities within the community for safe and vibrant neighborhoods, which will showcase the promising future of Oxnard. This item supports the following goals and objectives:

Goal 1. Improve community safety and quality of life through a combination of prevention, intervention, and suppression efforts that address crime and underlying issues.

Objective 1d. Examine options for long term sustainability of public safety services to ensure an efficient and effective public safety service delivery model.

FINANCIAL IMPACT

The $724,413.16 agreement will be funded through the current line of credit with Bank of America (313-2107-802-8606 #MO2108 Dispatch Consoles).

AGREEMENT FOR TRADE SERVICES

THIS AGREEMENT FOR TRADE SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Vendor" or "Intertalk" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Vendor shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Vendor shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.

2. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.

3. Compensation. For the Services performed during the term of this Agreement, City shall pay Vendor an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in the Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in the Rates and Costs Exhibit shall be in effect through the end of this Agreement unless otherwise stated therein. No price increases will be permitted during the term of this Agreement. The City requires written proof satisfactory to the City, upon the City's acceptance, of cost increases prior to any approved price adjustment. After the final term of the award with a minimum of 60-days advance notice in writing is required to be considered and approved by the City. No retroactive price adjustments will be considered. Any price increases must be stated in a written amendment. The net dollar amount of profit will remain firm during the period of the Agreement. Annual increases shall not exceed the Consumer Price Index- All Consumers, All Items, less food and energy – Los Angeles and be subject to satisfactory performance review by the City and approved (if needed) for budget funding by City Council.

4. Invoices. Vendor shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement.

5. Most Favored Nation. Throughout the term of the Agreement, in the event Vendor provides the Services having terms more favorable than this Agreement to any person or entity other than City, Vendor shall notify City within 10 calendar days of signing the other contract, or if there is no other contract, of finalizing that deal or providing any services, whichever occurs first in time. In that notice, Vendor shall offer City to amend this Agreement to reflect such more favorable terms into this Agreement without any contingency to amend any other provision of this Agreement.

6. Acceptance of Payment. Vendor's acceptance of final payment made pursuant to this Agreement shall not constitute a release of City from all claims and liabilities for compensation to Vendor for anything completed, finished or relating to the Services, pursuant to the terms set out in this Agreement. Likewise, City's payment shall not constitute nor be deemed a release of the responsibility and liability of Vendor for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Vendor and its employees, agents and subcontractors. Vendor shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Vendor or materials or products provided to City by Vendor, Vendor shall pay the sales tax. City shall not reimburse Vendor for sales taxes paid by Vendor.

7. Non-binding Terms. Any terms and conditions that are typed, printed, or otherwise included in any Vendor invoice rendered pursuant to this Agreement shall be deemed to be solely for the convenience of the parties. No such

term or condition shall be binding upon City, and no action by City (including, without limitation, the payment of any such invoice in whole or in part) shall be construed as binding City with respect to any such term or condition, unless the specific term or condition has been previously agreed to by Vendor and City in this Agreement or in a binding amendment thereto.

8. Non-Appropriation of Funds. Payments to be made to Vendor by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in "(7) City's Project Manager" on the Cover Page, subject to the direction of the City Manager or Department Director. Vendor hereby designates the person in the position listed in "(8) Vendor's Project Manager" on the Cover Page as the person responsible for the Services who shall coordinate with City's Project Manager in making binding decisions in line with this Agreement on behalf of Vendor.

10. Personnel. Vendor represents that it has or shall secure at its own expense all personnel required to perform the Services. Vendor shall make reasonable efforts to maintain the continuity of Vendor's staff who are assigned to perform the Services. Vendor may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors' labor, advice or materials provided in furtherance of providing the Services. Should any of Vendor's employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City's Project Manager, in the process of providing the Services or any portion thereof, the City's Project Manager may notify the Vendor's Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City's Project Manager must authorize all such work in writing before commencement. Vendor shall perform such work, and City shall pay for such additional work, in accordance with the Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Vendor shall submit a quote for all additional work, which the City's Project Manager must approve in writing by before any such work may commence. The City shall compensate Vendor for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Vendor did not obtain the City's Project Manager's written approval before work commenced, as determined by the City's Project Manager in his or her sole discretion.

12. Advertising and Publicity. Vendor shall not use the name of or refer to City directly or indirectly in any advertisement, news release, or professional or trade publication without prior written approval from the City Manager. This Section shall survive the termination of this Agreement.

13. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials: used by Vendor in preparing its billings to City as a condition precedent to any payment to Vendor; or for other purposes relating to the Agreement. Vendor will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of $10,000, the State Auditor may examine and audit Vendor for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Vendor shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement or until an audit has been completed and accepted by City, whichever occurs later. Vendor shall maintain all such records in City or to promptly reimburse City for all reasonable costs incurred in conducting the audit at a location other than in City, including but not limited to expenses for personnel, salaries, private auditor, travel, lodging, meals and overhead. Vendor shall include a copy of this Section in all contracts with its subcontractors, and Vendor shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

14. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 calendar days' prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 15 calendar days from the date of the notice. Vendor may terminate this Agreement at any time, with or without cause and without penalty, upon 30 calendar days' prior written notice. Such termination

shall be effective on the date specified in the notice, or if no date is specified, then 30 calendar days from the date of notice and only if all assignments accepted by Vendor have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Vendor, City shall pay Vendor compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Vendor receive an amount exceeding that which would have been paid to Vendor for the full performance of the Services. If City pays for any materials, City shall be entitled to the title and possession of such.

15. Hold Harmless, Defense and Indemnity.

a. To the fullest extent permitted by law, Vendor shall immediately defend, indemnify, and hold harmless City, its legislative and advisory bodies, and the City's officials, directors, officers, employees, and agents (the "Indemnitees") from and against all liabilities

b. The duty to defend is a separate and distinct obligation from Vendor's duty to indemnify. Vendor shall be obligated to defend in all legal, equitable, administrative, or special proceedings with counsel approved by the City Attorney immediately upon tender to Vendor of the claim, in any form or at any stage of an action or proceeding. The obligation to defend extends through final judgment, including exhaustion of any appeals. If it is finally adjudicated that liability was caused by the sole active negligence or sole willful misconduct of any of the Indemnitees, Vendor may submit a claim to City for reimbursement of reasonable attorneys' fees and defense costs.

c. The review, acceptance or approval of Vendor's work or work product by any of the Indemnitees shall not affect, relieve or reduce Vendor's indemnification or defense obligations. This Section 15 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 15 shall not be restricted by and do not affect the provisions of this Agreement relating to insurance.

16. Insurance. Vendor shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the Risk Manager waives, in writing, the requirement that Vendor obtain and maintain such insurance coverages. Such insurance must be issued by a company satisfactory to the Risk Manager. Vendor shall, before performance of any Services pursuant to this Agreement, file with the Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Vendor is a material element of this Agreement. Vendor's failure to maintain or renew insurance coverages or to provide renewal evidence may be considered a material breach of this Agreement.

17. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Vendor pursuant to this Agreement ("Documents and Materials") shall be the property without restriction or limitation upon its use, duplication or dissemination by the City. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Vendor shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Vendor hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 17.

b. Vendor shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Vendor shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Vendor prepares Documents and Materials on a computer, Vendor shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Vendor may retain copies of these Documents and Materials but must request permission from the City before use,

duplication or dissemination these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of uncompleted Documents and Materials, without the written consent of Vendor, shall be at City's sole risk and without liability or legal exposure to Vendor.

d. Vendor warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Vendor shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Vendor shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Vendor, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 17 shall survive the termination of this Agreement.

18. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Vendor or is developed by Vendor in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Vendor without the written consent of the City, except as may be necessary for Vendor to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Vendor at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Vendor, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Vendor and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Vendor shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Vendor shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Vendor. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Vendor in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 18 shall survive the termination of this Agreement.

19. Independent Contractor. Vendor is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Vendor or any of its employees, except as stated in this Agreement. Vendor has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Vendor, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Vendor wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Vendor from rendering any services for Vendor's own account or to any other person or entity as Vendor in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Vendor shall perform for the City. Except as City's Project Manager specifies in writing, Vendor and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Vendor and its employees are not employees of City. Vendor and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Vendor shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Vendor agrees to pay all required taxes on amounts paid to Vendor under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Vendor shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Vendor's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Vendor under this Agreement any amount due to City from Vendor as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section.

20. Wages. If the first option is selected in response to (10) on the Cover Page and, thus, the payment of living wage is required, only this paragraph and subsections (a) through (d) of this Section 20 shall apply. If the second option is selected in response to (10) on the Cover Page and, thus, the payment of prevailing wages (and related Labor Code provisions) is required, only this paragraph and subsection (e) of this Section 20 shall apply. If the third option is selected in response to (10) on the Cover Page and, thus, both the payment of living wage and prevailing wages (and related Labor Code provisions) is required, this paragraph and subsections (a) through (e) shall apply, meaning Vendor shall compensate all of its employees providing services to City in accordance with both the City's Living Wage Policy and State-required prevailing wages. In the event of a conflict between the City's Living Wage Policy and State-required prevailing wages, the higher of the two shall prevail. If the fourth option is selected in response to (10) on the Cover Page and, thus, neither the payment of living wage nor prevailing wages (and related Labor Code provisions) is required, no part of this Section 20 shall apply.

a. If either the first or third option is selected in response to (10) on the Cover Page, Vendor shall compensate any employee of Vendor who provides Services to the City under this Agreement in accordance with the Living Wage Policy Exhibit, which is attached hereto and incorporated herein by this reference. While this Agreement is in effect, Vendor shall pay such employee no less than $16.19 per hour for each hour that such employee provides services under this Agreement. This hourly rate shall be adjusted on July 1, 2020, and each July 1 thereafter, according to the percentage change in the Consumer Price Index, all items, prepared by the Bureau of Labor Statistics for the Los Angeles area relating to all urban consumers (CPI-U), index base 1982-84=100, comparing May of the previous year to May of the current year. In addition, while this Agreement is in effect, Vendor shall provide to such employee no less than 96 hours of paid leave per calendar year.

b. Vendor agrees to post, at a location readily accessible to those employees providing services to the City, a copy of the Living Wage Policy adopted by the Oxnard City Council on July 9, 2002, and effective October 1, 2002.

c. If Vendor fails to compensate such employee pursuant to the Living Wage Policy, the City Manager or designee shall terminate this Agreement on written notice to Vendor, effective immediately.

d. In addition, if Vendor fails to comply with the Living Wage Policy in any manner, Vendor shall pay to City a fine of $500 and shall pay to any employee providing services under this Agreement a penalty of three times the amount or value of the compensation owed to such employee under the Living Wage Policy. Vendor shall pay such fine and penalty within 15 days after the City Manager or designee provides written notice to Vendor of the amount owed.

e. If either the second or third option is selected in response to (10) on the Cover Page, in accordance with Labor Code Section 1770 *et seq.*, the Project is a "public work." The Vendor shall pay wages in accordance with the determination of the Director of the Department of Industrial Relations ("DIR") regarding the prevailing rate of per diem wages. Copies of those rates are on file with the Public Works Director and are available to any interested party upon request. The Vendor shall post a copy of the DIR's determination of the prevailing rate of per diem wages at the job site. The Vendor shall comply with all provisions of the Prevailing Wage Exhibit, which is attached hereto and incorporated herein by this reference.

21. Nondiscriminatory Employment. Vendor shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Vendor understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Vendor shall be responsible for such subcontractor's compliance with this Section.

22. Vendor's Representations. Vendor represents, covenants and guarantees that: a) Vendor is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Vendor's full performance under this Agreement; c) to the extent required by the standard of practice, Vendor has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

23. Compliance with Laws. In performing the Services under this Agreement, Vendor shall comply with all applicable laws, ordinances and regulations. Before performing the Services under this Agreement, Vendor shall obtain all required licenses and permits, including a City business tax certificate.

24. Conflict of Interest. If, in performing the Services set forth in this Agreement, Vendor makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Vendor shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Vendor's personnel providing the Services set forth in this Agreement. Furthermore, Vendor shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Vendor "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Vendor has been retained pursuant to this Agreement.

25. Fictitious Name. If Vendor has a fictitious name, Vendor shall submit to City a new Fictitious Business Name Statement approved by any California county before Vendor's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

26. Non-Assignability. Vendor shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Vendor shall hold harmless, defend and indemnify Indemnitees regarding all Claims arising from or relating to any unauthorized assignment.

27. Protection of Services. Vendor shall continuously maintain adequate protection of all of Vendor's work from damage and shall protect the City's property from any and all injury or loss arising in connection with this Agreement. Vendor shall take all necessary precaution for the safety of employees on the job and shall comply with all applicable provisions of federal, State and municipal safety laws and building codes to prevent accidents or injury to persons on, about or adjacent to any premises where the Services are being performed.

28. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Vendor.

29. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

30. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

31. Force Majeure. Neither City nor Vendor shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

32. Authority. Any person executing this Agreement on behalf of Vendor warrants and represents that s/he has the authority to execute this Agreement on behalf of Vendor and to bind it to the performance of these obligations.

33. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

34. Cumulative Remedies. All rights and remedies of City herein shall be in addition to all other rights and remedies available at law or in equity, including, without limitation, specific performance for the enforcement of this Agreement, and temporary and permanent injunctive relief.

35. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Vendor regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

36. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

37. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Vendor constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Vendor, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

38. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relieve to which that party may be entitled, in any

40. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to either of City or Vendor's Project Managers' emails listed in "(12) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

41. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

INSURANCE EXHIBIT W
INSURANCE REQUIREMENTS FOR VENDORS
(WITH CYBER LIABILITY AND ERRORS AND OMISSIONS REQUIREMENT)

1. Vendor shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Vendor, its agents, representatives, employees or subconsultants.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than $1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;

b. Business automobile liability insurance in an amount not less than $1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office Automobile Liability Coverage (Occurrence Form CA0001) covering Code No. 1, "any auto";

c. Workers' compensation insurance in compliance with the laws of the State of California, and employer's liability insurance in an amount not less than $1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

d. Cyber Liability in an amount not less than $2,000,000 per occurrence. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Vendor in this Agreement and shall include, but not be limited to, claims involving infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, alteration of electronic information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations. If the policy is written on a claims made basis, the retroactive date must be shown and must be before the date of the contract or the beginning of contract work. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Vendor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.

e. Professional liability/errors and omissions insurance appropriate to Vendor's profession to a minimum coverage of $1,000,000, with neither Vendor nor listed subconsultants having less than $500,000 individually. The professional liability/errors and omissions insurance must be project specific with at least a one year extended reporting period, or longer upon request.

2. Vendor shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements affecting coverage required by this Exhibit INS-W. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before work commences. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

Reference No. _____
P.O. Box 100085 – OX
Duluth, GA 30096
Via Email: cityofoxnard@ebix.com
Via Fax: 678-259-1007

3. Vendor agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled by either party, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Vendor agrees that the commercial general liability and business automobile liability insurance policies shall be endorsed to name City, its City Council, officers, employees and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Vendor; products and completed operations of Vendor; premises owned, occupied or used by Vendor; or automobiles owned, leased, hired or borrowed by Vendor. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees and volunteers. **The General liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-W or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available. CG 2010 with an edition date prior to 01/04 and CG 2037).**

5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance coverages **(this must be endorsed)**. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. Any deductibles or self-insured retentions must be declared to and approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Vendor shall also be applicable to Vendor's subconsultants. Vendor agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notes of cancellation.**

Endorsement Forms

Original endorsements are required for general liability and automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that you use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the attached.
