Written materials relating to an item on this agenda that are distributed to the legislative bodies within 72 hours before the item is to be considered at its regularly scheduled meeting will be made available for public inspection at the City Clerk's Office, 300 West Third Street 4th Floor during customary business hours. Agenda reports are also on the City of Oxnard web site at www.oxnard.org.

CITY OF OXNARD CALIFORNIA

AGENDA
OXNARD CITY COUNCIL
Council Chambers, 305 West Third Street
September 30, 2021
Special Meeting - 6:00 PM

This meeting is held pursuant to the State Emergency Services Act, the Governor's Emergency Proclamation, and Governor's Executive Order N-29- 20 as extended by N-21-08 to allow members of the City Council or staff to participate via teleconference.

As a precautionary measure to help slow the spread of COVID-19, the City Council facilities are temporarily closed to the public. The public is encouraged to view the meeting from home on Spectrum channel 10, Frontier channel 35, or YouTube at Youtube.com/oxnardnews.

Video recordings are typically available online following the meeting.

*Please see the link for the Measure M pre-recorded presentation video for each agenda item below.

The public may provide comments to the City Council via email at cityclerk@oxnard.org no later than 2:00 p.m. on the day of the meeting. Please identify the meeting date and agenda item in the Subject line.

A telephone option for public comments is also available at this time. Requests to speak must be submitted no later than 2:00 p.m. on the day of the meeting. Use the form on the city's website to submit your request: Oxnard.org/city-meetings, or call the City Clerk's Office at (805) 385-7803, or email your request to cityclerk@oxnard.org.

Public Comment on Special Meeting Agenda Items: Pursuant to Government Code Section 54954.3(a), members of the public will be provided with an opportunity to address any item described on the agenda only, at the time the matter is considered by the City Council.

*The City has filed pre-election and post-election lawsuits regarding the validity of Measure M.

A. ROLL CALL, POSTING OF AGENDA
THE FOLLOWING LEGISLATIVE BODIES ARE MEETING: City Council

B. PUBLIC HEARINGS

1. City Attorney Department
SUBJECT: Public Hearing Regarding Redistricting of City Council Districts
RECOMMENDATION: That the City Council conduct a public hearing to:

1. Receive a report on the redistricting process for City Council districts and the criteria to be considered in revising district boundaries; and

In compliance with the Americans with Disabilities Act, if you require special assistance to participate in a meeting, please contact the City Clerk's Office at 385-7803. Notice at least 72 hours prior to the meeting will enable the City to reasonably arrange for your accessibility to the meeting.

Agenda Item time estimates: (Presentation / Council Discussion / Public Comment)

2. Receive a report on the final adjusted census numbers of each existing City Council district; and
3. Receive a presentation regarding public mapping tool for drawing City Council district maps.

Legislative Body: City Council

Contact: Stephen Fischer, (805) 385-7483

C. REPORTS

1. City Attorney Department

SUBJECT: Selection of Revised Supervisorial District Map for Requested Adoption by the Ventura County Board of Supervisors. (0/20/40)

RECOMMENDATION: That the City Council:

1. Consider and select one of two recommended draft maps for the supervisorial districts for the Ventura County Board of Supervisors; and

Adopt a resolution entitled:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OXNARD REQUESTING THAT THE BOARD OF SUPERVISORS OF THE COUNTY OF VENTURA ADOPT THE ATTACHED DISTRICT MAP BASED UPON THE MAP'S COMPLIANCE WITH THE REQUIREMENTS OF STATE LAW, INCLUDING THE MAP'S PRESERVATION OF THE GEOGRAPHIC INTEGRITY OF THE CITY OF OXNARD AND INCORPORATED CITIES WITH THE COUNTY OF VENTURA, THE MAP'S PRESERVATION OF THE LOCAL NEIGHBORHOODS AND COMMUNITIES OF INTEREST WITHIN THE CITY OF OXNARD AND THROUGHOUT THE COUNTY OF VENTURA, AND THE MAP'S EASILY IDENTIFIABLE BOUNDARIES; OR

2. Continue the subject item to October 5, 2021, and take formal action at that time requesting that the Board of Supervisors adopt a specific supervisorial district map.

Please click the following link to view the required Measure M pre-recorded presentation video: https://youtu.be/il9t531pS54

Legislative Body: City Council

Contact: Ashley Golden, (805) 385-7478

D. ADJOURNMENT

CITY OF OXNARD CALIFORNIA

CITY COUNCIL AGENDA REPORT

PUBLIC HEARINGS
AGENDA ITEM NO. B.1

DATE: September 30, 2021

TO: City Council

FROM: Stephen Fischer, City Attorney, (805) 385-7483, stephen.fischer@oxnard.org

SUBJECT: Public Hearing Regarding Redistricting of City Council Districts

RECOMMENDATION

That the City Council conduct a public hearing to:

1. Receive a report on the redistricting process for City Council districts and the criteria to be considered in revising district boundaries; and
2. Receive a report on the final adjusted census numbers of each existing City Council district; and
3. Receive a presentation regarding public mapping tool for drawing City Council district maps.

BACKGROUND

Every ten years, cities with by-district elections are required to use new census data to review and redraw district lines to reflect population changes. This process, called redistricting, ensures that all districts within a city have nearly an equal number of people residing within each district and meets the other provisions of state law.

Although the City recently went through the districting process with the creation of City Council districts in 2018, these Council districts reflected the population totals from the 2010 census. Under state law, public entities with elections in November 2022 have until April 17, 2022 in which to adopt district maps that reflect the changes in population indicated in the 2020 census (as modified by the State of California to reflect the original residency of persons incarcerated in California's prisons).

As part of the redistricting process, the City is required to hold at least four public hearings or workshops, with at least one of these public hearings or workshops held before any of the new district maps are drawn. The City Council held the first public hearing regarding redistricting on July 29, 2021.

ANALYSIS

The purpose of tonight's public hearing is to provide the public with an overview of the redistricting process, provide the final adjusted population numbers for each of the existing City Council districts, and to receive a presentation on the public mapping tools that will be available to members of the public to draw draft City Council district maps for consideration by the City Council.

As it relates to the redistricting process, under recently adopted state laws (AB 849 and AB 1276), when the City Council goes through the redistricting process, the Council is required to draw and adopt boundaries using the following criteria in the listed order of priority:

1. Substantially equal in population for each of the districts.

2. Complies with the U.S. Constitution, the California Constitution and the federal Voting Rights Act.
3. Geographically contiguous.
4. Minimize the division of local neighborhoods and local communities of interest. (The law defines a "community of interest" as a population that shares common social or economic interests.)
5. Create district boundaries that residents can easily identify and understand. (These would include natural or artificial barriers such as streets, highways, rivers or rail lines, or the boundaries of the city.)
6. Districts that are compact in size.
7. District boundaries that are not adopted to favor or discriminate against a political party. (Elections Code Section 21601.)

Once the prioritized criteria are met, other traditional districting principles can be considered, such as:

1. Minimize the number of voters delayed from voting from 2022 to 2024;
2. Respect voters' choices/continuity in office; and
3. Future population growth.

The calculation of the population for each City Council district is based upon the U.S. Census data, as modified by the State of California to reflect the original residency of persons incarcerated in California's prisons. As of the publication date of the agenda for the September 30, 2021 City Council meeting, the City's demographer had not completed processing the data released by the State of California on September 20, 2021. Based upon the official Census data, the City of Oxnard has an official population of 202,063. Once the final California-adjusted numbers for the City as a whole, including the prison population data, are calculated, then a determination can be made regarding the ideal size of each district and the adjustments in population that will be necessary to meet the maximum 10 percent deviation in population between the largest district and the smallest district. The U.S. Supreme Court has upheld a deviation of 10 percent in population between the size of the largest populated district and the smallest populated districts. (Harris v. Arizona Independent Redistricting Commission (2016) 136 S.Ct. 1301, 194 L.Ed.2d 497.)

It is anticipated that the City's demographer will have its database updated in time for the September 30, 2021 public hearing. Kristen Parks of National Demographics Corporation will provide an overview of the Maptitude Online Redistricting -- a powerful online mapping tool that can be used to draw revised district maps. Once this mapping tool is released, the public can use this tool to submit district maps. As with the 2017/2018 districting process in Oxnard, members of the public will also have the opportunity to draw proposed redistricting maps for submittal to the City Council for its consideration using a paper mapping system that does not require computer access.

The public is also invited to provide input regarding communities of interest and other local factors that should be considered while drafting revised district maps. A community of interest under the relevant Elections Code section relating to cities (Section 21601(c)) is "a population that shares common social or economic interests that should be included within a single district for purposes of its effective and fair representation." Examples of possible features defining a community of interest could include (without limitation):

1. School attendance areas;
2. Natural dividing lines such as major roads, hills, or highways;
3. Areas around parks and other neighborhood landmarks;
4. Common issues, neighborhood activities, or legislative/election concerns; and
5. Shared demographic characteristics, such as similar levels of income, education, or linguistic isolation; languages spoken at home; or single-family and multi-family housing unit areas.

NEXT STEPS

The City Council held the first public hearing regarding redistricting on July 29, 2021. Tonight's public hearing will be the second public hearing on redistricting. Subsequent public hearings are scheduled for:

1. Third public hearing -- Monday, December 6 at 6:00 p.m.
2. Fourth public hearing -- Saturday, January 22 at 10:00 a.m.

3. Fifth public hearing -- Thursday, February 24 at 6:00 p.m.

Based upon this schedule, the City Council will consider the final adoption of the Council district map at the regular City Council meeting on Tuesday, March 15, 2022. The legal deadline for the City to adopt a new map is April 17, 2022, with the first election with the new map to occur on November 8, 2022.

STRATEGIC PRIORITIES

This agenda item is a routine operational item or does not relate to the five strategic priorities adopted by City Council on March 16, 2021.

FINANCIAL IMPACT

There is no financial impact.

COMMITTEE OUTCOME

This item did not originate in Committee.

National Demographics Corporation

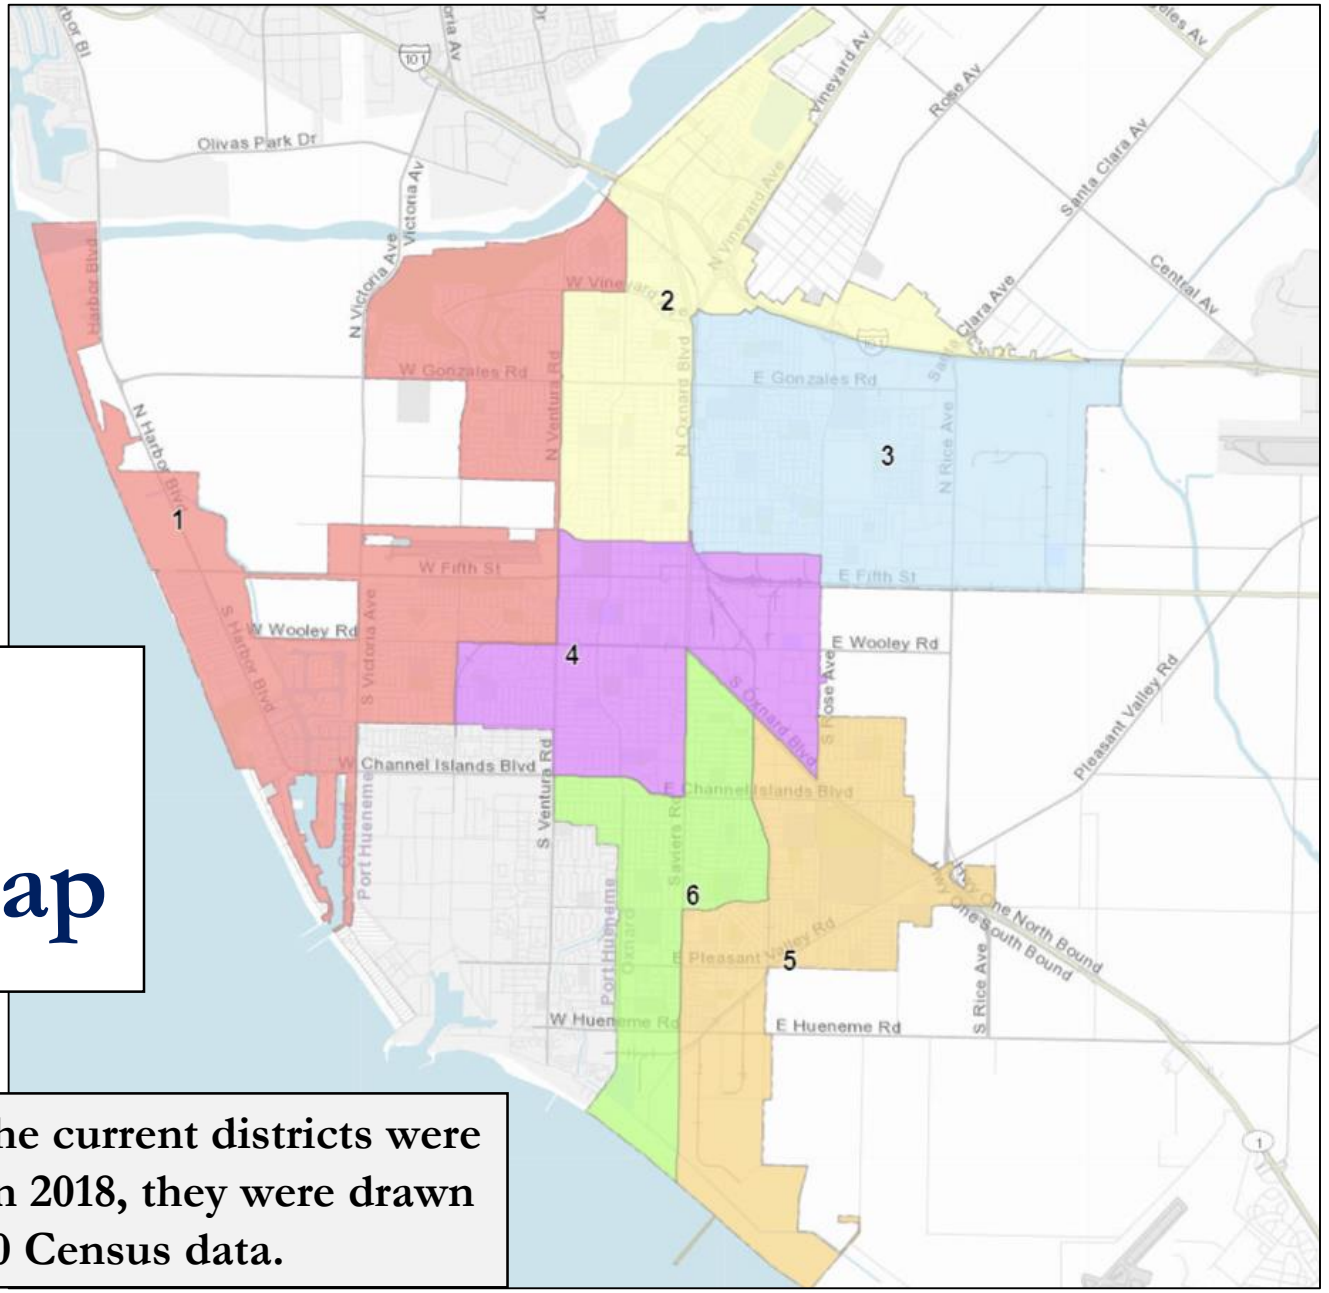
Current District Map



Though the current districts were adopted in 2018, they were drawn using 2010 Census data.

Redistricting Timeline

Date	Action
July 29, 2021	**Public Hearing #1** to introduce redistricting process
August 12, 2021	Release of official 2020 Census data
September 20, 2021	Release of California official redistricting data
September 30, 2021	**Public Hearing #2** on "communities of interest"
October - November	Time for the public to draw & submit maps
December 6, 2021	**Public Hearing #3** to discuss draft maps
January 22, 2022	**Public Hearing #4** to discuss draft and revised maps
February 24, 2022	**Public Hearing #5** to select map and consider first reading of ordinance to adopt final map
April 17, 2022	Legal deadline to adopt new map
November 8, 2022	First election with new map

NDC

Legal Requirements & Other Goals

1. Federal Law

- ✓ Ensure equal population
- ✓ Comply with federal Voting Rights Act
- ✓ Prevent racial gerrymandering

2. California Law

1. Ensure geographic **contiguity**
2. Minimize division of neighborhoods & **"communities of interest"**
3. Create easily identifiable boundaries
4. Maintain **compactness**

✓ Do not "favor or discriminate against a political party"

Do not bypass a nearby population to take in a more distant population

3. Other Goals

- Minimize changes to election cycles
- Respect voters' choices
- Preserve core of existing districts
- Anticipate future growth

Non-Adjusted 2020 Population Data

District	1	2	3	4	5	6	Total
2020 Census Population (Raw)	33,075	39,039	32,371	32,523	32,761	32,294	202,063
Deviation from ideal*	-602	5,362	-1,306	-1,154	-916	-1,383	6,745
% Deviation	-1.79%	15.92%	-3.88%	-3.43%	-2.72%	-4.11%	**20.03%**

*** about 33,677 people**

Defining Neighborhoods

What is your neighborhood?

What are its geographic boundaries?

Examples of physical features defining a neighborhood boundary:

- Natural neighborhood dividing lines, such as highway or major roads, rivers, canals and/or hills
- Areas around parks or schools
- Other neighborhood landmarks

In the absence of public testimony, planning records and other similar documents may provide definition.

Beyond Neighborhoods: Defining "Communities of Interest"

Under California Elections Code, **"community of interest"** has a very specific definition in the context of redistricting:

A **"community of interest"** is a population that shares common social or economic interests that should be included **within a single district** for purposes of its effective and fair representation.

Definitions of "communities of interest" do **not** include relationships with political parties, incumbents, or political candidates.

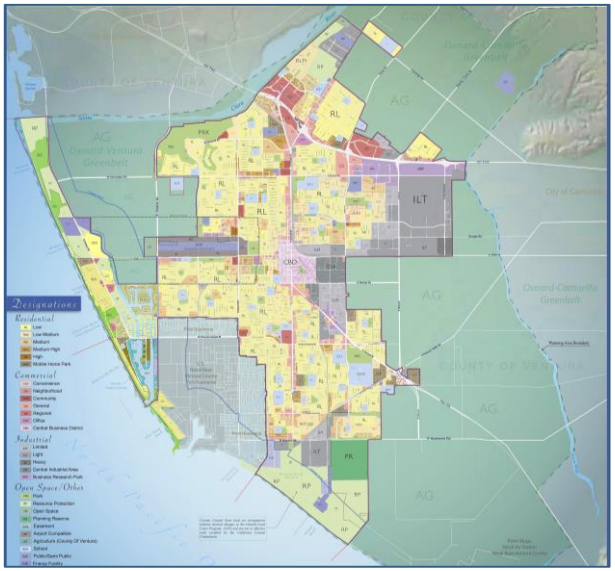
What Defines YOUR Community?

Ask yourself…

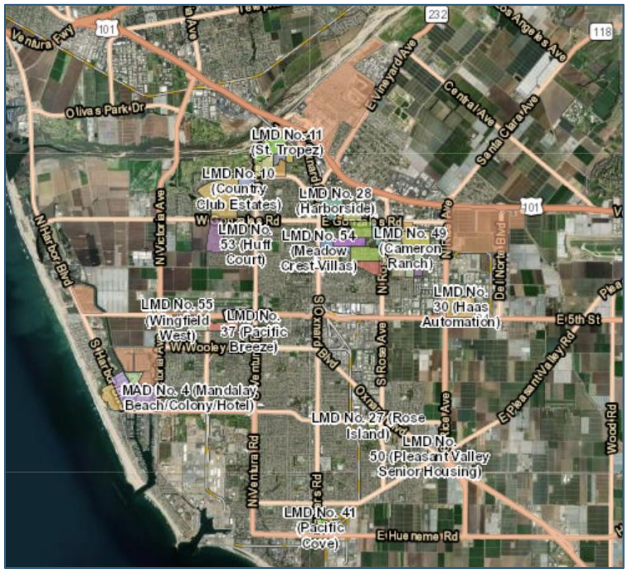
What brings us together?		Where are we?
▪ Common social or economic interests ▪ Shared characteristics or experiences ▪ Similar issues or impacts of city policies	+	▪ Physical boundaries, such as highways or major roads, waterways, hills, etc. ▪ Areas around parks, schools, or other landmarks

→ Would my community be best represented within a single district?

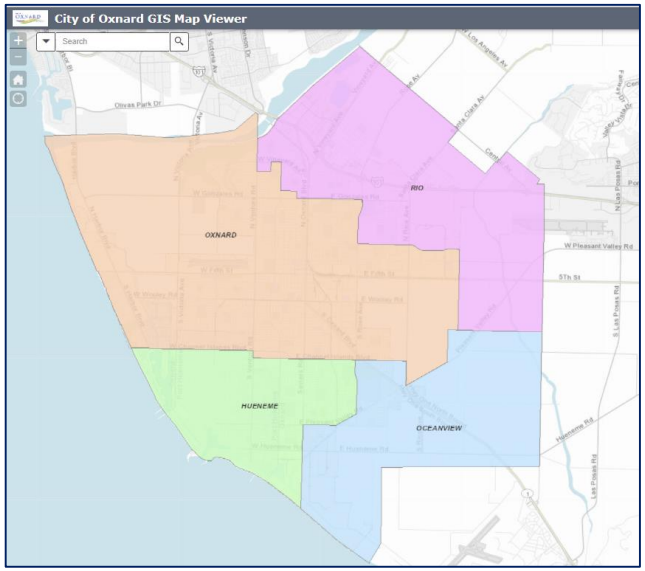
Possible Communities of Interest



General Plan Areas



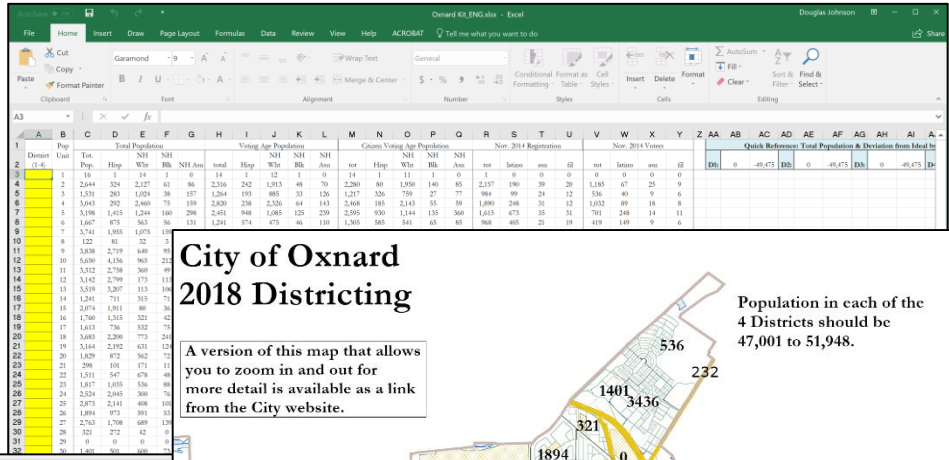
Assessment Districts

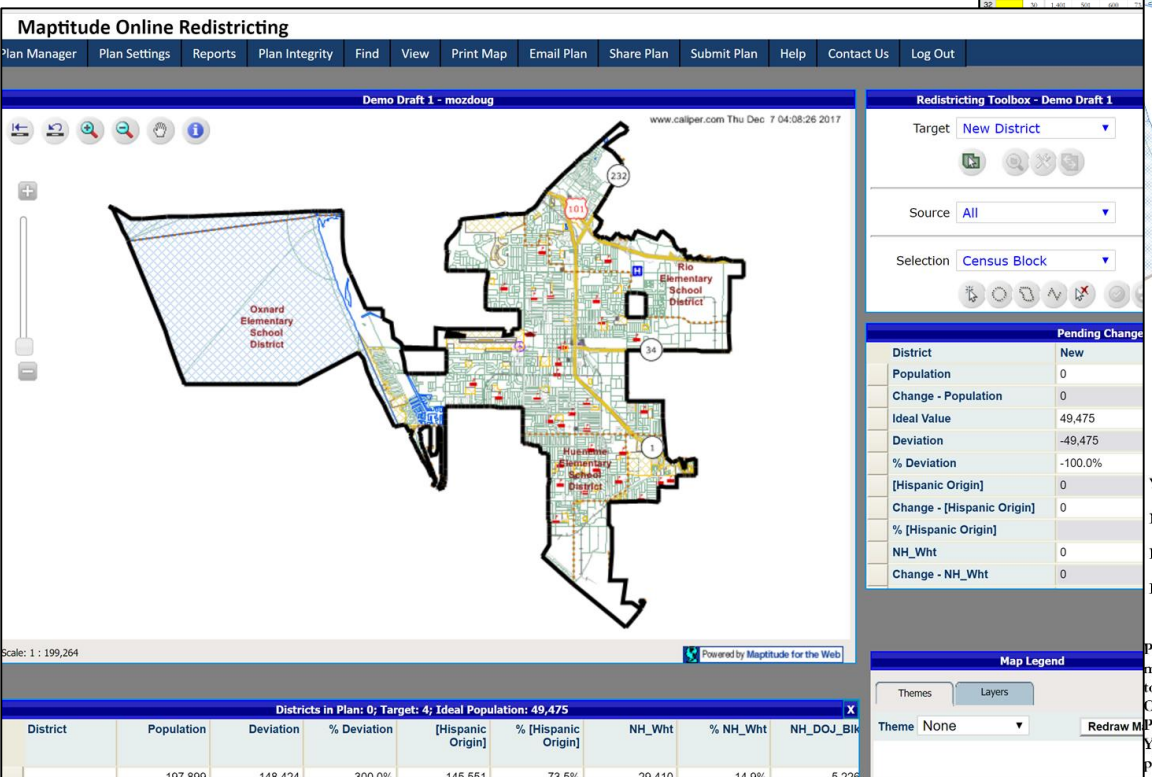


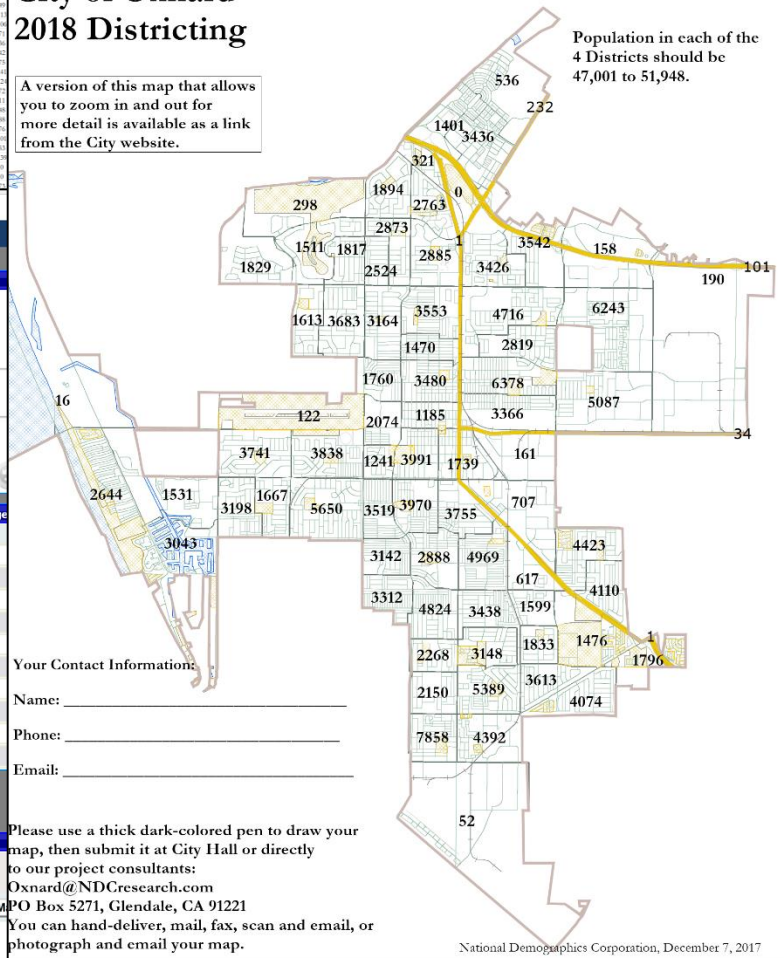
School Districts

Public Mapping Tools

- Use the paper map, the online tool, or any other map
- Draw your community of interest, draw the district you want for your area, or draw an entire citywide map







Public Hearing & Discussion

Identify and discuss "communities of interest"

- What is your neighborhood and what are its boundaries?
- What other notable areas are in the City and what are their boundaries?
- Any questions about the mapping tools?

CITY OF OXNARD CALIFORNIA

CITY COUNCIL AGENDA REPORT

REPORTS
AGENDA ITEM NO. C.1

DATE: September 30, 2021

TO: City Council

FROM: Ashley Golden, Assistant City Manager, (805) 385-7478, ashley.golden@oxnard.org

SUBJECT: Selection of Revised Supervisorial District Map for Requested Adoption by the Ventura County Board of Supervisors. (0/20/40)

RECOMMENDATION

That the City Council:
1. Consider and select one of two recommended draft maps for the supervisorial districts for the Ventura County Board of Supervisors; and

Adopt a resolution entitled:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OXNARD REQUESTING THAT THE BOARD OF SUPERVISORS OF THE COUNTY OF VENTURA ADOPT THE ATTACHED DISTRICT MAP BASED UPON THE MAP'S COMPLIANCE WITH THE REQUIREMENTS OF STATE LAW, INCLUDING THE MAP'S PRESERVATION OF THE GEOGRAPHIC INTEGRITY OF THE CITY OF OXNARD AND INCORPORATED CITIES WITH THE COUNTY OF VENTURA, THE MAP'S PRESERVATION OF THE LOCAL NEIGHBORHOODS AND COMMUNITIES OF INTEREST WITHIN THE CITY OF OXNARD AND THROUGHOUT THE COUNTY OF VENTURA, AND THE MAP'S EASILY IDENTIFIABLE BOUNDARIES; OR

2. Continue the subject item to October 5, 2021, and take formal action at that time requesting that the Board of Supervisors adopt a specific supervisorial district map.

Please click the following link to view the required Measure M pre-recorded presentation video: https://youtu.be/il9t531pS54

BACKGROUND

Every ten years, the United States Census Bureau releases the results of the federal census, setting the stage for the redrawing of California's legislative, congressional and Board of Equalization districts to equalize their populations for future elections. In addition, thousands of counties, cities, school districts and other units of local government also use the data to reconfigure their own districts.

State law has specific regulations that apply to counties. Pursuant to Election Code Section 21500, counties are required to adjust the boundaries of the supervisorial districts so that the supervisorial districts are substantially equal in population as required by the U.S. Constitution. As part of that redistricting process, state law also requires that the Board of Supervisors adopt a supervisorial district map using the five criteria in the following order of priority:

1. *The districts are geographically contiguous.*

2. *The geographic integrity of any local neighborhood or local community of interest is respected in a manner that minimizes division.* A community of interest is a population that shares common social or economic interests that should be included within a single district for effective and fair representation.

3. *The geographic integrity of a city is respected in a manner that minimizes its division.*

4. *District boundaries should be easily identifiable and understandable by residents.* To the extent practicable, districts shall be bounded by natural and artificial barriers, by streets, or by the boundaries of the county.

5. *District boundaries shall be drawn to encourage geographical compactness in a manner that nearby areas of population are not bypassed in favor of more distant population.* This requirement is to the extent practicable and where it does not conflict with the preceding criteria. (Elections Code Section 21500.)

DISCUSSION

Due to a four-month delay in the release of the federal census numbers, the County Board of Supervisors (BOS) has a very compressed time schedule in which to adopt the revised supervisorial district map in compliance with state law. As of the date that this agenda report was published, the BOS has held community meetings or public hearings on August 31, September 2, September 9, September 11, September 13 and September 21, 2021.

The BOS is scheduled to consider draft maps at their public hearing on October 19, 2021 and to provide direction to County staff based upon public comments for map revisions. In order for the Council to provide input prior to the October 19th meeting on the County's process of drawing new supervisorial maps, Council would need to provide input no later than the October 5, 2021 City Council meeting. The Board of Supervisors is scheduled to adopt the final map on November 9, 2021.

Current Supervisorial Map

As the BOS begins the process of drawing new supervisorial maps based upon the results of the 2020 census, the City's demographer from National Demographics Corporation reviewed the supervisorial district map approved after the 2010 census to determine how to best adhere to state laws concerning the redistricting process, as outlined above. The following concerns were identified with the existing supervisorial map:

1. The City was divided into **three** supervisorial districts within **inhabited** areas – even though such division was not required in order to properly balance the population between the five supervisorial districts. This division is not consistent with criteria 2-4 outlined above. The geographic integrity of a city should be respected in a manner that minimizes its division.

2. The neighborhoods of Via Marina, Marina West, College Park and Terrace Estates were **split** between two different supervisorial districts -- District 3 and District 5, while the neighborhood of Rio Lindo was divided between District 5 and District 1. These divisions are not consistent with criteria 2-4 outlined above. The geographic integrity of neighborhoods and local community of interest should be respected in a manner that minimizes division.

3. The 2010 redistricting placed the neighborhoods of Southwinds, Oxnard Pacific, Mar Vista, Tierra Vista and Villa Capri in District 3 (in addition to splitting the neighborhoods of Via Marina, Marina West, College Park and Terrace Estates between District 3 and District 5) - even though the community of interest for these neighborhoods was with the neighborhoods located in District 5, not District 3. These divisions are not consistent with criteria 2-4 outlined above. As indicated above, the geographic integrity of any local neighborhood or local community of interest should be respected in a manner that minimizes division.

4. Especially in south Oxnard neighborhoods, the supervisorial district boundaries were not easily identifiable and understandable by residents. Some south Oxnard residents in District 3 wrongly assumed that they were within District 5 and contacted the staff office for District 5 instead of District 3 when seeking constituent services. This concern is related to criteria 4 outlined above.

Proposed Supervisorial Map

In response to these concerns, the City's demographer drafted specific supervisorial maps that address these criteria while updating the supervisorial maps to reflect the 2020 census data. The two maps for Council consideration are those that:

1. Consolidate the inhabited portions of Oxnard into two districts;

2. Reunite established city neighborhoods;

3. Do not divide other cities within the County (with the exception of Oxnard which is too large to have only one Supervisor) into more than one supervisorial district; and

4. Create district boundaries that are easily identifiable and understandable by residents.

Option 1c Map– This map consolidates the inhabited portions of Oxnard into two districts.

- The majority of the inhabited portions of Oxnard into District 5 (Supervisor Ramirez).
- The neighborhoods of Nyeland Acres, Auto Center, RiverPark, El Rio West, Golf Course, Victoria Estates, Windsor North/River Ridge, Cabrillo, Teal Club and the beach and harbor neighborhoods of Oxnard Dunes, Oxnard Shores, Channel Islands, Hollywood by the Sea and Silver Strand would be located in District 1 (Supervisor LaVere).
- The uninhabited neighborhoods in south Oxnard (Ormond Beach and Southshore) would be located in District 2 (Supervisor Parks).

As compared to the existing supervisorial map for Oxnard and its surrounding areas, the following changes would occur with the Option 1c map:

1. The neighborhoods in the southern portion of Oxnard that are currently partially or fully located within District 3 would move to District 5 – Via Marina, Marina West, Southwinds, College Park, Oxnard Pacific, Mar Vista, Tierra Vista, Terrace Estates and Villa Capri.

2. The neighborhoods of South Bank, Sierra Linda, Orchard and part of Rio Linda would move from District 1 to District 5.

3. The neighborhoods of Victoria Estates, Golf Course, Windsor North/River Ridge, and Cabrillo would move from District 5 to District 1.

4. The neighborhoods of Oxnard Dunes, Oxnard Shores, Channel Islands, Hollywood by the Sea and Silver Strand would move from District 5 to District 1.

5. The uninhabited neighborhoods of south Oxnard (Ormond Beach and Southshore) would move from District 3 to District 2.

6. In addition, the proposed map would move district boundaries in other parts of the County, although no other cities would be divided into two or more districts.

Option 1d Map - This map also consolidates the inhabited portions of Oxnard into two districts and makes district boundaries changes in other parts of the County while maintaining the population balance and geographic compactness that the Option 1c Map also provides.

The difference between Option 1d and Option 1c is for the eight neighborhoods east of Victoria Avenue, west of Ventura Road, south of the Santa Clara River and north of Hemlock Street: Victoria Estates, Golf Course, Windsor North/River Ridge, Cabrillo, Sea View Estates, Sea Air, Via Marina and Marina West.
When comparing Option 1d to Option 1c:

- The neighborhoods of Victoria Estates, Golf Course, Windsor North/River Ridge and Cabrillo would move to District 5 from District 1.

- The neighborhoods of Sea View Estates, Sea Air, Via Marina and Marina West would move to District 1 from District 5.

In addition to preparing Option 1c and Option 1d maps that are recommended by City staff, the City's demographer prepared maps entitled Option 1, Option 1b, Option 2, Option 2b, Option 3, Option 3b, Option 4 and Option 4b to show a range of other options that were considered for the revised supervisorial districts. City staff do not recommend the approval of any of these eight maps because of one or more of the factors outlined above.

Because of the need to provide input to the BOS as far in advance as possible, but no later than their October 19th meeting, staff recommends that the City Council consider the two recommended draft maps that are included as part of the agenda item. Kristen Parks of National Demographics Corporation and City staff will be available to answer specific questions regarding the recommended two maps and the other eight maps that are included as part of this agenda item. If the City Council adopts the recommended action, then the Resolution, along with the selected map, will be forwarded to the BOS and the County Clerk.

STRATEGIC PRIORITIES

This agenda item is a routine operational item or does not relate to the five strategic priorities adopted by City Council on March 16, 2021.

FINANCIAL IMPACT

There is no financial impact.

COMMITTEE OUTCOME

This item did not originate in Committee.

Selection of Supervisorial District Map for Requested Adoption by the Ventura County Board of Supervisors

Ashley Golden, Assistant City Manager
Kenneth Rozell, Chief Assistant City Attorney

City Council: September 30, 2021

CITY OF OXNARD CALIFORNIA

Background

- Every ten years, the United States Census Bureau releases the results of the federal census.

- Thousands of counties, cities, school districts and other units of local government use the data to reconfigure their own districts.

County Redistricting Timeline

Date(s)	Action(s)
July 27 - Sept. 21	Community meetings and pre-map public hearing
October 19, 2021	BOS to consider draft maps and provide direction to County staff on map revisions
November 9, 2021	BOS adoption of final supervisorial map or provide further direction to County staff

City Council must provide input no later than their October 5th meeting for it to be considered at the October 19th BOS meeting.

Supervisorial District Map Criteria

Five criteria in the following order of priority:

1. The districts are geographically contiguous.

2. The geographic integrity of any local neighborhood or local community of interest is respected in a manner that minimizes division.

3. The geographic integrity of a city is respected in a manner that minimizes its division.

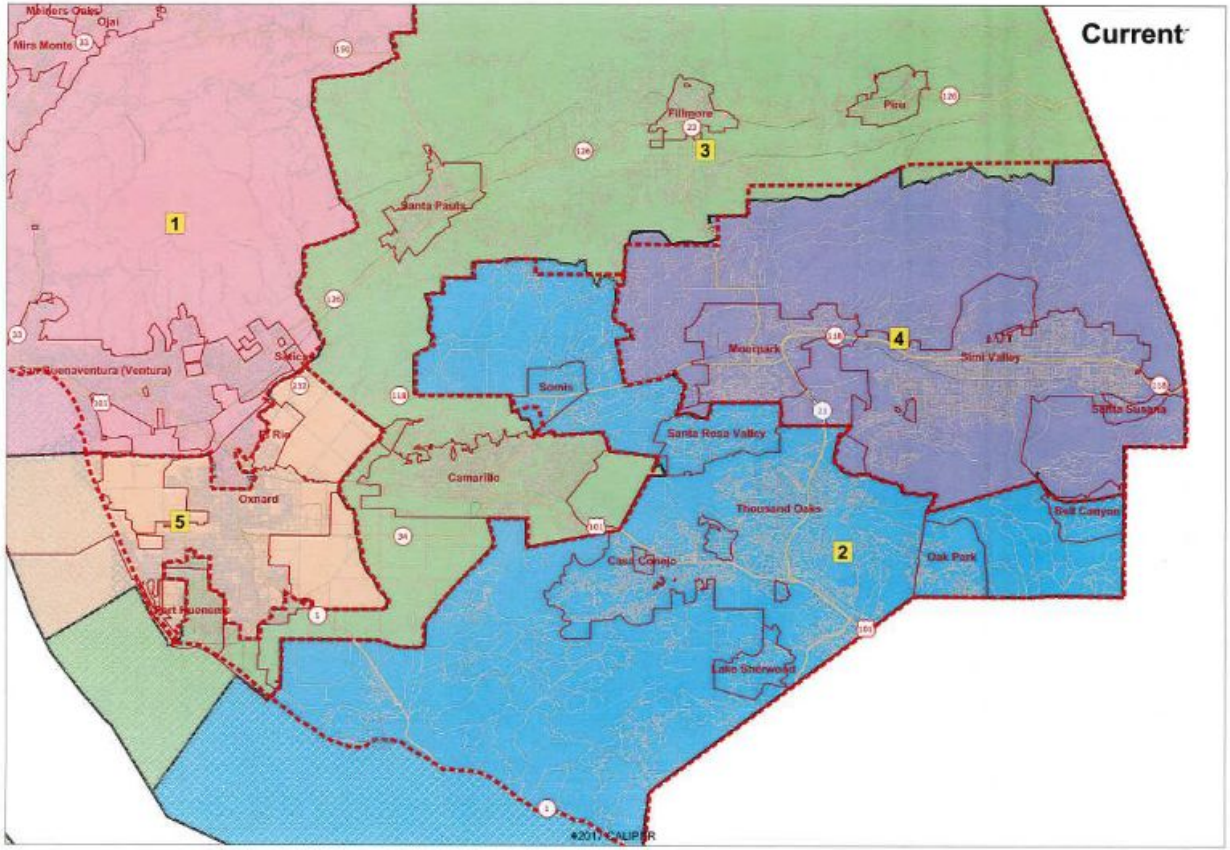
Supervisorial District Map Criteria

Five criteria in the following order of priority (continued):

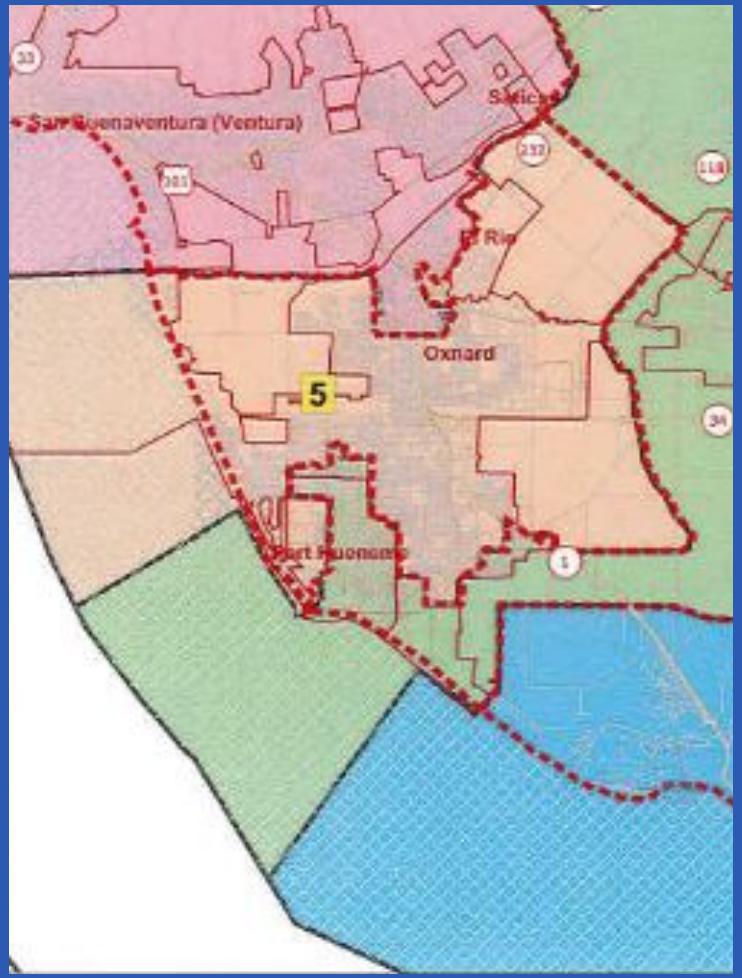
4. District boundaries should be easily identifiable and understandable by residents.

5. District boundaries shall be drawn to encourage geographical compactness in a manner that nearby areas of population are not bypassed in favor of more distant population. (Elections Code Section 21500.)

Current Supervisorial District Map



Current Supervisorial District Map



Current Supervisorial District Map Concerns

1. Oxnard is divided into three supervisorial districts within inhabited areas.
2. Four neighborhoods are split between District 3 and District 5, and another neighborhood is divided between District 5 and District 1.
3. District 3 includes the neighborhoods of Southwinds, Oxnard Pacific, Mar Vista, Tierra Vista and Villa Capri, even though the community of interest for these neighborhoods is with the neighborhoods located in District 5.
4. Especially in south Oxnard neighborhoods, the supervisorial district boundaries were not easily identifiable and understandable by residents.

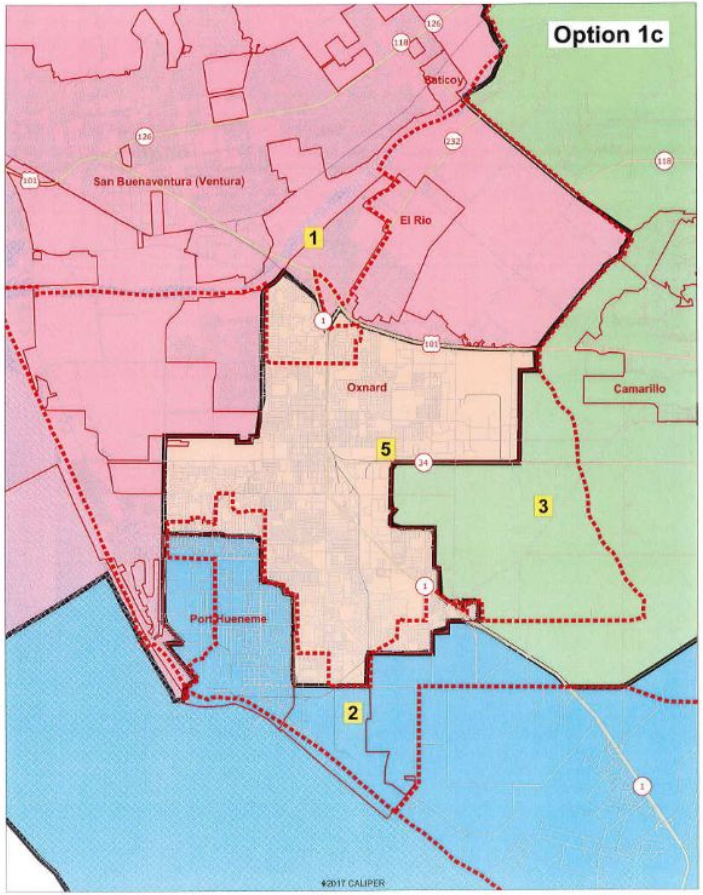
Summary of Current Supervisorial District Map Concerns

1. The current map does not preserve the geographic integrity of Oxnard. No other city in the county has more than one representative -- while Oxnard has three.
2. Neighborhoods and local community of interest are divided.
3. The supervisorial boundaries are not easily identifiable or understandable by residents, especially in south Oxnard.

Approach to New Supervisorial District Map

1. Consolidate the inhabited portions of Oxnard into no more than two supervisorial districts
2. Do not divide other cities in Ventura County into more than one supervisorial district
3. Reunite established neighborhoods in Oxnard
4. Create district boundaries that are easily identifiable and understandable by residents.

Option 1c Map



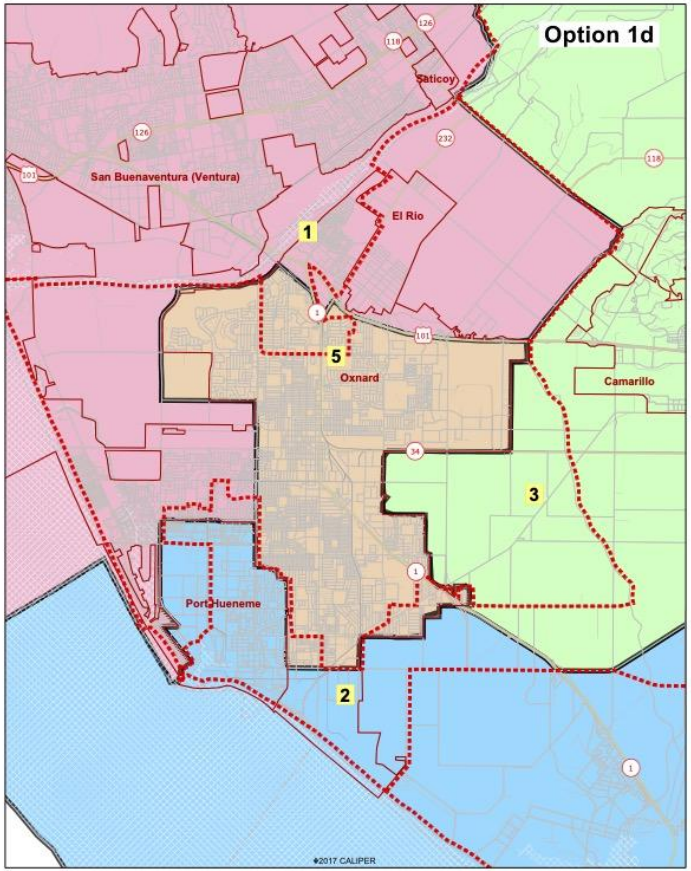
Option 1c Map Summary Related to Oxnard

1. Consolidates the majority of the inhabited portions of Oxnard in District 5
   a. The 10 neighborhoods in the southern portion of Oxnard that currently are fully or partially located in District 3 would move to District 5.
   b. The neighborhoods of South Bank, Sierra Linda, Orchard and Rio Linda (previously partially divided) would move from District 1 to District 5.
2. District 1:
   a. The neighborhoods of Victoria Estates, Golf Course, Windsor North/River Ridge, Cabrillo would move from District 5 to District 1
   b. The neighborhoods of Oxnard Dunes, Oxnard Shores, Channel Islands, Hollywood by the Sea and Silver Strand would move from District 5 to District 1.

Option 1c Map Summary Continued

3. The uninhabited neighborhoods in south Oxnard (Ormond Beach and Southshore) would be located in District 2 (previously District 3)

Option 1d Map

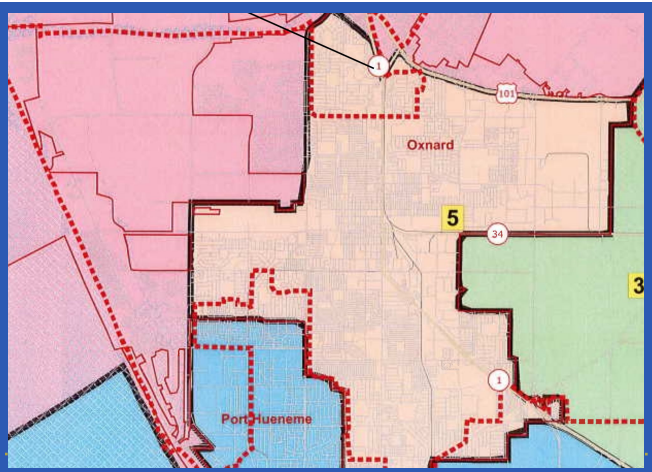


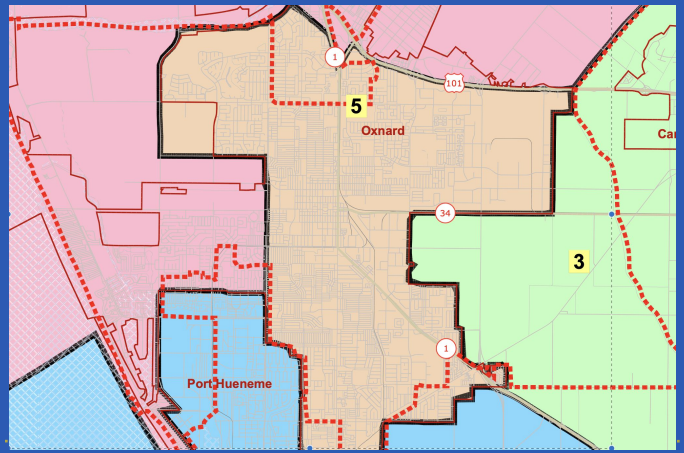
Option 1d Map Summary Related to Oxnard

1. Consolidates the majority of the inhabited portions of Oxnard in District 5
   a. Same as with Option 1C
2. District 1:
   a. The neighborhoods of Sea View Estates, Sea Air, Via Marina and Marina West would move from District 5 (or District 3) to District 1
   b. The neighborhoods of Oxnard Dunes, Oxnard Shores, Channel Islands, Hollywood by the Sea and Silver Strand would move from District 5 to District 1.
3. The uninhabited neighborhoods in south Oxnard (Ormond Beach and Southshore) would be located in District 2 (previously District 3)

Option 1c vs. Option 1d

1c	1d
Sea View Estates, Sea Air, Via Marina and Marina West are in District 1	Victoria Estates, Golf Course, Windsor North/River Ridge and Cabrillo are in District 5





Principles of Options 1c and 1d map

Both options:

1. Consolidate the inhabited portions of Oxnard into two districts
2. Do not divide other cities within the county into more than one supervisorial district
3. Reunite established Oxnard neighborhoods
4. Create district boundaries that are easily identifiable and understandable by residents.

County Redistricting Timeline

Date(s)	Action(s)
July 27 - Sept. 21	Community meetings and pre-map public hearing
October 19, 2021	BOS to consider draft maps and provide direction to County staff on map revisions
November 9, 2021	BOS adoption of final supervisorial map or provide further direction to County staff

City Council must provide input no later than their October 5th meeting for it to be considered at the October 19th BOS meeting.

Recommendation

That the City Council:

1. After selection one of the maps, adopt the resolution requesting that the Board of Supervisors adopt a specific supervisorial district map; or

2. Continue the subject item to October 5, 2021 and take formal action at that time.

SUPERVISOR DISTRICT MAP RESOLUTION

[on following page]

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OXNARD REQUESTING THAT THE BOARD OF SUPERVISORS OF THE COUNTY OF VENTURA ADOPT THE ATTACHED SUPERVISORIAL DISTRICT MAP BASED UPON THE MAP'S COMPLIANCE WITH THE REQUIREMENTS OF STATE LAW, INCLUDING THE MAP'S PRESERVATION OF THE GEOGRAPHIC INTEGRITY OF THE CITY OF OXNARD AND INCORPORATED CITIES WITH THE COUNTY OF VENTURA, THE MAP'S PRESERVATION OF THE LOCAL NEIGHBORHOODS AND COMMUNITIES OF INTEREST WITHIN THE CITY OF OXNARD AND THROUGHOUT THE COUNTY OF VENTURA, AND THE MAP'S EASILY IDENTIFIABLE BOUNDARIES

WHEREAS, every ten years, the United States Census Bureau releases the results of the federal census that trigger the subsequent redrawing of congressional, state, county and local districts in California; and

WHEREAS, state law outlines the specific process that is to be followed for the adjustment of supervisorial districts following the federal census; and

WHEREAS, the Board of Supervisors of the County of Ventura has commenced the redistricting process for redrawing the Ventura County Board of Supervisors district boundaries; and

WHEREAS, the City Council of the City of Oxnard, on behalf of the City and its residents, has a strong interest in ensuring that the supervisorial district map adopted by the Board of Supervisors preserves the geographic integrity of the City by dividing the inhabited neighborhoods of the City into no more than two supervisorial districts; and

WHEREAS, the City Council of the City of Oxnard, on behalf of the City and its residents, has a strong interest in ensuring that the supervisorial district map adopted by the Board of Supervisors preserves the geographic integrity of incorporated cities throughout the County of Ventura; and

WHEREAS, the City Council of the City of Oxnard, on behalf of the City and its residents, has a strong interest in ensuring that the supervisorial district map adopted by the Board of Supervisors preserves the geographic integrity of the City's local neighborhoods and local communities of interest; and

WHEREAS, the City Council of the City of Oxnard, on behalf of the City and its residents, has a strong interest in ensuring that the supervisorial district map adopted by the Board of Supervisors preserves the geographic integrity of local neighborhoods and local communities of interest throughout the County of Ventura.

NOW, THEREFORE, the City Council of the City of Oxnard hereby resolves as follows:

SECTION 1. The foregoing recitals are adopted as the findings of the City Council of the City of Oxnard as though fully set forth herein.

SECTION 2. The City Council recommends that the Board of Supervisors of the County of the Ventura adopt the draft map, which is attached hereto and incorporated herein by this reference, based upon the reasons set forth in this Resolution and because this map would:

A Preserve the geographic integrity of the City by dividing the inhabited neighborhoods of the City of Oxnard into no more than two supervisorial districts; and

B. Preserve the geographic integrity of incorporated cities throughout the County of Ventura; and

C. Preserve the geographic integrity of the City's local neighborhoods and local communities of interest; and

D. Preserve the geographic integrity of local neighborhoods and local communities of interest throughout the County of Ventura.

SECTION 3. The City Clerk is hereby directed to file a certified copy of this Resolution with the Board of Supervisors and the County Clerk by no later than Monday, October 4, 2021.

PASSED AND ADOPTED THIS 30th day of September 2021, by the following vote:
