BACKGROUND

INTRODUCTION

Last year, staff began a process to evaluate and prioritize the various city-owned parcels, with a focus on downtown sites. The City of Oxnard and related entities own over 700 parcels, many of which are used for

agency use such as parks, fire stations and other city buildings to serve the community. This will be the first report, which we intend to do annually, where staff will report on parcels we own, and in some cases request council authorization to designate specific parcels as “surplus land.” The Surplus Land Act defines surplus land as land owned in fee simple by any local agency for which the local agency’s governing body takes formal action in a regular public meeting declaring that the land is surplus and is not necessary for the agency’s use. This staff report identifies fifty-three parcels of real property owned by the City of Oxnard and related entities as “surplus land.”

Assembly Bill 1486 (the “Law”) requires a local agency to annually report on surplus land held by the local agency. The intent of this legislation was, among other things, to improve the process for providing notice of surplus land to facilitate the development of affordable housing around the State. The Law requires that any land “not necessary for the agency’s use” be declared surplus prior to disposition of the land. “Agency’s use” is defined in the Law as land that is used or planned to be used for the agency’s work or operations. As defined in the Law, “agency use” expressly excludes commercial or industrial uses, such as non-government retail, entertainment, or office development. If an agency disposes of land to finance such a project or activity, that disposition must go through the surplus land process under the Law. This report includes a list of properties owned by the City, and by the Parking Authority (collectively “Local Agencies”) that staff recommends be designated as surplus land.

SURPLUS LAND PROCESS

Notice of Availability

The Local Agencies must undergo the following two-part process for all properties that have been declared surplus. First, the Local Agencies will contact the California Department of Housing and Community Development (“HCD”) to obtain a list of all Housing Sponsors who have expressed an interest to HCD in developing affordable housing. Housing sponsors, as defined by Health and Safety Code section 50074, are those developers that have completed the California Housing and Finance Agency’s (CAL HFA) Self Certification as a Housing Sponsor form. The Local Agencies would then need to prepare and send a notice of availability for the relevant “surplus land” to the Housing Sponsors on HCD’s list, other public agencies, and HCD prior to any solicitation or negotiation with other developers or interested parties.

As part of the proposed action, staff seeks authorization for the City Manager or designee to send written notices of availability to appropriate public agencies and prospective Housing Sponsors and enter into good faith negotiations with any interested parties that respond to the notice within the established time frame. Recipients of the notice will have sixty days to indicate their interest in the purchase of the surplus land. If a recipient timely expresses interest in the purchase, the subject Local Agency must enter into good faith negotiations for a period of not less than ninety days. Although the City is prohibited from negotiating certain terms (such as preventing residential use, reducing density, or imposing design requirements making affordable housing not viable), the City would not be required to approve any discretionary entitlements. The Local Agencies are also not required to sell the land to the interested party. If more than one of the entities expresses an interest, then priority must go to the project with the most affordability. If terms are not agreed upon between the interested party and the Local Agency within this ninety-day period of good faith negotiations, the Local Agency may negotiate with any other developers or interested parties for the disposition of the surplus land. Staff will return to the City Council and/or Parking Authority to request authorization to execute a negotiated disposition agreement with an interested party and submit required documentation to HCD, as described later in this report, prior to the disposition of a surplus site.

The Law expresses a preference for residential uses and particularly affordable housing. With certain exceptions, the Local Agencies cannot disallow a residential site as a condition of disposal of property. Additionally, if the surplus property is sold to an entity intending to develop ten or more residential units, at least fifteen percent of the property must be restricted as affordable units. No consideration is made in the Law

regarding the existing general plan or zoning limits, nor does the Law supersede local land use control.

Notice to HCD

Prior to any disposition of property, the Local Agencies are required to submit to HCD a form describing the actions taken, including sending notices of availability and any negotiations conducted. If the private project includes ten or more housing units, then affordable housing restrictions must also be submitted for review. HCD should respond to the Local Agencies within thirty days of receiving the notice. During this period, HCD will inform the Local Agencies of any perceived failure to comply with the surplus land process. If HCD does not respond within thirty days, then the Local Agencies would be deemed to comply.

Remedial Action

If HCD informs the Local Agencies of any perceived failure to comply with the surplus land process, then the Local Agencies must resolve the issue. If the Local Agencies disposes of the property in violation of the Law, then it will be required to pay as a penalty thirty percent of the sales price into an affordable housing fund and rising to fifty percent for every subsequent violation.

Disposal of Property

Finally, the Local Agencies may dispose of the property to the entity per the negotiated agreement.

Annual Report

The Law requires the City of Oxnard to report on the list of surplus lands annually, which is due April 1 of each year.

PROPOSED SURPLUS LAND (NEW DECLARATION)

Oxnard Surplus Land, included as an attachment to this staff report, describes property owned by the Local Agencies that staff recommends be designated as surplus land. In total there are fifty-three parcels included on this list. However, staff will only issue a Notice of Availability on 27 of the 53 parcels in 2022 to allow staff to focus on negotiations for the first 27 parcels. Notices of Availability for the remaining 26 parcels are not anticipated until 2023 at the earliest.

Upon receiving authorization from the governing board of the Local Agency to issue Notices of Availability for the properties recommended to be designated as surplus land, staff intends to coordinate with the City Manager's office and begin issuing notices of availability for the following twenty-seven parcels included in the list of Oxnard Surplus Land:

1. The properties described as "Plaza Park North," inclusive of nine parcels owned by the Oxnard Parking Authority and six parcels owned by the City which includes the former Social Security Building located at 425 S. B Street in Downtown Oxnard.
2. The properties described as "Plaza Park East," inclusive of four parcels owned by the Oxnard Parking Authority and five parcels owned by the City in Downtown Oxnard.
3. The property described as "Petting Zoo," inclusive of one parcel owned by the City of Oxnard located in Downtown Oxnard.
4. The property described as "Former Gull's Wing Museum" inclusive of one parcel owned by the City of Oxnard located at 418 W. 4th Street in Downtown Oxnard.

5. The property described as “Riverpark,” inclusive of one parcel owned by the City located within the City’s River Park Specific Plan Area. As part of the notice released to interested parties, the City will require interested parties to agree to grant the City an easement to access adjacent property owned by the City.

The remaining 26 parcels are part of two separate projects, including the "Oxnard Transit Center Fourth and Oxnard Boulevard" and "Plaza Park South & Laundromat."

Environmental Analysis

The proposed action will not cause a direct physical change in the environment, nor a reasonably foreseeable indirect physical change in the environment. This action, therefore, does not constitute the approval of a project under the California Environmental Quality Act (“CEQA”), and it is exempt from CEQA. (Pub. Res. Code §21065, CEQA Guidelines §§15060(c), (2)(3); 15061(b)(3); 15064(d)(3); 15378(a).)

STRATEGIC PRIORITIES

This agenda item supports Economic Development strategy. The purpose of Economic Development strategy is to focus on the retention and expansion of Oxnard businesses by increasing the skills and employability of our local workforce, invite new business investments, and target site-based redevelopment opportunities.

FINANCIAL IMPACT

There are no immediate financial impacts relative to the recommended action. Some minimal direct costs may be incurred due to notices that must be mailed to the State, other agencies, and registered Housing Sponsors notifying them of the Local Agencies’ surplus property list. The City of Oxnard will be responsible for paying for these and any related costs. The following account: 101-4101-804-8209 will be used to pay for these expenditures. Staff may return to the governing board of the Local Agencies to seek authorization for additional expenditures associated with any future negotiations and disposition agreements with interested parties that may follow after the initial sixty-day notice period.

Surplus Land

Emilio Ramirez

Housing Director

Community Services, Public Safety, Housing & Development Committee

December 28, 2021

1. Assembly Bill (“AB 1486” or the “Law”) requires a local agency to annually report on surplus lands held by the local agency in an Annual Report, this report is due annually on April 1st. The Law requires that any land “not necessary for the agency’s use” be declared surplus prior to disposition of the land.
2. “Agency Use” excludes commercial or industrial uses, such as non-government retail, entertainment, or office development. If an agency disposes of land to finance such a project or activity, that disposition must go through the surplus land process under the Law.
3. As part of the surplus land act process, a local agency must first make property declared as surplus available to affordable housing developers interested in developing affordable housing and other public agencies who have registered with the California Department of Housing and Community Development (“HCD”) as “interested parties” prior to making them available for purchase or lease by other parties.
4. This report includes a list of properties owned by the City, and by the Parking Authority (collectively, “Local Agencies”) that staff recommends be designated as surplus land. In some cases, other property owned by the Local Agencies is still being evaluated by staff to determine whether or not it is necessary for the Local Agency's use. Those properties have not been included in this report.

Once the properties recommended by staff are declared as surplus via resolution from the Local Agency's governing body, the following steps must be taken by the City to comply with the Surplus Land Act:

1. The Local Agencies must obtain a list of "interested parties" from HCD that have expressed interest in developing affordable housing and send those parties a "Notice of Availability."
2. Recipients of the notice have 60 days to indicate their interest in the purchase of the surplus land. If a recipient timely expresses interest in the purchase, the Local Agencies must enter into good faith negotiations for a period of not less than 90 days. However, the Local Agencies are not required to sell the property to any interested party and the City is not required to approve any discretionary entitlements.
3. If terms are not agreed upon between the interested party and the Local Agencies within the 90-day period of good faith negotiations, the Local Agencies may negotiate with any other developers or interested parties for the disposition of the surplus land.
4. If the any surplus property is sold to an entity intending to develop 10 or more residential units, at least 15 percent must be restricted as affordable units.

5. Before the Local Agency moves forward with disposition of a surplus property to an “interested party” the Local Agency is required to submit a form to HCD describing the Local Agency’s compliance with the Surplus Land Act requirements, including applicable affordable housing restrictions. HCD has 30 days to respond to confirm the Local Agency’s compliance with Surplus Land Act requirements or to inform the Local Agency of any perceived failure to comply.
6. Upon receiving HCD approval the Local Agency may dispose of the property per the negotiated agreement.
7. If the Local Agency disposes of a property in violation of the Surplus Land Act, the Local Agency is required to pay a penalty of 30% of the sales price into an affordable housing fund, rising to 50% for every subsequent violation.
8. As part of the recommended action under this staff report, staff seeks authorization for the City Manager or designee to send out written notices of availability to appropriate public agencies and prospective affordable housing developers, and enter into good faith negotiations with any interested parties that respond to the notice within the established time frame.
9. City staff will return to the governing body of the local agency to request authorization to execute a negotiated disposition agreement with an interested party and submit required documentation to HCD, prior to disposition of a surplus site to an interested party.

Proposed Surplus Land Declaration

- A. A list of all properties recommended by staff to be declared as Surplus Land is included as attachment to the staff report. The list includes fifty-three (53) parcels, all of which are located in Downtown Oxnard, except for two parcels, which are located within the River Park Specific Plan area.

- B. Upon receiving authorization from the governing board of the Local Agency to issue Notices of Availability, staff will begin issuing notices for the twenty-seven (27) parcels described in the next slide. Notices of Availability for the remaining twenty-six (26) properties recommended to be declared surplus will be sent out at a later date.

Proposed Surplus Land Declaration

Notices of Availability will be sent to interested parties for the properties described in the Oxnard List of Surplus Land as:

1. “Plaza Park North,” inclusive of nine (9) parcels owned by the Oxnard Parking Authority and six (6) parcels owned by the City, which includes the former Social Security Building located at 425 S. B Street in Downtown Oxnard.

5. “River Park,” inclusive of one (1) parcel owned by the City located within the City’s River Park Specific Plan Area. As part of the notice released to interested parties, the City will require interested parties to agree to grant the City an easement to access adjacent property owned by the City.

This Article also describes requirements for developments built upon disposed surplus land, surplus land in which no sale took place under the auspices of the SLA, and requirements for affordable housing on surplus land that is developed at a later date.

Article III identifies the affordable housing requirements for developments built upon disposed surplus land.

Article IV summarizes the notification, recording, and reporting requirements to the California Department of Housing and Community Development (HCD) under the SLA.

Article V explains HCD's obligations to monitor local agency compliance with the SLA and identifies the escalating penalties associated with noncompliance.

ARTICLE I. PROGRAM OVERVIEW

Assembly Bill (AB) 1486 (Statutes of 2019, Chapter 664) and AB 1255 (Statutes of 2019, Chapter 661) made changes to the SLA found in **Government Code, Title 5, Division 2, Part 1, Chapter 5, Article 8. Surplus Land**. Generally, the purpose of the amendments is to promote affordable housing development on unused or underutilized public land throughout the state to respond to the existing affordable housing crisis. The amendments to the SLA adopted with AB 1486 and AB 1255 clarify and strengthen reporting and enforcement provisions of the SLA to promote increased compliance with the SLA.

AB 1486 took effect January 1, 2020.

As of that date, HCD began reviewing notices that local agencies are required to send by email or certified mail pursuant to Government Code Section 54222(a)(1) and examining complaints and other information received or requested to confirm compliance with the SLA pursuant to Government Code Section 65585.1. As of that date, HCD also began collecting (in Table G of the Housing Element Annual Progress Report (APR)) information on jurisdiction- owned sites identified in the housing element sites inventory, and subsequently disposed of by the jurisdiction.

As of January 1, 2021, HCD was required to begin implementing Government Code Section 54230.5, including, but not limited to, adopting these Guidelines; reviewing each local agency's description of the notices of availability sent, negotiations conducted with any responding entities, and copies of any restrictions to be recorded against the property pursuant to Government Code Sections 54233 or 54233.5; submitting written findings to local agencies; and, if necessary, assessing penalties, in conjunction with the Attorney General, to local agencies that dispose of surplus property in violation of the SLA.

 - C) Provide HCD with descriptions of the notices of availability sent, and negotiations conducted with any responding entities, regarding the disposal of the parcel of surplus land on the form provided in Appendix B;
 - D) Forward to HCD a copy of any restrictions to be recorded against the surplus land pursuant to Government Code Section 54233 or 54233.5, whichever is applicable, in the form prescribed by HCD in Appendix B; and
 - E) If the local agency is a city or county, beginning April 1, 2021, the local agency must report annually information about all locally owned surplus land sites pursuant to Government Code Section 54230. Reporting shall be in table H of the APR in accordance with APR instructions.
- (2) Housing sponsors, as defined by Section 50074 of the Health and Safety Code, may notify HCD of their interest in surplus land pursuant to Government Code Section 54222(a)(1) using the survey in Appendix D.

In cases where fair market value has not been established, the parties may seek a broker’s opinion of value or an appraisal may be conducted. If, following a single appraisal, consensus on fair market value remains absent, a second appraisal is frequently obtained. If consensus on fair market value is not reached after the second appraisal, the parties may average the results of the two appraisals, or a third appraisal may be obtained.  - (B) The disposal of any surplus land pursuant to a qualifying ENA or legally binding agreement to dispose of property must still comply with the SLA as it existed on December 31, 2019.
 - (C) The deadline for disposal of property set out in Paragraph (A) above shall be extended if the disposition of property, the local agency's right or ability to dispose of the property, or a development project for which such property is proposed to be transferred, is the subject of judicial challenge, by petition for writ of mandate, complaint for declaratory relief or otherwise, to the date that is six months following the final conclusion of such litigation.
 - (D) If a legally binding agreement to dispose of property is either an enforceable option to lease or option to purchase and the option is exercised or expires after December 31, 2022, the local agency must notify HCD, in writing, within 30 days of the option's execution or the option's expiration.
 - (2) Land held in the Community Redevelopment Property Trust Fund or designated in a long-range property management plan is not subject to the requirements of these Guidelines if both of the following apply:
 - (A) An ENA or legally binding agreement for disposition of the property is entered into not later than December 31, 2020.
 - (B) The disposition is completed by December 31, 2022.
 - (C) The deadline for disposal of the property set out in Paragraph (B) above shall be extended if the land subject to the Community Redevelopment

Property Trust Fund or the long-range property management plan is the subject of litigation, including, but not limited to, litigation challenging the disposition of such property, the right or ability to dispose of the property, or a development project for which such property is proposed to be transferred, the date specified in Paragraph (B) shall be extended to the date that is six months following the final conclusion of such litigation.

- (3) Land declared to be exempt by the local agency. Other land may be exempt from these Guidelines provided that the governing board of a local agency declares the property to be “exempt surplus land” at a regular public meeting and the declaration is supported by written findings demonstrating that the land is of one or more of the following types:
- (A) County or City Surplus Land Transferred for the Development of Affordable Housing with restrictions as described in Government Code Section 25539.4 or 37364.
 - (B) Small Surplus Land Parcels sold to an owner of contiguous land that is:
 - (i) less than 5,000 square feet in area;
 - (ii) less than the minimum legal residential building lot size for the jurisdiction in which the parcel is located, or 5,000 square feet in area, whichever is less; or
 - (iii) has no record access, is less than 10,000 square feet in area, and is not contiguous to land owned by a state or local agency that is used for open-space or low and moderate income housing purposes.
 - (C) Exchange of Surplus Land. Surplus land that a local agency is exchanging for another property necessary for the local agency’s use.
 - (D) Local Agency to Agency Surplus Land Transfer. Local agency surplus land is transferred to another local, state, or federal agency for the transferee agency’s use.
 - (E) Surplus Street Land. Surplus land that is a former street, right of way, or easement, and is conveyed to an owner of an adjacent property.
 - (F) Exempt Surplus Land for Affordable Housing. Land declared “exempt surplus land” that is advertised to all entities identified in subdivision (a) of Section 54222 of the Government Code and who are then invited to participate in the competitive bid process for either of the purposes identified below:
 - (i) A housing development (including mixed-use developments with ancillary commercial ground floor uses) that restricts 100 percent of the residential units to persons and families of low or moderate income, with at least 75 percent of the residential units restricted to

lower-income households as affordable housing pursuant to Section 102(a) of these Guidelines. In no event shall the maximum affordable sales price or rent level be higher than 20 percent below the median market rents or sales prices for the neighborhood in which the site is located.

- (ii) A mixed-use development that is more than one acre in area, that includes not less than 300 housing units, and that restricts at least 25 percent of the residential units to lower-income households, as defined in Health and Safety Code Section 50079.5 as affordable housing pursuant to Section 102(a) of these Guidelines.
 - (iii) If used for one of the purposes described in Section 103(a)(3)(F)(i) and (ii) of these Guidelines, the local agency must put the land out for open, competitive bid. All entities identified in Section 202 must be invited to participate in the competitive bid process. If entities were invited to participate in the competitive bid process prior to the existence of HCD's expression-of-interest list, then noticing will be considered sufficient if reasonable efforts were made to include known interested parties.
- (G) Validly Restricted Surplus Land. Surplus land that is subject to valid legal restrictions not imposed by the local agency such as covenants, or other restrictions that are and that would make housing prohibited, unless there is a feasible method to satisfactorily mitigate or avoid the prohibition on the site. An existing nonresidential land use designation is not per se a legal restriction that would make housing prohibited.
- (H) Surplus Trust Lands. Surplus land that was granted by the state in trust to a local agency or that was acquired by the local agency for trust purposes by purchase or exchange, and for which disposal of the land is authorized or required subject to conditions established by statute.
- (I) School District Surplus Land. Land that is subject to Education Code Sections 17388, 17515, 17536, 81192, 81397, 81399, 81420, and 81422 and Part 14 of Division 31 of the Health and Safety Code commencing with Health and Safety Code Section 53570, unless compliance with the SLA is expressly required.
- (J) Real property that is used by a district for agency's use expressly authorized in Government Code Section 54221(c).
- (K) Transfers of Surplus Parking Lot Land. Surplus parking lot land that has been transferred before June 30, 2019, by the state to a local agency pursuant to Streets and Highways Code Section 32667 and has a minimum planned residential density of at least 100 dwelling units per acre and includes 100 or more residential units that are restricted to persons and families of low or moderate income pursuant to Government Code Section 54221(f)(1)(K).

- (c) No Exemption Determination: Any determination by a local agency that its surplus lands are exempt from the SLA must be supported by written findings and shall be provided to HCD pursuant to Section 400(e) of these Guidelines.

ARTICLE II. SURPLUS LAND

Section 200. Surplus Land Determination Process

- (a) Land must be declared either “surplus land” or “exempt surplus land”, as supported by written findings, before a local agency may take any action to dispose of it consistent with an agency’s policies or procedures.
- (b) Surplus land shall have the definition set forth in Section 102(w) of these Guidelines and exempt surplus land shall have the definition and meet the requirements set forth in Section 103(b)(3) of these Guidelines.
- (c) Beginning April 1, 2021, “a central inventory of all surplus land” shall be reported to HCD no later than April 1 of each year on Table H of the city or county’s APR submitted pursuant to Government Code 65400(a)(2).

Note: Authority cited: Government Code Section 54230, subdivision (c)(2), Section 54230.5, subdivision (b)(2)(D). Reference cited: Government Code Section 54230, Section 65400.

Section 201. Notice of Availability

Any local agency disposing of surplus land, prior to disposing of that property or participating in negotiations to dispose of that property with a prospective transferee, shall send a written notice of availability (NOA) to certain parties designated in the SLA. The notice shall be in a form prescribed by HCD in Appendix A of these Guidelines and shall comply with the following.

- (a) Low- and Moderate-Income Housing Availability Notice.
 - (1) A written notice of the availability of surplus land provided on the form contained in Appendix A of these Guidelines for the purpose of developing low- and moderate-income housing shall be sent to the following:
 - (A) HCD and any local public entity as defined in Health and Safety Code Section 50079 within whose jurisdiction the surplus land is located. HCD will maintain on its website an up-to-date listing of all notices of availability throughout the state.
 - (B) Housing sponsors that have notified HCD of their interest in surplus land that is in the county in which the surplus land is located or in all California counties. Housing sponsors must notify HCD of their interest in surplus land by completing a survey provided by HCD. Those interested in receiving notices from local agencies based on HCD’s expressions-of-interest list are responsible for keeping their addresses and contacts current.
 - (2) An entity not on HCD’s list may also respond to an NOA.
 - (3) All responses shall be date and time stamped by the local agency as they are received.

- (4) All NOAs shall be sent by certified mail or email and shall include the location and a description of the surplus land.
- (5) A NOA cannot be sent before the governing body for the local agency has declared the land for which the notice is being issued to be “surplus land”, and any such notice sent prematurely will not be deemed valid.
- (b) Park, Recreation and Open Space availability notices shall comply with the conditions and follow the requirements as described in Government Code Sections 54221(f)(2), 54222, and 54227(b).
- (c) School facilities surplus land availability notices shall comply with the conditions and follow the requirements as described in Government Code Section 54222(c).
- (d) Infill Opportunity Zone or Transit Village Plan surplus land availability notices shall comply with the conditions and follow the requirements as described in Government Code Section 54222(d).

Note: Authority cited: Government Code Section 54230, subdivision (c)(2), Section 54230.5, subdivision (b)(2)(D). Reference cited: Government Code Section 54221(f)(2), Section 54222, and Section 54227(b); Health and Safety Code Section 50079.

Section 202. Disposal of Surplus Land for Affordable Housing

After the governing board of a local agency has held the required public meeting to declare property as surplus land, as described in Section 102(w) of these Guidelines, a Low- and Moderate-Income Housing Availability Notice described in Section 201(a) must be sent to interested housing sponsors identified by the expressions-of-interest list maintained by HCD and local public entities within whose jurisdiction the surplus land is located and invite those interested to respond to the local agency with a notice of interest.

- (a) Negotiating Disposition of Surplus Land for Affordable Housing
 - (1) Response to a NOA of surplus land for the development of affordable housing
 - (A) 60 Days to Respond.

An entity or association interested in developing surplus land for affordable housing must notify in writing the disposing agency of its interest in purchasing or leasing the land within 60 days after the agency’s notice of availability of the land is sent via certified mail or provided via electronic mail.

 - (i) A local agency may not issue a request for proposals on surplus land less than 60 days from the date that the local agency issues the NOA of surplus land.
 - (ii) If a notice of interest is received in response to an NOA, a request for proposals may not be issued until after the conclusion of the 90-day negotiation period.

- (B) Upon Receipt of Notice of Interest.
If a local agency disposing of surplus land receives a timely notice of interest from a proper entity, then a 90-day good faith negotiation period begins on the first day after the end of the 60-day period in Government Code Section 54222(e). If the price or terms cannot be agreed upon after the full 90-day good faith negotiation period, then the local agency may dispose of the surplus land without further regard to the SLA but must still comply with Government Code Section 54233 or 54233.5, as applicable.
- (C) 90-Day, Good Faith Negotiation Period.
For purposes of the 90-day good faith negotiation period, residential use of the surplus land by the prospective transferee shall be deemed an acceptable use. Terms agreed to as part of the 90-day good faith negotiation period must comply with the following:
- (i) A local agency cannot prohibit residential use of the surplus land as a condition of a sale or lease.
 - (ii) A local agency cannot reduce the authorized number of residential units or the maximum lot coverage of the surplus land below what is allowed by zoning or general plan requirements.
 - (iii) A local agency may not require, as a condition of sale or lease, any design standards or architectural requirements that would have a substantial negative effect on the viability or affordability of a housing development for very low-, low- or moderate-income households, other than the minimum standards required by general plan, zoning, and subdivision standards and criteria.
- (D) For the purposes of complying with the SLA's requirements regarding NOAs, "participating in negotiations" does not include the commissioning of appraisals, due diligence prior to the sale or lease of the surplus land, discussions with brokers or real estate agents not representing a potential buyer, or other studies to determine value or best use of the surplus land, issuance of a request for qualifications, development of marketing materials, or discussions conducted exclusively among local agency employees and elected officials. (Gov. Code Section 54222(f))
- (E) If an entity believes a local agency has not negotiated with it in good faith pursuant to this section, the entity may notify HCD by emailing publiclands@hcd.ca.gov.
- (F) Sample negotiation process timeline. The following represents a sample timeline for a good faith negotiation per the definition in Section 102(m) of these Guidelines. Minor departures from this sample do not constitute per se bad faith, and differences in the timeline may be justified with prior

notice to HCD.

- March 1, 2021 – disposing agency sends a NOA of surplus land as described in Section 201;
- March 10, 2021 – first entity desiring to purchase or lease the surplus land sends notice of interest to disposing agency;
- March 12, 2021 – disposing agency receives notice of interest from first entity desiring to purchase or lease the surplus land;
- March 20, 2021 – second entity desiring to purchase or lease the surplus land sends notice of interest to disposing agency;
- March 22, 2021 – disposing agency receives notice of interest from second entity desiring to purchase or lease the surplus land;
- April 30, 2021 – last day for an entity desiring to purchase or lease the surplus land to respond to the NOA;
- May 1, 2021 – 90-day, good faith negotiation period commences, as described in Section 202(a)(1)(C)
- July 30, 2021 – last day of 90-day, good faith negotiation period;
- July 31, 2021 – first day that disposing agency may dispose of the surplus land without regard to the amendments to the SLA, except that the disposing agency must still follow Government Code 54233 or 54233.5.

(2) Terms

- (A) As part of the 90-day good faith negotiation period, a local agency and a prospective transferee may agree to limitations on residential use or density if, without such limitations, the residential use or density would have a specific, adverse impact, supported by written findings, upon the public health or safety or upon the local agency's operation or facilities, and there is no feasible method to satisfactorily mitigate the impact.
- (B) For low and moderate-income housing purposes, a local agency may agree to a payment period of up to 20 years for a sale of surplus land in any contract of sale or sale by trust deed for the land. Such payment period may exceed 20 years but shall not exceed the term that the surplus land is required to be used for low- or moderate-income housing.
- (C) A local agency may sell or lease surplus land at fair market value or fair market rent or less than fair market value or fair market rent.
- (D) Agreement between the local agency and buyer.
 - (i) Failure to agree on sale/purchase price of land: If "fair market value" was determined by a single appraisal, a second appraisal value commissioned from a mutually acceptable firm may be averaged with the initial value to determine a sales price.
 - (ii) Partial lease/acquisition: A local agency may agree to a lease or

sale of part of the surplus land provided that the remaining parcel or parcels are disposed of as surplus land or exempt surplus land. A written justification for accepting a lease or sale of part of surplus land must accompany the Appendix B report to HCD.

- (iii) Agency change of mind: A local agency may withdraw its NOA provided that no notices of interest have been received and a written “notice of withdrawal” is sent to all housing sponsors, local public entities, HCD, and any other developers to which the notice of availability was sent.
- (iv) Conditions and restrictions required by the local agency as seller: A local agency may provide entities with reasonable conditions or restrictions for the surplus land in question, which must be included in the NOA, and reviewed by HCD pursuant to Section 400. The parties are required by the SLA to then negotiate in good faith. If it appears that the parties cannot resolve issues that would preclude a disposition within the 90-day negotiation period, the parties may discuss the issue(s) with HCD.

(b) Payment Period for Surplus Land Disposed of in Contract of Sale or Sale by Trust Deed

- (1) If surplus land is disposed of for housing for persons and families of low and moderate income, the payment period shall not exceed the term that the land is required to be used for low- or moderate-income housing.
- (2) If surplus land is disposed of for park or recreation purposes, for open-space purposes, or for school purposes, the local agency may provide for a payment period of up to 20 years.
- (3) Multiple Notices of Interest
 - (A) A local agency may negotiate concurrently with all entities that provide notice of interest for the purpose of developing affordable housing that meets the requirements of Government Code Section 54222.5.
 - (B) In the event that any local agency disposing of surplus land receives a notice of interest to purchase or lease that land from more than one of the entities to which a NOA was given, the local agency shall give first priority to the entity or entities that agree to use the site for affordable housing that meets the requirements of Government Code Section 54222.5, described as follows:
 - (i) Not less than 25 percent of the total number of units developed (which number includes density bonus units) shall be affordable housing as defined by Section 102(a) of these Guidelines.
 - (ii) If more than one entity proposes the same number of units that meet the requirements of Government Code Section 54222.5, priority

shall be given to the entity that proposes the deepest average level of affordability for the affordable units.

- (C) If the local agency receives notices of interest from more than one entity that agrees to meet the requirements of Government Code Section 54222.5, then the local agency shall give priority to the entity that proposes to provide the greatest number of units that meet the requirements of Government Code Section 54222.5.

(4) Grounds for local agency to reject offer:

- (A) A local agency may reject an offer when the local agency and buyer/lessee cannot agree on sales price or lease terms.
- (B) A local agency may reject an offer when priority is given to a competing offer that includes a greater number of affordable units or, in case of a tie in the number of units, the lowest average level of affordability consistent with Government Code Section 54222.5.
- (C) A local agency may reject an offer when the interested entity is not responsive to a local agency's reasonable conditions or restrictions as described in the NOA, where consistent with these Guidelines and the SLA, and such conditions or restrictions are reviewed by HCD.

(c) Requirements If Negotiations End with No Sale or Lease of Surplus Land

(1) Local Agencies That Are Not Districts.

- (A) If the local agency does not agree to price and terms with any entity to which NOA of land was given pursuant to these Guidelines, or if no entity to which a NOA was given pursuant to these Guidelines responds to that notice, then the land in question may be disposed of outside of the SLA, except that Section 202(c)(1) and (2) shall apply.

In such a case, if 10 or more residential units are developed on the property, not less than 15 percent of the total number of residential units developed on the parcels shall be sold or rented as affordable housing as defined by Section 102(a) of these Guidelines.

- (B) The purchasing entity shall agree to the following additional requirements:
 - (i) Rental units shall remain at an affordable housing cost to, and occupied by, lower-income households for a period of at least 55 years. Ownership units shall remain at an affordable housing cost to, and occupied by, lower-income households for a period of at least 45 years. The initial occupants of all ownership units on the surplus land shall be lower-income households and the unit shall be subject to an equity sharing agreement consistent with Health and Safety Code Section 65915(c)(2). Any subsequent occupants shall also be lower-income households, if necessary, for the unit to remain

occupied by lower-income households, for at least 45 years or 55 years, respectively.

- (ii) The requirements set out in subdivision (a) above shall be contained in a covenant or restriction recorded against the surplus land at the time of sale, which by its express terms shall run with the land and shall be enforceable by any of the following parties, against any owner who violates the covenant or restriction and each successor in interest who continues the violation:

- I. The local agency that disposed of the property.
- I. Any resident of an affordable ownership or rental unit described in subdivision (a).
- II. A resident's association with members who reside in units described in subdivision (a).
- III. A former resident of a unit described in subdivision (a) who last resided in that unit.
- IV. An applicant seeking to enforce the covenants or restrictions for a particular unit, ownership or rental, as described in subdivision (a), if the applicant conforms to all of the following:
 - a. Is of low or moderate income, as defined in Section 50093 of the Health and Safety Code;
 - b. Is able and willing to occupy that particular unit; and
 - c. Was denied occupancy of that particular unit due to an alleged breach of a covenant or restriction implementing Government Code Section 54222.5.
- V. A person on an affordable housing waiting list who is of low or moderate income, as defined in Section 50093 of the Health and Safety Code, and who is able and willing to occupy a unit subject to this provision of the Guidelines.

- (C) A local agency shall provide a copy of any restrictions recorded against the surplus land to HCD as an attachment to the form prescribed by HCD in Appendix B.

(2) Districts.

- (A) If a local agency that is a district, excepting those whose primary mission or purpose is to supply the public with a transportation system, disposes of surplus land where local zoning permits development of 10 or more

residential units or is rezoned within five years of the disposal to permit the development of 10 or more residential units, and 10 or more residential units are developed on the property, not less than 15 percent of the total number of residential units developed on the parcel shall be sold or rented as affordable housing as defined by Section 102(a) of these Guidelines, and the additional requirements contained in Section 202(c)(1)(B)(i-ii) of these Guidelines shall apply.

- (B) A local agency that is a district shall provide a copy of any restrictions recorded against the surplus land to HCD on the form prescribed by HCD in Appendix B of these Guidelines.
- (C) This subsection shall not apply to projects as defined in Health and Safety Code Section 32121(j).

ARTICLE III. REQUIREMENTS TO BE PLACED ON SURPLUS LAND FOR AFFORDABLE HOUSING

Section 300. Requirements When an Entity Proposes to Use the Surplus Land for Developing Affordable Housing

- (a) An entity proposing to use the surplus land for affordable housing shall agree to make no less than 25 percent of the total number of units developed on the parcels as affordable housing pursuant to Section 102(a) of these Guidelines. The entity shall agree to the following additional requirements:
 - (1) Rental units shall remain at an affordable housing cost to, and occupied by, lower-income households for a period of at least 55 years.
 - (2) Ownership units shall remain at an affordable housing cost to, and occupied by, lower-income households for a period of at least 45 years. The initial occupants of all ownership units on the property shall be lower-income households and the unit shall be subject to an equity sharing agreement consistent with Health and Safety Code Section 65915(c)(2). Any subsequent occupants shall also be lower-income households, if necessary, for the unit to remain occupied by lower-income households, for at least 45 years.
- (b) The requirements set out in subdivision (a) above shall be contained in a covenant or restriction recorded against the surplus land at the time of sale, which by its express terms shall run with the land and shall be enforceable by any of the following parties, against any owner who violates the covenant or restriction and each successor in interest who continues the violation:
 - (1) The local agency that disposed of the property.
 - (2) Any resident of an affordable ownership or rental unit described in subdivision (a).
 - (3) A resident's association with members who reside in units described in subdivision (a).

ARTICLE IV. REPORTING REQUIREMENTS

Section 400. Local Agency Reporting Requirements

- (a) Pre-Negotiation and Disposal Notice. A local agency must submit a NOA to HCD, any other local public entities within whose jurisdiction surplus land is located, and all interested housing sponsors that have provided notice to HCD.
 - (1) Prior to disposing of surplus land or participating in negotiations to dispose of surplus land with a prospective transferee, a written NOA shall be sent to HCD on the form in Appendix A pursuant to Section 201 of these Guidelines. If the NOA includes any local agency conditions or restrictions regarding development, such conditions or restrictions must be reviewed by HCD prior to the initiation of negotiations with any interested and qualified developer.
- (b) Post-Negotiation Notice and Proposed Disposition Summary: A proposed disposition summary must be sent to HCD on Appendix B at the conclusion of negotiations for the disposition of surplus land.
 - (1) Prior to finalizing any agreements or disposing of any surplus land, the local agency shall provide to HCD a description of the NOAs sent, a description of the negotiations conducted with any responding entities, including any non-solicited expressions of interest in regard to the disposal of the surplus land, and a copy of any restrictions to be recorded against the property pursuant to Government Code Sections 54233 or 54233.5, whichever is applicable, in a form prescribed by HCD in Appendix B. A sample covenant/restriction is provided in Appendix C.
 - (2) A local agency may submit this information to HCD after it has sent NOAs required by Government Code Section 54222 and concluded negotiations with any responding entities. Article V of these Guidelines provides details on HCD's required review of this information.
 - (3) If a local agency proposes to dispose of surplus land to an entity that does not have first priority and/or priority pursuant to Government Code Section 54227, the local agency is required to provide HCD an adequate written explanation.
- (c) A local agency shall provide HCD a copy of any restrictions to be recorded against the property pursuant to sections 202(d)(1)(B) and 300(b) of these Guidelines as an attachment to Appendix B.
- (d) A local agency that is a city, county, or city and county shall submit an APR pursuant to Government Code 65400 including the following information:

Beginning in 2021, this inventory is to be submitted to HCD by April 1 of each year. This inventory will become part of the APR as Table H. Please reference Section 601 for web links which detail APR and Housing Element requirements.

- (2) Jurisdiction-owned sites identified in the housing element sites inventory subsequently disposed of by the jurisdiction in Table G of the Housing Element APR.
- (e) Notice of Exemption Determination: A local agency that determines that property is exempt from the SLA shall support such a determination with written findings and shall provide a copy of the written determination to HCD at least 30 days prior to disposition.
 - (1) A copy of the resolution declaring the property exempt surplus land that includes written findings supporting such a declaration will generally be considered sufficient documentation to meet this requirement.
 - (2) Local agencies are encouraged to notify HCD at publiclands@hcd.ca.gov prior to having the resolution approved in order to clarify whether land should be declared “surplus land” or “exempt surplus land”.

- (a) Initiation of Monitoring. Beginning on January 1, 2021, HCD shall initiate monitoring of local agency compliance with certain requirements imposed by the SLA.
- (b) Educational Materials and Technical Assistance. To assist agencies with SLA compliance, HCD will from time to time make available educational resources and materials regarding the SLA and these Guidelines to local agencies and the public.
- (c) HCD Findings:
 - (1) Review: HCD shall review the information submitted by a local agency pursuant to Section 400 of these Guidelines.
 - (2) Notice of Violation (NOV): HCD shall consider and make findings on whether the local agency's proposed sale or lease of the surplus land will violate the SLA and these Guidelines. COMMUNITY SERVICES, PUBLIC SAFETY, HOUSING & DEVELOPMENT COMMITTEE AGENDA REPORT

REPORTS AGENDA ITEM NO. D.2

DATE: December 28, 2021

TO: Community Services, Public Safety, Housing & Development Committee

FROM: Alexander Hamilton, Fire Chief, (805) 385-7700, alexander.hamilton@oxnard.org

SUBJECT: Mutual Aid Response with California Office of Emergency Services. (0/10/10)

RECOMMENDATION

That the Public Safety Committee recommend that the City Council adopt a resolution approving the side letters with the International Association of Firefighters (IAFF), the Oxnard Mid-Managers Association (OMMA), and the Oxnard Public Safety Managers Association (OPSMA) concerning Mutual Aid Response with California Office of Emergency Service (CalOES).

Please click the following link to view the required Measure M pre-recorded presentation video: <https://youtu.be/fGB3leEEG2w>

BACKGROUND

California Office of Emergency Services (CalOES) requires local agencies to have a resolution or contract provision to authorize reimbursement.

The City of Oxnard Fire Department routinely responds to requests for assistance to incidents outside the jurisdiction of the City of Oxnard. These incidents and requests for Mutual Aid typically occur from May through November but can occur at other times depending on emergency activity throughout the State. For incidents that are under the California Fire Assistance Agreement (CFAA), these requests for resources to respond may be thought of as "Assistance for Hire" agreement administered by CalOES.

For such incidents, all costs may be reimbursed from the time of dispatch to the incident to time of return to the jurisdiction (portal to portal) for such resources under the "Assistance for Hire" agreement. These portal-to-portal costs include identified personnel costs, equipment use, equipment repair or replacement and allowable administrative costs as authorized by the agreement.

DISCUSSION

Prior City Resolutions and current MOU's have contained language regarding mutual aid support and the conditions under which that mutual aid support is paid. Recently, CalOES has reviewed the language of these documents and has determined that they no longer meet their criteria for the City to be eligible for repayment of personnel who are deployed on a mutual aid assignment. Specifically, the prior resolutions and MOU contracts contain language which states the City will only pay employees portal to portal at the overtime rate of pay if the City receives reimbursement from the paying agency, in this instance CalOES, at the same rate. Effectively, the City's language was intended to make clear that the overtime assignment would not continue

for the employee if the City was not held financially harmless.

CalOES requires that if the City is going to pay portal to portal, meaning that the employee is paid from the moment they step out their door enroute to a mutual aid assignment and that pay continues until they step back through their home door, at the overtime rate of pay, which is required by law for firefighters, then we must have a Resolution approved by Council stating this. CalOES has made it clear that the language stating that portal to portal is contingent on payment being received by CalOES is not allowed. The Resolution and side letters presented in this agenda comply with this requirement and, if approved, will allow the City to continue to send personnel in support of mutual aid requests.

The staff has analyzed the concern regarding repayment and deleting that piece of language from our resolution and relevant MOU's. In our opinion, there is little to no risk of the state not paying for mutual aid. This analysis is based on a historical review where the City has always received reimbursement for the cost of staff time when deployed on these assignments. Also, if, for some reason, in the future, the City doesn't receive appropriate reimbursement, the City can always opt-out of sending personnel on any mutual aid assignment.

STRATEGIC PRIORITIES

This agenda item is a routine operational item or does not relate to the five strategic priorities adopted by City Council on March 16, 2021.

COMMUNITY SERVICES, PUBLIC SAFETY, HOUSING & DEVELOPMENT COMMITTEE AGENDA REPORT

REPORTS AGENDA ITEM NO. D.3

DATE: December 28, 2021

TO: Community Services, Public Safety, Housing & Development Committee

FROM: Alexander Hamilton, Fire Chief, (805) 385-7700, alexander.hamilton@oxnard.org

SUBJECT: Ratify submission of application for 2021 Emergency Management Performance Grant (EMPG). (In-kind match of \$36,393 required) (0/5/5)

RECOMMENDATION

That the Oxnard Public Safety Committee recommends to the Oxnard City Council that they adopt a resolution:

1. That ratifies the submission of a grant application to the Ventura County Office of Emergency Services for the 2021 Emergency Management Performance Grant (EMPG) in the amount of \$36,393 for the purpose of offsetting the salary and benefits of the Emergency Services Manager, and the required salary match of \$36,393;
2. That authorizes the City Manager or designee to execute the grant agreement if funds are awarded to the City;
3. That authorizes the Chief Financial Officer or designee to submit financial reports and grant claims, approve budget appropriations for the use of grant funds and perform all other required financial actions; and
4. That authorizes the Fire Chief or designee to submit non-financial reports.

Please click the following link to view the required Measure M pre-recorded presentation video: <https://youtu.be/XS6ELmSMrSQ>

BACKGROUND

The 2021 Emergency Management Program Grant (EMPG) is funded by the U.S. Department of Homeland Security and administered through the California Office of Emergency Services. The funds are distributed to the City on a reimbursement basis through the Ventura County Sheriff's Office of Emergency Services. Grant funds must be used to prevent, prepare for, mitigate against, or recover from natural or man-made emergencies and disasters.

DISCUSSION

If awarded, the \$36,393.00 will be used to offset the salary and benefits of the Emergency Services Manager (ESM). The use of EMPG funds for salary offset meets the requirements of the grant include ensuring compliance with the National Incident Management System (NIMS), the National Response Framework (NRF) and the State of California's Standardized Emergency Management System (SEMS).

Under the 2021 Emergency Management Program Grant the City must provide a 100% match. The City may use the General Fund budget for the salary of the Emergency Services Manager as the matching funds for this grant. The 2021 grant will provide \$36,393.00 in funding with Oxnard matching \$36,393.00 in Fire Department personnel salary.

It was not possible to obtain prior approvals from the Public Safety Committee and the City Council before submitting this grant application due to the extremely short application period required by the Ventura County Office of Emergency Services (OES). The Oxnard Fire Department received notification of the 2021 EMPG Application on Monday, November 1th. The deadline for submittal of the completed application to Ventura County OES was Friday, December 3rd. With the November Thanksgiving Holiday, this provided the Fire Department only 20 working days to prepare and submit the application.

STRATEGIC PRIORITIES

This agenda item supports Public Safety strategy. The purpose of the Public Safety strategy is to restore and modernize the delivery of public safety services to provide for the safety of our neighborhoods and health of our community.

FINANCIAL IMPACT

This is an annual grant with 100% match requirement. Under the provisions of this grant the matching funds can be a direct financial contribution or in the form of an in-kind match. The 2021 grant application is in the amount of \$36,393. Therefore, the federal share will be \$36,393 with the applicant match being \$36,393. The Fire Department will provide an in-kind match of \$36,393 using existing Fire Department personnel costs. The grant will be funded and the match will be provided in FY 2021-2022. As a result, the General Fund will avoid \$36,393 in costs this fiscal year that it otherwise would have had to bear.
