PUBLIC WORKS AND TRANSPORTATION COMMITTEE AGENDA REPORT

REPORTS AGENDA ITEM NO. D.1

DATE: February 8, 2022

TO: Public Works and Transportation Committee

FROM: Michael Wolfe, Public Works Director, (805) 385-8055, michael.wolfe@oxnard.org

SUBJECT: Agreement A-8422 with Pestmaster Services, L.P. to Provide Gopher Abatement Services.
(0/5/5)

RECOMMENDATION

That the Public Works and Transportation Committee recommend that the City Council approve and authorize the Mayor to execute Agreement A-8422 with Pestmaster Services, L.P. to provide gopher abatement at multiple City properties for a term of one year beginning April 1, 2022, with a maximum of two (2) one-year extensions ending March 31, 2025, and for a total contract not-to-exceed amount of \$375,000.

Please click the following link to view the required Measure M pre-recorded presentation video: <https://youtu.be/WWydl7GsG0o>

BACKGROUND

On October 11, 2021, the City issued a formal Request for Proposal (RFP) PW 22-24 for gopher abatement services at citywide facilities. The RFP closed on November 4, 2021. Of the five vendors that submitted bids, Pestmaster Services, L.P., was selected as the most qualified provider of gopher abatement services.

DISCUSSION

This Agreement with Pestmaster Services, L.P. includes monthly treatments at two (2) Wastewater facilities and all City and Special District Parks. If new gopher activity is identified within the same month of treatment, the vendor will return and treat those areas at no additional charge. There are also provisions for treatments that are not identified in the monthly services, should the need arise for treatments at other public facilities. The cost for additional treatments range from \$84.98 per acre to \$134.98 per acre each month depending on the level of infestation. These areas are not assigned to specific budgets since they are identified "As-needed" services that will be paid only if funds are available within the budgets assigned to the areas requiring treatment. Additionally, this agreement also allows for the adjustment of service levels to match City's field and budget needs.

Staff has confirmed that Pestmaster Services, L.P. meets all required City contractual provisions including pest control licenses, possession of a City business tax certificate, insurance certificates, and corporate filing with the California Secretary of State.

STRATEGIC PRIORITIES

This agenda item supports the Infrastructure and Natural Resources strategy. The purpose of the Infrastructure and Natural Resources strategy is to preserve and improve our roads, utilities, parks, trees, water supply and natural resources through effective planning, prioritization, and an equitable and efficient use of available funding.

FINANCIAL IMPACT

The total cost for this Agreement with Pestmaster Services, L.P. shall not exceed \$375,000 over 3 years. Services will commence on April 1, 2022 and there are sufficient funds available in the FY 2021-22 Parks operating budget (101-5701-805-8209), the Special Districts operating budget (174-1606-805-8209), and the Wastewater operating budget (621-6205-842-8209). The funding for future years will be included in the Department/Division budget requests for each fiscal year. There is an estimated 5% inflation increase factored starting in FY 2022-23.

The following table shows the estimated spending plan for the Parks, Special Districts, and Wastewater divisions. “As-needed” costs are estimated within the Agreement to address additional services that may be requested for other Facilities provided the funding is available within the associated budgets.

Estimated Spending Plan	FY 2021-22 3 months	FY 2022-23 12 months	FY 2023-24 12 months	FY 2024-25 9 months	TOTAL
Parks	\$17,251	\$72,455	\$76,078	\$59,911	\$225,696
Special Districts	\$6,749	\$28,346	\$29,764	\$23,439	\$88,298
Wastewater	\$1,198	\$5,031	\$5,283	\$4,160	\$15,673
As-needed	\$3,000	\$15,000	\$15,000	\$12,333	\$45,333
Total	\$28,198	\$120,832	\$126,125	\$99,843	\$375,000

AGREEMENT FOR TRADE SERVICES

THIS AGREEMENT FOR TRADE SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Vendor" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Vendor shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Vendor shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
3. Compensation. For the Services performed during the term of this Agreement, City shall pay Vendor an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in the Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in the Rates and Costs Exhibit shall be in effect through the end of this Agreement unless otherwise stated therein.
4. Invoices. Vendor shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
5. Most Favored Nation. Throughout the term of the Agreement, in the event Vendor provides the Services having terms more favorable than this Agreement to any person or entity other than City, Vendor shall notify City within 10 calendar days of signing the other contract, or if there is no other contract, of finalizing that deal or providing any services, whichever occurs first in time. In that notice, Vendor shall offer City to amend this Agreement to reflect such more favorable terms into this Agreement without any contingency to amend any other provision of this Agreement.
6. Acceptance of Payment. Vendor's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Vendor for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Vendor for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Vendor and its employees, agents and subcontractors. Vendor shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Vendor or materials or products provided to City by Vendor, Vendor shall pay the sales tax. City shall not reimburse Vendor for sales taxes paid by Vendor.
7. Non-binding Terms. Any terms and conditions that are typed, printed, or otherwise included in any Vendor invoice rendered pursuant to this Agreement shall be deemed to be solely for the convenience of the parties. No such term or condition shall be binding upon City, and no action by City (including, without limitation, the payment of any such invoice in whole or in part) shall be construed as binding City with respect to any such term or condition, unless the specific term or condition has been previously agreed to by Vendor and City in this Agreement or in a binding amendment thereto.
8. Non-Appropriation of Funds. Payments to be made to Vendor by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and

unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in "(7) City's Project Manager" on the Cover Page, subject to the direction of the City Manager or Department Director. Vendor hereby designates the person in the position listed in "(8) Vendor's Project Manager" on the Cover Page as the person responsible for the Services who shall coordinate with City's Project Manager in making binding decisions in line with this Agreement on behalf of Vendor.

10. Personnel. Vendor represents that it has or shall secure at its own expense all personnel required to perform the Services. Vendor shall make reasonable efforts to maintain the continuity of Vendor's staff who are assigned to perform the Services. Vendor may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors' labor, advice or materials provided in furtherance of providing the Services. Should any of Vendor's employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City's Project Manager, in the process of providing the Services or any portion thereof, the City's Project Manager may notify the Vendor's Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City's Project Manager must authorize all such work in writing before commencement. Vendor shall perform such work, and City shall pay for such additional work, in accordance with the Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Vendor shall submit a quote for all additional work, which the City's Project Manager must approve in writing by before any such work may commence. The City shall compensate Vendor for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Vendor did not obtain the City's Project Manager's written approval before work commenced, as determined by the City's Project Manager in his or her sole discretion.

12. Advertising and Publicity. Vendor shall not use the name of or refer to City directly or indirectly in any advertisement, news release, or professional or trade publication without prior written approval from the City Manager. This Section shall survive the termination of this Agreement.

13. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials: used by Vendor in preparing its billings to City as a condition precedent to any payment to Vendor; or for other purposes relating to the Agreement. Vendor will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Vendor for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Vendor shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement or until an audit has been completed and accepted by City, whichever occurs later. Vendor shall maintain all such records in City or to promptly reimburse City for all reasonable costs incurred in conducting the audit at a location other than in City, including but not limited to expenses for personnel, salaries, private auditor, travel, lodging, meals and overhead. Vendor shall include a copy of this Section in all contracts with its subcontractors, and Vendor shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

14. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 calendar days' prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 15 calendar days from the date of the notice. Vendor may terminate this Agreement at any time, with or without cause and without penalty, upon 30 calendar days' prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 30 calendar days from the date of notice and only if all assignments accepted by Vendor have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance

by Vendor, City shall pay Vendor compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Vendor receive an amount exceeding that which would have been paid to Vendor for the full performance of the Services. If City pays for any materials, City shall be entitled to the title and possession of such.

15. Hold Harmless, Defense and Indemnity.

To the fullest extent permitted by law, Vendor shall immediately defend, indemnify, and hold harmless City, its legislative and advisory bodies, and the City's officials, directors, officers, employees, and agents (the "Indemnitees") from and against all liabilities regardless of nature, type, or cause, arising out of or resulting from or in connection with Vendor's performance of this Agreement or Vendor's failure to comply with any of its obligations contained in this Agreement. Liabilities subject to the duties to defend and indemnify include, without limitation, all claims, losses, damages, penalties, fines, and judgments; associated investigation and administrative expenses; defense costs, including but not limited to reasonable attorneys' fees; court costs; and costs of alternative dispute resolution. Vendor's obligation to indemnify applies unless it is adjudicated that any of the liabilities covered by this Section 15 are the result of the sole active negligence or sole willful misconduct of any of the Indemnitees.

a. The duty to defend is a separate and distinct obligation from Vendor's duty to indemnify. Vendor shall be obligated to defend in all legal, equitable, administrative, or special proceedings with counsel approved by the City Attorney immediately upon tender to Vendor of the claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination of negligence or willful misconduct by any of the Indemnitees shall not relieve Vendor from its separate and distinct obligation to defend the Indemnitees. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes the obligation to provide independent defense counsel if Vendor asserts that liability is caused in whole or in part by the negligence or willful misconduct of the Indemnitees. If it is finally adjudicated that liability was caused by the sole active negligence or sole willful misconduct of any of the Indemnitees, Vendor may submit a claim to City for reimbursement of reasonable attorneys' fees and defense costs.

b. The review, acceptance or approval of Vendor's work or work product by any of the Indemnitees shall not affect, relieve or reduce Vendor's indemnification or defense obligations. This Section 15 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 15 shall not be restricted by and do not affect the provisions of this Agreement relating to insurance.

16. Insurance. Vendor shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the Risk Manager waives, in writing, the requirement that Vendor obtain and maintain such insurance coverages. Such insurance must be issued by a company satisfactory to the Risk Manager. Vendor shall, before performance of any Services pursuant to this Agreement, file with the Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Vendor is a material element of this Agreement. Vendor's failure to maintain or renew insurance coverages or to provide renewal evidence may be considered a material breach of this Agreement.

17. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Vendor pursuant to this Agreement ("Documents and Materials") shall be the property without restriction or limitation upon its use, duplication or dissemination by the City. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use,

duplication or dissemination by the City. Vendor shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Vendor hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 17.

b. Vendor shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Vendor shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Vendor prepares Documents and Materials on a computer, Vendor shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Vendor may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of uncompleted Documents and Materials, without the written consent of Vendor, shall be at City's sole risk and without liability or legal exposure to Vendor.

d. Vendor warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Vendor shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Vendor shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Vendor, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 17 shall survive the termination of this Agreement.

18. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Vendor or is developed by Vendor in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Vendor without the written consent of the City, except as may be necessary for Vendor to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Vendor at the time of that information's disclosure or becomes publicly known through no wrongful act or omission

of Vendor, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Vendor and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Vendor shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Vendor shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Vendor. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Vendor in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 18 shall survive the termination of this Agreement.

19. Independent Contractor. Vendor is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Vendor or any of its employees, except as stated in this Agreement. Vendor has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Vendor, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Vendor wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Vendor from rendering any services for Vendor's own account or to any other person or entity as Vendor in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Vendor shall perform for the City. Except as City's Project Manager specifies in writing, Vendor and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Vendor and its employees are not employees of City. Vendor and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Vendor shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Vendor agrees to pay all required taxes on amounts paid to Vendor under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Vendor shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Vendor's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Vendor under this Agreement any amount due to City from Vendor as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section.

20. Wages. If the first option is selected in response to (10) on the Cover Page and, thus, the payment of living wage is required, only this paragraph and subsections (a) through (d) of this Section 20 shall apply. If the second option is selected in response to (10) on the Cover Page and, thus, the payment of prevailing wages (and related Labor Code provisions) is required, only this paragraph and subsection (e) of this Section 20 shall apply. If the third option is selected in response to (10) on the Cover Page and, thus, both the payment of living wage and prevailing wages (and related Labor Code provisions) is required, this paragraph and subsections (a) through (e) shall apply, meaning Vendor shall compensate all of its employees providing services to City in accordance with both the City's Living Wage Policy and State-required prevailing wages. In the event of a conflict between the

City's Living Wage Policy and State-required prevailing wages, the higher of the two shall prevail. If the fourth option is selected in response to (10) on the Cover Page and, thus, neither the payment of living wage nor prevailing wages (and related Labor Code provisions) is required, no part of this Section 20 shall apply.

If either the first or third option is selected in response to (10) on the Cover Page, Vendor shall compensate any employee of Vendor who provides Services to the City under this Agreement in accordance with the Living Wage Policy Exhibit, which is attached hereto and incorporated herein by this reference. While this Agreement is in effect, Vendor shall pay such employee no less than \$16.89 per hour for each hour that such employee provides services under this Agreement. This hourly rate shall be adjusted on July 1, 2022, and each July 1 thereafter, according to the percentage change in the Consumer Price Index, all items, prepared by the Bureau of Labor Statistics for the Los Angeles area relating to all urban consumers (CPI-U), index base 1982-84=100, comparing May of the previous year to May of the current year. In addition, while this Agreement is in effect, Vendor shall provide to such employee no less than 96 hours of paid leave per calendar year.

a. Vendor agrees to post, at a location readily accessible to those employees providing services to the City, a copy of the Living Wage Policy adopted by the Oxnard City Council on July 9, 2002, and effective October 1, 2002.

b. If Vendor fails to compensate such employee pursuant to the Living Wage Policy, the City Manager or designee shall terminate this Agreement on written notice to Vendor, effective immediately.

c. In addition, if Vendor fails to comply with the Living Wage Policy in any manner, Vendor shall pay to City a fine of \$500 and shall pay to any employee providing services under this Agreement a penalty of three times the amount or value of the compensation owed to such employee under the Living Wage Policy. Vendor shall pay such fine and penalty within 15 days after the City Manager or designee provides written notice to Vendor of the amount owed.

d. If either the second or third option is selected in response to (10) on the Cover Page, in accordance with Labor Code Section 1770 *et seq.*, the Project is a "public work." The Vendor shall pay wages in accordance with the determination of the Director of the Department of Industrial Relations ("DIR") regarding the prevailing rate of per diem wages. Copies of those rates are on file with the Public Works Director and are available to any interested party upon request. The Vendor shall post a copy of the DIR's determination of the prevailing rate of per diem wages at the job site. The Vendor shall comply with all provisions of the Prevailing Wage Exhibit, which is attached hereto and incorporated herein by this reference.

21. Nondiscriminatory Employment. Vendor shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Vendor understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Vendor shall be responsible for such subcontractor's compliance with this Section.

22. Vendor's Representations. Vendor represents, covenants and guarantees that: a) Vendor is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Vendor's full performance under this Agreement; c) to the extent required by the standard of practice, Vendor has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

23. Compliance with Laws. In performing the Services under this Agreement, Vendor shall comply with all applicable laws, ordinances and regulations. Before performing the Services under this Agreement, Vendor shall obtain all required licenses and permits, including a City business tax certificate.

24. Conflict of Interest. If, in performing the Services set forth in this Agreement, Vendor makes, or participates in, a “governmental decision” as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Vendor shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Vendor's personnel providing the Services set forth in this Agreement. Furthermore, Vendor shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Vendor “financially interested,” as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Vendor has been retained pursuant to this Agreement.
25. Fictitious Name. If Vendor has a fictitious name, Vendor shall submit to City a new Fictitious Business Name Statement approved by any California county before Vendor's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.
26. Non-Assignability. Vendor shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Vendor shall hold harmless, defend and indemnify Indemnitees regarding all Claims arising from or relating to any unauthorized assignment.
27. Protection of Services. Vendor shall continuously maintain adequate protection of all of Vendor's work from damage and shall protect the City's property from any and all injury or loss arising in connection with this Agreement. Vendor shall take all necessary precaution for the safety of employees on the job and shall comply with all applicable provisions of federal, State and municipal safety laws and building codes to prevent accidents or injury to persons on, about or adjacent to any premises where the Services are being performed.
28. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Vendor.
29. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.
30. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.
31. Force Majeure. Neither City nor Vendor shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.
32. Authority. Any person executing this Agreement on behalf of Vendor warrants and represents that s/he has the authority to execute this Agreement on behalf of Vendor and to bind it to the performance of these obligations.
33. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.
34. Cumulative Remedies. All rights and remedies of City herein shall be in addition to all other rights and remedies available at law or in equity, including, without limitation, specific performance for the enforcement of this Agreement, and temporary and permanent injunctive relief.

35. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Vendor regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

36. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

37. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Vendor constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Vendor, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

38. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relieve to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

39. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) on the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(11) Addresses for Notice" on the Cover Page or to such other address as one party may notify the other in writing.

40. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to either of City or Vendor's Project Managers' emails listed in "(12) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

41. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

SCOPE OF SERVICES EXHIBIT

Scope:

The vendor will inspect all identified treatment areas monthly. In any areas showing recent gopher activity the contractor will provide intensive treatments sufficient enough to gain full control of that area. Full control is defined as no new visible gopher activity. If new gopher activity is identified within that same month, the vendor will return and treat those areas at no additional charge. The vendor will develop an Integrated Pest Management plan, if necessary, to gain control of gopher infestations, if traditional methods are not successful.

Pest Coverage:

Pocket gophers.

Documentation:

Treatment schedules, written reports and recommendations will be provided to City Staff at agreed upon intervals, but no less than monthly. Vendor will grant City access to its online software for access inspection schedules, treatments, and record keeping.

Control Methods:

The preferred treatment method is with a machine using heated smoke and carbon monoxide through the use of a Pressurized Exhaust Rodent Control machine. Bait may be used with City Staff's prior approval in areas where full control is not being achieved with the carbon monoxide method. All alternatives methods utilized will be approved by City Staff and must be AB 1788 compliant.

1. Contractor shall obtain and maintain during the performance of any services under this Contract the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Contractor, its agents, representatives, employees or subcontractors.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project location or shall be twice the occurrence amount;

b. Business Automobile Liability Insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office Automobile Liability Coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

c. If architectural, engineering, or electrical work will be performed under the Contract, Professional Liability/Errors and Omissions Insurance appropriate to the work being done in an amount not less than \$1,000,000, with neither Contractor nor listed subcontractors having less than \$500,000 individually. The Professional Liability/Errors and Omissions Insurance must be project specific with at least a one-year extended reporting period, or longer upon request.

d. Workers' Compensation Insurance in compliance with the laws of the State of California, and Employer's Liability Insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

1. Contractor shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-D. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before work commences. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

Via Fax: 678-259-1007

2. Contractor agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled by either party, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

3. Contractor agrees that the Commercial General Liability and Business Automobile Liability Insurance policies shall be endorsed to name City, its City Council, officers, employees and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor; premises owned, occupied or used by Contractor; or automobiles owned, leased, hired or borrowed by Contractor. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-D or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**

4. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5. Any deductibles or self-insured retentions must be declared to and approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim

administration and defense expenses.

6. All insurance standards applicable to Contractor shall also be applicable to Contractor's subcontractors. Contractor agrees to maintain appropriate agreements with subcontractors and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for general liability and automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that you use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the attached.

BACKGROUND

On June 30, 2021, the Public Works Department sent out a Request For Qualifications (RFQ) for multi-year on-call professional engineering services. The RFQ solicited proposals for various professional on-call engineering services that include: Roadway & Structures Engineering, Traffic Engineering, Utility Engineering, Environmental Services, Real Property Services, Surveying, Geotechnical Engineering, Material & Laboratory Testing, Drainage, Hydrology, & Hydraulic Engineering, Landscape Architecture & Park

Design, Architectural & Engineering Design, Labor Compliance, and Development Plan Check. These services are required due to the specialized nature of various projects as well as the need to complete the projects within the Capital Improvement Program (CIP) in a timely manner. A panel that consisted of several City staff members across multiple Departments selected 33 firms that best met the City's criteria from the RFQ, consistent with the City's municipal code. Additional agreements will be brought forward to Committee and Council once agreements are completed by staff.

DISCUSSION

The Public Works Department will be bringing forward various agreements to establish On-Call Professional Engineering Services with successful consultants or firms to provide professional and technical expertise once agreements are prepared. These agreements are necessary due to the volume and nature of work within the Public Works Engineering and Transportation & Mobility Divisions and will continue to support the departmental needs for various projects. Additionally, having pre-approved on-call agreements for professional services can reduce the amount of time necessary to complete certain types of smaller CIP projects. The scope of work under these agreements are as follows:

No.	Consultant	Term	Amount	Scope of Services
1	Huitt-Zollars, Inc.	3 Year	\$250,000	• Roadway & Structures Engineering
2	Brown and Caldwell	3 Year	\$750,000	• Utility Engineering
3	Dudek	3 Year	\$1,000,000	• Utility Engineering • Drainage, Hydrology, Hydraulic Engineering
4	AECOM Technical Services, Inc.	3 Year	\$500,000	• Utility Engineering
5	Hamner, Jewell & Associates	3 Year	\$500,000	• Real Property Services/Right of Way Acquisition Mapping
6	Kier & Wright Civil Engineers and Surveyors, Inc.	3 Year	\$500,000	• Surveying
7	Wallace Group	3 Year	\$500,000	• Drainage, Hydrology, Hydraulic Engineering
8	Pacific Coast Land Design, Inc.	3 Year	\$1,000,000	• Landscape Architecture & Park Design
9	KTU&A	3 Year	\$1,000,000	• Landscape Architecture & Park Design
10	Cumming Management Group, Inc.	3 Year	\$750,000	• Labor Compliance

11	CSG Consultants, Inc.	3 Year	\$500,000	• Development Plan Check
12	Transtech Engineers, Inc.	3 Year	\$500,000	• Development Plan Check

Professional services under this agreement will be composed of task orders for each individual project assigned by the City and under the supervision of a Project Manager. The task order proposal will identify a concise description of the scope of work to be performed by the consultant, the method by which the consultant plans on completing the work, and a schedule for completion of the work. It is the consultant's responsibility to determine the best and most cost-effective method to complete the work so that the assigned task order can be completed to the satisfaction of the City of Oxnard. Projects with special requirements (i.e. federally funded) will be publicly bid separately when required.

STRATEGIC PRIORITIES

This agenda item is a routine operational item or does not relate to the five strategic priorities adopted by City Council on March 16, 2021.

FINANCIAL IMPACT

The total amount of each agreement shall not exceed the amounts noted above over the term of three years. Funding will be charged to a given project or funding source dependent upon the services performed by task orders. The respective Department/Project Manager will ensure sufficient funding is available in the approved operating budget or CIP project budget for related tasks prior to initiating task order or services performed.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. 10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally,

anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services

performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.

22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.

25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.

30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations,

representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.

36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

PREVAILING WAGES EXHIBIT

1. Vendor acknowledges that the Project defined in the Agreement between Vendor and City is a “public work” as defined in Division 2, Part 7, Chapter 1 of the California Labor Code (“Chapter 1”), and that this Agreement is subject to Chapter 1 and the rules and regulations established by the Director of Industrial Relations (“DIR”) implementing such statutes. Vendor shall perform the Project as a public work. Vendor shall comply with and be bound by all the terms, rules and regulations described in Chapter 1 and the DIR’s rules and regulations as though set forth in full herein.
2. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Vendor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Vendor shall post such rates at each job site covered by this Agreement.
3. Vendor is required to post job site notices, as prescribed by regulation. See Labor Code Section 1771.4(a)(2).
4. Vendor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. Vendor shall, as a penalty to City, forfeit not more than \$200 for each calendar day or portion thereof for each worker paid less than the DIR’s determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by Vendor or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. Vendor shall comply with Labor Code Section 1776, which requires Vendor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform City of the location of the records.
6. Vendor shall comply with Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code Title 8, Section 200 *et seq.* concerning the employment of apprentices on public works projects for all apprenticeable occupations. Before commencing work under this Agreement, Vendor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within 60 days after concluding the Project, Vendor and each of its subcontractors shall submit to City a verified statement of the journeyman and apprentice hours performed under this Agreement.
7. Vendor may not be debarred or suspended throughout the Agreement Term pursuant to Labor Code Section 1777.1 or 1777.7. If he, she or it becomes debarred or suspended in the Agreement Term, Vendor must immediately notify City.
8. Vendor is not qualified to bid on, be listed in a Bid proposal, or engage in the performance of any contract for public work, as defined in Labor Code Sections 1720 through 1861, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. Vendor shall continue without interruption to stay registered and qualified to perform public work pursuant to Section 1725.5 for the duration of the term of this Agreement. This provision does not apply to construction, alteration, demolition, installation or repair work of \$25,000 or less or to maintenance work of \$15,000 or less.
9. Vendor acknowledges that 8 hours labor constitutes a legal day’s work. Vendor shall comply with and be bound by Labor Code Section 1810.
10. Vendor shall comply with and be bound by Labor Code Section 1813 concerning penalties for workers who work excess hours. Vendor shall, as a penalty to City, forfeit \$25 for each worker employed in the performance of this Agreement by Vendor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than 8 hours in any calendar day and 40 hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code Section 1815, work performed by Vendor’s employees in excess of 8 hours per day and 40 hours per week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay.
11. The Project listed in the Agreement is subject to compliance monitoring and enforcement by the DIR.
12. Vendor shall be responsible for each and every one of its subcontractors’ compliance with Chapter 1, the DIR’s rules and regulations, and Labor Code Sections 1860 and 3700. Vendor shall include in the written contract between it and each subcontractor a copy of, and a requirement that each subcontractor shall comply with, those statutory provisions. Vendor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractors’ compliance, including without limitation, conducting a periodic review of the certified payroll records of each subcontractor, and upon becoming aware of the failure of the subcontractor to pay its workers the specified prevailing rate of wages, Vendor shall diligently take corrective action to halt or rectify any failure.
13. To the maximum extent, Vendor shall hold harmless, defend (with counsel approved by the City Attorney) and indemnify City, its legislative bodies, and its officials, officers, employees and agents from any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above by any person or entity (including Vendor, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all attorneys’ fees and other related costs. All duties of Vendor under this Section shall survive Agreement termination.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.

2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion in accordance with generally accepted professional engineering standard of care, skill and diligence normally provided by a professional engineer in the performance of similar consulting services, at the time services are rendered.

3. Correction of Errors. Consultant shall reperform such work as may be necessary to correct errors in the Services that do not meet the standards described in Section 2. Standard of Performance without additional cost to the City. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.

4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.

5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.

6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: pwinvoices@oxnard.org. The City shall pay all undisputed invoices within thirty (30) days after receipt of an invoice.

7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.

8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City to Consultant. Consultant will promptly furnish all documents requested by City that are relevant to the project. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages, injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys’ fees, court

costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property, upon payment of undisputed amounts due to Consultant, without restriction or limitation upon its use, duplication or dissemination except as may be limited by paragraph c. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights (except for preexisting intellectual property) arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City, upon payment of undisputed amounts due to Consultant, without restriction or limitation upon their use, duplication or dissemination by the City, except as may be limited by paragraph c. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights (except for preexisting intellectual property) to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion

of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime during the term of this agreement at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. If Consultant's performance of services requires Consultant to rely on Confidential Information provided by other parties (excepting Consultant's subcontractors), Consultant shall not independently verify the validity, completeness, or accuracy of such information unless otherwise expressly engaged to do so in writing by City.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.
22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a “governmental decision” as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant “financially interested,” as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.
23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant’s prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.
24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant’s personnel’s unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City’s prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.
25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.
26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California’s choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.
27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.
28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the reasonable control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.
- a. While Consultant has made reasonable efforts to incorporate into its plan for the Project any known current project impacts of the COVID-19 pandemic, Consultant has not accounted for, and is not responsible for, unknown future changes due to the COVID-19 pandemic, including, without limitation, additional restrictions by government agencies or others (such as the availability of the site for access or the availability of client or consultant staff or others) to the extent they delay or otherwise impact the Project. In that event, Consultant will notify the City and work in good faith to equitably address any unexpected impacts therefrom.
29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.
30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.

36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

38. Opinion of Probable Costs. City acknowledges that construction cost estimates, financial analyses and feasibility projections are subject to many influences including, but not limited to, price of labor and materials, unknown or latent conditions of existing equipment or structures, and time or quality of performance by third parties. City acknowledges that such influences may not be precisely forecasted and are beyond the control of Consultant and that actual costs incurred may vary substantially from the estimates prepared by Consultant. Consultant does not warrant or guarantee the accuracy of construction or development cost estimates.

39. Consultant's Activities at Construction Site. The presence of Consultant's personnel at a construction site, whether as on-site representative, resident Consultant, construction manager, or otherwise, does not make Consultant responsible for those duties that belong to construction contractors or others, and does not relieve construction contractors or others of their obligations, duties, and responsibilities, including, but not limited to, construction methods, means, techniques, sequences, and procedures necessary for completing all portions of the construction work in accordance with the contract documents, any health or safety programs and precautions required by such construction work, and any compliance with applicable laws and regulations. Any inspection or observation of the contractor's work is solely for the purpose of determining that the work is generally proceeding in conformance with the intent of the project specifications and contract documents. Consultant makes no warranty or guarantee with respect to the performance guarantee with respect to the performance of a contractor. Consultant has no authority to

exercise control over any construction contractor in connection with their work or health or safety programs and precautions. Except to protect Consultant's own personnel and except as may be expressly required elsewhere in the scope of services, Consultant has no duty to inspect, observe, correct, or report on health or safety deficiencies of the construction contractor.

40. Record drawings will be prepared, in part, on the basis of information compiled and furnished by others, and may not always represent the exact location, type of various components, or exact manner in which the Project was finally constructed. Consultant is not responsible for any errors or omissions in the information from others that are incorporated into the record drawings.

Insurance Exhibit (INS-A)

**INSURANCE REQUIREMENTS FOR CONSULTANTS
(WITH ERRORS AND OMISSIONS REQUIREMENT)**

1. Consultant shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Consultant, its agents, representatives, employees or subconsultants.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;

b. Business automobile liability insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office automobile liability coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

c. Professional liability/errors and omissions insurance appropriate to Consultant's profession to a minimum coverage of \$1,000,000, with neither Consultant nor listed subconsultants having less than \$500,000 individually. The professional liability/errors and omissions insurance must be project specific with at least a one year extended reporting period, or longer upon request.

d. Workers' compensation insurance in compliance with the laws of the State of California, and employer's liability insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

2. Consultant shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-A. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before commencement of services. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

City of Oxnard
Insurance Compliance
Reference No. _____
P.O. Box 100085 – OX
Duluth, GA 30096
Via Email: cityofoxnard@ebix.com
Via Fax: 678-259-1007

3. Consultant agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Consultant agrees that the commercial general liability and business automobile liability insurance policies shall be endorsed to name City, its City Council, officers, employees, agents and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Consultant; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees, agents and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-A or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**

5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. The insurer shall declare any deductibles or self-insured retentions to and be approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects

City, its City Council, officers, employees and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Consultant shall also be applicable to Consultant's subconsultants. Consultant agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

Contractor shall continue without interruption to stay registered and qualified to perform public work pursuant to Section 1725.5 for the duration of the Agreement’s term. This provision does not apply to construction, alteration, demolition, installation or repair work of \$25,000 or less or to maintenance work of \$15,000 or less.

Pursuant to Labor Code Section 1815, work performed by Contractor’s employees in excess of 8 hours per day and 40 hours per week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1½ times the basic rate of pay.
11. The Project listed in the Agreement is subject to compliance monitoring and enforcement by the DIR.
12. Contractor shall be responsible for each and every one of its subcontractors’ compliance with Chapter 1, the DIR’s rules and regulations, and Labor Code Sections 1860 and 3700. Contractor shall include in the written contract between it and each subcontractor a copy of, and a requirement that each subcontractor shall comply with, those statutory provisions. Contractor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractors’ compliance, including without limitation, conducting a periodic review of the certified payroll records of each subcontractor, and upon becoming aware of the failure

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion using the standard of care, skill and diligence normally provided by a professional person in the performance of similar consulting services.
3. Correction of Errors. Consultant shall correct, at its expense, all errors which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.
4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.
6. Invoices. Consultant shall submit a payment request to City by the 10th day of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: pwinvoices@oxnard.org.
7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally,

anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.
22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a “governmental decision” as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant “financially interested,” as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.
23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant’s prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.
24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant’s personnel’s unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City’s prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.
25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.
26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California’s choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.
27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.
28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.
29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.
30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.
31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.

36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

38. Iran Contracting Act Certification. In accordance with Public Contract Code Section 2200 et seq., the City requires that any person that submits a bid or proposal or otherwise proposes to enter into or renew a contract with the City with respect to goods or services of one million dollars (\$1,000,000) or more, must certify at the time an Agreement is signed or renewed, that the person is not identified on a list created pursuant to subdivision (b) of Public Contract Code Section 2203 as a person engaging in investment activities in Iran described in subdivision (a) of Public Contract Code Section 2202.5, or as a person described in subdivision (b) of Public Contract Code Section 2202.5, as applicable. The form of such Iran Contracting Certificate is included with this Agreement and must be signed and dated under penalty of perjury.

PREVAILING WAGES EXHIBIT

1. Vendor acknowledges that the Project defined in the Agreement between Vendor and City is a “public work” as defined in Division 2, Part 7, Chapter 1 of the California Labor Code (“Chapter 1”), and that this Agreement is subject to Chapter 1 and the rules and regulations established by the Director of Industrial Relations (“DIR”) implementing such statutes. Vendor shall perform the Project as a public work. Vendor shall comply with and be bound by all the terms, rules and regulations described in Chapter 1 and the DIR’s rules and regulations as though set forth in full herein.
2. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Vendor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Vendor shall post such rates at each job site covered by this Agreement.
3. Vendor is required to post job site notices, as prescribed by regulation. See Labor Code Section 1771.4(a)(2).
4. Vendor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. Vendor shall, as a penalty to City, forfeit not more than \$200 for each calendar day or portion thereof for each worker paid less than the DIR’s determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by Vendor or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. Vendor shall comply with Labor Code Section 1776, which requires Vendor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform City of the location of the records.
6. Vendor shall comply with Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code Title 8, Section 200 *et seq.* concerning the employment of apprentices on public works projects for all apprenticeable occupations. All certificates and endorsements are to be received and approved by the Risk Manager before commencement of services. INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion using the standard of care, skill and diligence normally provided by a professional person in the performance of similar consulting services in the same locale.
3. Correction of Errors. Consultant shall correct, at its expense, all errors not meeting the standard of performance, (as defined in Section 2 above), which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.
4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.
6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall include the sales tax on the invoice to City. City pay for sales taxes properly invoiced.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, , penalties, fines, judgments, costs or expenses, including reimbursement of reasonable attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

In no event shall either party, its parents, affiliates and subsidiaries or their respective directors officers or employees be liable to the other for any indirect, incidental, consequential or punitive damages whatsoever (including, without limitation, lost profits, loss of revenue, loss of use or interruption of business) arising out of or related to this agreement, even if advised of the possibility of such damages.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any

Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation

to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in

accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent possible prior to beginning the applicable Services order, and as required by the standard of performance defined in Section 2 above, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.

22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect.

25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.

30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.
32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.
33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.
34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.
35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.
36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.
37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

PREVAILING WAGES EXHIBIT

1. Vendor acknowledges that the Project defined in the Agreement between Vendor and City is a “public work” as defined in Division 2, Part 7, Chapter 1 of the California Labor Code (“Chapter 1”), and that this Agreement is subject to Chapter 1 and the rules and regulations established by the Director of Industrial Relations (“DIR”) implementing such statutes. Vendor shall perform the Project as a public work. Vendor shall comply with and be bound by all the terms, rules and regulations described in Chapter 1 and the DIR’s rules and regulations as though set forth in full herein.
2. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Vendor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Vendor shall post such rates at each job site covered by this Agreement.
3. Vendor is required to post job site notices, as prescribed by regulation. See Labor Code Section 1771.4(a)(2).
4. Vendor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. Vendor shall, as a penalty to City, forfeit not more than \$200 for each calendar day or portion thereof for each worker paid less than the DIR’s determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by Vendor or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. Vendor shall comply with Labor Code Section 1776, which requires Vendor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform City of the location of the records.
6. Vendor shall comply with Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code Title 8, Section 200 *et seq.* concerning the employment of apprentices on public works projects for all apprenticeable occupations. Before commencing work under this Agreement, Vendor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within 60 days after concluding the Project, Vendor and each of its subcontractors shall submit to City a verified statement of the journeyman and apprentice hours performed under this Agreement.
7. Vendor may not be debarred or suspended throughout the Agreement Term pursuant to Labor Code Section 1777.1 or 1777.7. If he, she or it becomes debarred or suspended in the Agreement Term, Vendor must immediately notify City.
8. Vendor is not qualified to bid on, be listed in a Bid proposal, or engage in the performance of any contract for public work, as defined in Labor Code Sections 1720 through 1861, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. Vendor shall continue without interruption to stay registered and qualified to perform public work pursuant to Section 1725.5 for the duration of the term of this Agreement. This provision does not apply to construction, alteration, demolition, installation or repair work of \$25,000 or less or to maintenance work of \$15,000 or less.
9. Vendor acknowledges that 8 hours labor constitutes a legal day’s work. Vendor shall comply with and be bound by Labor Code Section 1810.
10. Vendor shall comply with and be bound by Labor Code Section 1813 concerning penalties for workers who work excess hours. Vendor shall, as a penalty to City, forfeit \$25 for each worker employed in the performance of this Agreement by Vendor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than 8 hours in any calendar day and 40 hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code Section 1815, work performed by Vendor’s employees in excess of 8 hours per day and 40 hours per week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay.
11. The Project listed in the Agreement is subject to compliance monitoring and enforcement by the DIR.
12. Vendor shall be responsible for each and every one of its subcontractors’ compliance with Chapter 1, the DIR’s rules and regulations, and Labor Code Sections 1860 and 3700. Vendor shall include in the written contract between it and each subcontractor a copy of, and a requirement that each subcontractor shall comply with, those statutory provisions. Vendor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractors’ compliance, including without limitation, conducting a periodic review of the certified payroll records of each subcontractor, and upon becoming aware of the failure of the subcontractor to pay its workers the specified prevailing rate of wages, Vendor shall diligently take corrective action to halt or rectify any failure.
13. To the maximum extent, Vendor shall hold harmless, defend (with counsel approved by the City Attorney) and indemnify City, its legislative bodies, and its officials, officers, employees and agents from any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above

by any person or entity (including Vendor, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all attorneys' fees and other related costs. All duties of Vendor under this Section shall survive Agreement termination.

Exhibit INS-A

INSURANCE REQUIREMENTS FOR CONSULTANTS (WITH ERRORS AND OMISSIONS REQUIREMENT)

1. Consultant shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Consultant, its agents, representatives, employees or subconsultants.
 - a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;
 - b. Business automobile liability insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office automobile liability coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"
 - c. Professional liability/errors and omissions insurance appropriate to Consultant's profession to a minimum coverage of \$1,000,000, with neither Consultant nor listed subconsultants having less than \$500,000 individually. The professional liability/errors and omissions insurance must be project specific with at least a one year extended reporting period, or longer upon request.
 - d. Workers' compensation insurance in compliance with the laws of the State of California, and employer's liability insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.
2. Consultant shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-A. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before commencement of services. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

Reference No. _____
P.O. Box 100085 – OX

Via Email: cityofoxnard@ebix.com
Via Fax: 678-259-1007
3. Consultant agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.
4. Consultant agrees that the commercial general liability and business automobile liability insurance policies shall be endorsed to include City, its City Council, officers, employees, agents and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Consultant; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees, agents and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-A or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**
5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
6. The insurer shall declare any deductibles or self-insured retentions to and be approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council,

officers, employees and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Consultant shall also be applicable to Consultant's subconsultants. Consultant agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally,

anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services

performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.

22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a “governmental decision” as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant “financially interested,” as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.

25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.

30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations,

representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.

36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion using the standard of care, skill and diligence normally provided by a professional person in the performance of similar consulting services.
3. Correction of Errors. Consultant shall correct, at its expense, all errors which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.
4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.
6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally,

anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.
22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a “governmental decision” as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant “financially interested,” as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.
23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant’s prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.
24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant’s personnel’s unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City’s prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.
25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.
30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.
31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.
33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.
34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.
35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.
36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.
37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

SCOPE OF SERVICES EXHIBIT

SERVICE GROUP CATEGORY 6 – SURVEYING

Surveying task include but are not limited to the following:

Land Surveying: Land surveys or boundary surveys are the function of locating the property boundaries or right of way of project sites. This type of work may also be referred to as property surveys, boundary surveys, or cadastral surveys.

Topographical Surveying: This type of surveying entails locating objects and measuring the relief, three-dimensional variations of the earth's surface and/or other topographical features. Detailed information is obtained pertaining to the elevations as well as to the locations of man-made features or improvements and natural features. Topographical maps are prepared to document the survey. This type survey is also referred to as a preliminary survey. Data may be obtained through traditional field survey, aerial photogrammetry, LiDAR, laser scanning, or other methods.

Control Surveying: Control surveys, are those made to establish the horizontal and vertical positions of various points. The points are selected so that they form a net over the project site under consideration so as to provide a convenient method to tie planned improvement placement to these points. Methods used will involve the use of GPS, CORS sites, and differing datum's (NAD27, NAD83, NGVD29, or NAVD88).

Construction Surveying: Construction surveying provides the basis for proper placement of improvements. This type of surveying is needed at all stages of the construction process in an effort to insure that the final product meets all the design requirements for placement, elevation and alignment.

Monument Preservation: This function of surveying involves research to determine the existence of survey points of record, field investigation to locate monuments of record and not of record, setting of reference points, filing of records with the County of Ventura, resetting survey points to replace those missing or destroyed.

PREVAILING WAGES EXHIBIT

1. Vendor acknowledges that the Project defined in the Agreement between Vendor and City is a “public work” as defined in Division 2, Part 7, Chapter 1 of the California Labor Code (“Chapter 1”), and that this Agreement is subject to Chapter 1 and the rules and regulations established by the Director of Industrial Relations (“DIR”) implementing such statutes. Vendor shall perform the Project as a public work. Vendor shall comply with and be bound by all the terms, rules and regulations described in Chapter 1 and the DIR’s rules and regulations as though set forth in full herein.
2. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Vendor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Vendor shall post such rates at each job site covered by this Agreement.
3. Vendor is required to post job site notices, as prescribed by regulation. See Labor Code Section 1771.4(a)(2).
4. Vendor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. Vendor shall, as a penalty to City, forfeit not more than \$200 for each calendar day or portion thereof for each worker paid less than the DIR’s determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by Vendor or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. Vendor shall comply with Labor Code Section 1776, which requires Vendor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform City of the location of the records.
6. Vendor shall comply with Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code Title 8, Section 200 *et seq.* concerning the employment of apprentices on public works projects for all apprenticeable occupations. Before commencing work under this Agreement, Vendor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within 60 days after concluding the Project, Vendor and each of its subcontractors shall submit to City a verified statement of the journeyman and apprentice hours performed under this Agreement.
7. Vendor may not be debarred or suspended throughout the Agreement Term pursuant to Labor Code Section 1777.1 or 1777.7. If he, she or it becomes debarred or suspended in the Agreement Term, Vendor must immediately notify City.
8. Vendor is not qualified to bid on, be listed in a Bid proposal, or engage in the performance of any contract for public work, as defined in Labor Code Sections 1720 through 1861, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. Vendor shall continue without interruption to stay registered and qualified to perform public work pursuant to Section 1725.5 for the duration of the term of this Agreement. This provision does not apply to construction, alteration, demolition, installation or repair work of \$25,000 or less or to maintenance work of \$15,000 or less.
9. Vendor acknowledges that 8 hours labor constitutes a legal day’s work. Vendor shall comply with and be bound by Labor Code Section 1810.
10. Vendor shall comply with and be bound by Labor Code Section 1813 concerning penalties for workers who work excess hours. Vendor shall, as a penalty to City, forfeit \$25 for each worker employed in the performance of this Agreement by Vendor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than 8 hours in any calendar day and 40 hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code Section 1815, work performed by Vendor’s employees in excess of 8 hours per day and 40 hours per week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay.
11. The Project listed in the Agreement is subject to compliance monitoring and enforcement by the DIR.
12. Vendor shall be responsible for each and every one of its subcontractors’ compliance with Chapter 1, the DIR’s rules and regulations, and Labor Code Sections 1860 and 3700. Vendor shall include in the written contract between it and each subcontractor a copy of, and a requirement that each subcontractor shall comply with, those statutory provisions. Vendor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractors’ compliance, including without limitation, conducting a periodic review of the certified payroll records of each subcontractor, and upon becoming aware of the failure of the subcontractor to pay its workers the specified prevailing rate of wages, Vendor shall diligently take corrective action to halt or rectify any failure.
13. To the maximum extent, Vendor shall hold harmless, defend (with counsel approved by the City Attorney) and indemnify City, its legislative bodies, and its officials, officers, employees and agents from any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above by any person or entity (including Vendor, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all attorneys’ fees and other related costs. All duties of Vendor under this Section shall survive Agreement termination.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion using the standard of care, skill and diligence normally provided by a professional person in the performance of similar consulting services.
3. Correction of Errors. Consultant shall correct, at its expense, all errors which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.
4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.
6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing, or shall be under the direction of licensed Civil Engineer. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages, injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of reasonable attorneys’

fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement to the City based upon a proportionate percentage of fault as adjudicated by a court of competent jurisdiction or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel reasonably approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding.

Consultant has no obligation to pay for any of the indemnitees' defense related cost prior to a final determination of liability or to pay any amount that exceeds Consultant's finally determined percentage of liability based upon the comparative fault of the Consultant.

Nothing contained in the indemnity provision shall be construed to require Consultant to indemnify City, against any responsibility or liability in contravention of Civil Code 2782 and 2782.8.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the

Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice

and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent

required by the standard of practice, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.

22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a “governmental decision” as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant “financially interested,” as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.

25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.

30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter

described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.

36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

[Signatures on next page]

Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Vendor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Vendor shall post such rates at each job site covered by this Agreement.
3. Vendor is required to post job site notices, as prescribed by regulation. See Labor Code Section 1771.4(a)(2).
4. Vendor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. Vendor shall, as a penalty to City, forfeit not more than \$200 for each calendar day or portion thereof for each worker paid less than the DIR’s determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by Vendor or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. Vendor shall comply with Labor Code Section 1776, which requires Vendor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform City of the location of the records.
6. Vendor shall comply with Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code Title 8, Section 200 *et seq.* concerning the employment of apprentices on public works projects for all apprenticeable occupations. Before commencing work under this Agreement, Vendor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within 60 days after concluding the Project, Vendor and each of its subcontractors shall submit to City a verified statement of the journeyman and apprentice hours performed under this Agreement.
7. Vendor may not be debarred or suspended throughout the Agreement Term pursuant to Labor Code Section 1777.1 or 1777.7. If he, she or it becomes debarred or suspended in the Agreement Term, Vendor must immediately notify City.
8. Vendor is not qualified to bid on, be listed in a Bid proposal, or engage in the performance of any contract for public work, as defined in Labor Code Sections 1720 through 1861, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. Vendor shall continue without interruption to stay registered and qualified to perform public work pursuant to Section 1725.5 for the duration of the term of this Agreement. This provision does not apply to construction, alteration, demolition, installation or repair work of \$25,000 or less or to maintenance work of \$15,000 or less.
9. Vendor acknowledges that 8 hours labor constitutes a legal day’s work. Vendor shall comply with and be bound by Labor Code Section 1810.
10. Vendor shall comply with and be bound by Labor Code Section 1813 concerning penalties for workers who work excess hours. Vendor shall, as a penalty to City, forfeit \$25 for each worker employed in the performance of this Agreement by Vendor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than 8 hours in any calendar day and 40 hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code Section 1815, work performed by Vendor’s employees in excess of 8 hours per day and 40 hours per week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay.
11. The Project listed in the Agreement is subject to compliance monitoring and enforcement by the DIR.
12. Vendor shall be responsible for each and every one of its subcontractors’ compliance with Chapter 1, the DIR’s rules and regulations, and Labor Code Sections 1860 and 3700. Vendor shall include in the written contract between it and each subcontractor a copy of, and a requirement that each subcontractor shall comply with, those statutory provisions. Vendor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractors’ compliance, including without limitation, conducting a periodic review of the certified payroll records of each subcontractor, and upon becoming aware of the failure of the subcontractor to pay its workers the specified prevailing rate of wages, Vendor shall diligently take corrective action to halt or rectify any failure.
13. To the maximum extent, Vendor shall hold harmless, defend (with counsel approved by the City Attorney) and indemnify City, its legislative bodies, and its officials, officers, employees and agents from any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above by any person or entity (including Vendor, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all attorneys’ fees and other related costs. All duties of Vendor under this Section shall survive Agreement termination.

Exhibit INS-A

INSURANCE REQUIREMENTS FOR CONSULTANTS (WITH ERRORS AND OMISSIONS REQUIREMENT)

1. Consultant shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Consultant, its agents, representatives, employees or subconsultants.
 - a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;
 - b. Business automobile liability insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office automobile liability coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"
 - c. Professional liability/errors and omissions insurance appropriate to Consultant's profession to a minimum coverage of \$1,000,000, with neither Consultant nor listed subconsultants having less than \$500,000 individually. The professional liability/errors and omissions insurance must be project specific with at least a one year extended reporting period, or longer upon request.
 - d. Workers' compensation insurance in compliance with the laws of the State of California, and employer's liability insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.
2. Consultant shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-A. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before commencement of services. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

3. Consultant agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, or canceled coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.
4. Consultant agrees that the commercial general liability and business automobile liability insurance policies shall be endorsed to name City, its City Council, officers, employees, agents and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Consultant; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees, agents and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-A or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**
5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
6. The insurer shall declare any deductibles or self-insured retentions to and be approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council,

officers, employees and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Consultant shall also be applicable to Consultant's subconsultants. Consultant agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion in accordance with and limited to the usual and customary care, skill and diligence normally provided by a professional person in the performance of similar consulting services (the Standard of Care).
3. Correction of Errors. Consultant shall correct, at its expense, all errors which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.
4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.
6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally,

anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services

performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.

22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a “governmental decision” as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant “financially interested,” as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.

25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.

30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations,

representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.

36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

38. Iran Contracting Act Certification. In accordance with Public Contract Code Section 2200 et seq., the City requires that any person that submits a bid or proposal or otherwise proposes to enter into or renew a contract with the City with respect to goods or services of one million dollars (\$1,000,000) or more, must certify at the time an Agreement is signed or renewed, that the person is not identified on a list created pursuant to subdivision (b) of Public Contract Code Section 2203 as a person engaging in investment activities in Iran described in subdivision (a) of Public Contract Code Section 2202.5, or as a person described in subdivision (b) of Public Contract Code Section 2202.5, as applicable. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
6. The insurer shall declare any deductibles or self-insured retentions to and be approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council,

officers, employees and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Consultant shall also be applicable to Consultant's subconsultants. Consultant agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion using the standard of care, skill and diligence normally provided by a professional person in the performance of similar consulting services.
3. Correction of Errors. Consultant shall correct, at its expense, all errors which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.
4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.
6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally,

anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. City hereby grants the Consultant the right to use the name and service marks of the City in its marketing materials or other oral, electronic, or written promotions, which shall include naming City as a client of the Consultant and a brief scope of services that has been pre-approved by the City. In addition, Documents and Materials created by the Consultant on behalf of the City will be allowed in Marketing Materials as long as they meet the requirements of Section 17- Confidentiality of Information. Fair and reasonable use of Documents and Materials produced by the Consultant for the purposes of Marketing and obtaining new work without using the Documents and Materials previously prepared by the Consultant for the new work is hereby assumed to be allowed if they meet the requirements of Section 17.

f. The use of previously produced files, templates, diagrams, construction details, construction specifications, template spreadsheets and other similar produced work products would not be subject to the City's property ownership clause. Specific files modified for the City would be considered the City's property and subject to Section 16 and 17. However, this contract would not restrict the use of the basic standard files used to make project specific files and would not require City approval for their continued use by the Consultant on other projects, as long as they do not include Confidential Information as described in Section 17 or project specific information developed for the City as described in this Section 16.

g. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial

and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as

applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.

22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.

25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.
28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.
29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.
30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.
31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.
32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.
33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.
34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.
35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.
36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.
37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

38. Iran Contracting Act Certification. In accordance with Public Contract Code Section 2200 et seq., the City requires that any person that submits a bid or proposal or otherwise proposes to enter into or renew a contract with the City with respect to goods or services of one million dollars (\$1,000,000) or more, must certify at the time an Agreement is signed or renewed, that the person is not identified on a list created pursuant to subdivision (b) of Public Contract Code Section 2203 as a person engaging in investment activities in Iran described in subdivision (a) of Public Contract Code Section 2202.5, or as a person described in subdivision (b) of Public Contract Code Section 2202.5, as applicable. 4. Vendor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. Vendor shall, as a penalty to City, forfeit not more than \$200 for each calendar day or portion thereof for each worker paid less than the DIR’s determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by Vendor or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. Vendor shall comply with Labor Code Section 1776, which requires Vendor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform City of the location of the records.
6. Vendor shall comply with Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code Title 8, Section 200 *et seq.* concerning the employment of apprentices on public works projects for all apprenticeable occupations. INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion using the standard of care, skill and diligence normally provided by a professional person in the performance of similar consulting services.
3. Correction of Errors. Consultant shall correct, at its expense, all errors which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.
4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.
6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees. "The City agrees to reimburse Consultant for the costs of defense that Consultant incurs on the City's behalf to the extent that it is ultimately determined that Consultant is not required to indemnify the City under this provision."

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees. The City agrees to reimburse Consultant for the costs of defense that Consultant incurs on the City's behalf to the extent that it is ultimately determined that Consultant is not required to indemnify the City under this provision.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any

Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not

subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.
21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.
22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.
23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.
24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.
25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.
26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.
27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. 33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

38. Mutual Waiver of Consequential Damages. Notwithstanding any other provisions of this Agreement and to the fullest extent permitted by law, neither Party shall be liable to the other for any incidental, indirect or other consequential damages incurred due to the fault of the other Party, regardless of the nature of the fault or whether it was committed by the City or Consultant, or their employees, subconsultants, or subcontractors. Consequential damages include, without limitation, liability for loss of use of the Project or existing property, loss of profits, loss of use, loss of production, loss of goodwill, or business interruption, however the same may be caused.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;

b. Business automobile liability insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office automobile liability coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

c. Professional liability/errors and omissions insurance appropriate to Consultant's profession to a minimum coverage of \$5,000,000, with neither Consultant nor listed subconsultants having less than \$500,000 individually. The professional liability/errors and omissions insurance must be at least a one year extended reporting period, or longer upon request.

d. Workers' compensation insurance in compliance with the laws of the State of California, and employer's liability insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

2. Consultant shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-A. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before commencement of services. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

City of Oxnard

Reference No. _____
P.O. Box 100085 – OX
Duluth, GA 30096
Via Email: cityofoxnard@ebix.com
Via Fax: 678-259-1007

3. Consultant agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Consultant agrees that the commercial general liability and business automobile liability insurance policies shall be endorsed to name City, its City Council, officers, employees, agents and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Consultant; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees, agents and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-A or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**

5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. The insurer shall declare any deductibles or self-insured retentions to and be approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Consultant shall also be applicable to Consultant's subconsultants. Consultant agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the

conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in "(7) City's Project Manager" on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in "(8) Consultant's Project Manager" on the Cover Page as the person responsible for the Services who shall coordinate with City's Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant's staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors' labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant's employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City's Project Manager, in the process of providing the Services or any portion thereof, the City's Project Manager may notify the Consultant's Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City's Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City's Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City's Project Manager's written approval before work commenced, as determined by the City's Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying ("design professional") services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and

indemnify City, its legislative and advisory bodies, and the City's officials, directors, officers, employees, and agents (collectively, "Indemnitees") from and against any and all claims, demands, causes of action, damages, injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, reasonably acceptable to Consultant, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with

written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or

impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall, at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.

22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.

25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.

30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.
32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.
33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.
34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.
35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.
36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.
37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

officers, employees and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Consultant shall also be applicable to Consultant's subconsultants. Consultant agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion using the standard of care, skill and diligence normally provided by a professional person in the performance of similar consulting services.
3. Correction of Errors. Consultant shall correct, at its expense, all errors which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.
4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.
6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.
8. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in “(7) City’s Project Manager” on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in “(8) Consultant’s Project Manager” on the Cover Page as the person responsible for the Services who shall coordinate with City’s Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

10. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant’s staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors’ labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant’s employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City’s Project Manager, in the process of providing the Services or any portion thereof, the City’s Project Manager may notify the Consultant’s Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City’s Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City’s Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City’s Project Manager’s written approval before work commenced, as determined by the City’s Project Manager in his or her sole discretion.

12. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement. Consultant shall include a copy of this Section 12 in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

13. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

14. Hold Harmless, Defense and Indemnity.

If Consultant provides any architectural, landscape architectural, engineering or land surveying (“design professional”) services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City’s officials, directors, officers, employees, and agents (collectively, “Indemnitees”) from and against any and all claims, demands, causes of action, damages,

injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the negligent failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is not upfront, but Consultant shall reimburse City's defense costs and attorney's fees based upon Consultant's proportionate percentage of fault as determined by a court of competent jurisdiction consistent with CA Civil Code 2782.8.

For Claims unrelated to design professional services, as applicable to Consultant's operations, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the negligent performance of this Agreement, or the negligent failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

a. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the

City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other

legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. 33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relief to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

Exhibit INS-A

INSURANCE REQUIREMENTS FOR CONSULTANTS (WITH ERRORS AND OMISSIONS REQUIREMENT)

1. Consultant shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Consultant, its agents, representatives, employees or subconsultants.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;

b. Business automobile liability insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office automobile liability coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;" or, if Consultant owns no autos, this requirement may be met through a Hired/Non-Owned Automobile Liability policy, Codes 8,9.

c. Professional liability/errors and omissions insurance appropriate to Consultant's profession to a minimum coverage of \$1,000,000, with neither Consultant nor listed subconsultants having less than \$500,000 individually. The professional liability/errors and omissions insurance must be maintained for at least one year after Project completion or, if such coverage is canceled or non-renewed, such policy shall have at least a one year extended reporting period.

d. Workers' compensation insurance in compliance with the laws of the State of California, and employer's liability insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

2. Consultant shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-A. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before commencement of services. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

Reference No. _____
P.O. Box 100085 – OX
Duluth, GA 30096
Via Email: cityofoxnard@ebix.com
Via Fax: 678-259-1007

3. Consultant agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. A ten (10) day written notice to Risk Manager shall apply to non-payment of premium. Consultant shall provide thirty (30) days written notice to Risk Manager prior to implementation of a reduction of limits or material change of insurance coverage as specified herein. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Consultant agrees that the commercial general liability and business automobile liability insurance policies shall be endorsed to name City, its City Council, officers, employees, agents and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Consultant; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees, agents and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-A or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**

5. The General Liability and Automobile Liability coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The General Liability and Automobile Liability insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. The insurer shall declare any deductibles or self-insured retentions to and be approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Consultant shall also be applicable to Consultant's subconsultants. Consultant agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

PUBLIC WORKS AND TRANSPORTATION COMMITTEE AGENDA REPORT

REPORTS AGENDA ITEM NO. D.3

DATE: February 8, 2022

TO: Public Works and Transportation Committee

FROM: Michael Wolfe, Public Works Director, (805) 385-8055, michael.wolfe@oxnard.org

SUBJECT: State of California Senate Bill 619 Resolution - Notification of Intent to Comply. (0/5/5)

RECOMMENDATION

That the Public Works and Transportation Committee recommend that the City Council adopt a resolution to notify the California Department of Resources Recycling and Recovery (CalRecycle) of the City of Oxnard's intent to comply with Senate Bill 1383 (SB 1383), per the requirements of Senate Bill 619 (SB 619).

Please click the following link to view the required Measure M pre-recorded presentation video: <https://youtu.be/gwFisLD6wQ4>

BACKGROUND

A majority of the requirements in the State's unfunded mandate from SB 1383 had a compliance date of January 1, 2022. As jurisdictions prepare for and implement SB 1383, many local governments are facing challenges to comply with the stated deadlines due to the COVID-19 pandemic and lack of funding from the State for this mandate. This includes staffing shortages and supply chain delays of products, equipment, software or other services. In response to the challenges, on October 5, 2021, the State of California passed SB 619 to support local governments as they design and implement successful organic waste recycling programs throughout the State. The law authorizes CalRecycle to waive civil penalties for non-compliance if a jurisdiction submits a Notification of Intent to Comply for some or all of the regulatory requirements and successfully implements a plan to correct their violations.

DISCUSSION

Per SB 619, Jurisdictions that are unable to fully implement regulations due to the COVID-19 pandemic, may submit to CalRecycle a Notification of Intent to Comply (NOIC), approved by resolution of the local jurisdiction's governing body by March 1, 2022. The proposed Resolution is included as Attachment #1. Attachment #2 is the completed CalRecycle SB 619 Notification of Intent to Comply Narrative, which lists the specific areas of SB 1383 where implementation will be delayed in the City. Currently, the City is meeting 20 out of 28 elements related to SB 1383. The attached NOIC identifies the eight elements of SB 1383 that the City is reporting to CalRecycle as delayed and provides a timeline for full implementation. Below are the eight elements detailed in the NOIC:

- (B) 14 CCR section 18984.1 Three-Container Organic Waste Collection Services
- (H) 14 CCR section 18984.7 Container Color Requirements
- (I) 14 CCR section 18984.8 Container Labeling Requirements

- (P) 14 CCR section 18988.4 Recordkeeping Requirements for Compliance with Jurisdiction Hauler Program
- (W) 14 CCR section 18993.1 Recovered Organic Waste Product Procurement Target
- (X) 14 CCR section 18993.2 Recordkeeping Requirements for Recovered Organic Waste Procurement Target
- (Y) 14 CCR section 18993.3 Recycled Content Paper Procurement Requirements
- (Z) 14 CCR section 18993.4 Recordkeeping Requirements for Recycled Content Paper Procurement

SB 619 delays the ability for CalRecycle to impose penalties on local governments that are found to be non-compliant with elements of the SB 1383 regulations by one year through January 1, 2023. Additionally, SB 619 adds that a penalty may only be imposed if CalRecycle finds that a local government did not make a reasonable effort, as determined by the department, to comply with the regulations. Ultimately, SB 619 offers the City additional time to implement the requirements established by SB 1383 without facing fines.

The City of Oxnard, Public Works, Environmental Resources Division has continued dialogue with CalRecycle and all of the elements of our SB 1383 compliance plans have been provided to the agency. We will continue to work toward the full implementation of SB 1383 under their guidance.

STRATEGIC PRIORITIES

This agenda item supports the Infrastructure and Natural Resources strategy. The purpose of the Infrastructure and Natural Resources strategy is to preserve and improve our roads, utilities, parks, trees, water supply and natural resources through effective planning, prioritization, and an equitable and efficient use of available funding.

FINANCIAL IMPACT

There is no fiscal impact at this time. All new services required by SB 1383 will be charged per the current rate model, when applicable. Because this is an unfunded State mandate, staff will continue to evaluate and determine if recent operational changes create any financial impacts.

CITY COUNCIL OF THE CITY OF OXNARD

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OXNARD SERVES AS A NOTICE OF INTENT TO COMPLY WITH SENATE BILL 1383, SECTION 14 CCR - 18997.3.

WHEREAS, the City of Oxnard determines in good faith that the provisions of Senate Bill 1383 would cause the City to incur administrative penalties as defined under Section 18997.3 in violation of the timely execution of some aspects of the requirements resulting in minor violations. Minor violations may include, but are not limited to failure to meet some of the provisions under Sections 17403.0 through 18995.4.

WHEREAS, the City of Oxnard determines in good faith that the provisions of Senate Bill 1383 would cause the City to incur administrative penalties as defined under Section 18997.3 in violation of the timely execution of some aspects of the requirements resulting in moderate violations. Moderate violations may include but are not limited to failure to meet most of the provisions under Sections 17403.0 through 18995.4.

WHEREAS, the City of Oxnard determines in good faith that the provisions of Senate Bill 1383 would cause the City to incur administrative penalties as defined under Section 18997.3 in violation of the timely execution of some aspects of the requirements resulting in major violations. Major violations may include but are not limited to failure to meet all of the provisions under Sections 17403.0 through 18995.4.

In ACCORDANCE WITH, Senate Bill 1383, the City of Oxnard shall make reasonable efforts in a mutually agreeable fashion to maintain to the maximum extent practicable its original intent without violating the provisions of the Bill, thereby causing the imposition of administrative penalties. These provisions include but are not limited to the following:

- Timely execution of enforceable mechanisms,
- Timely adoption of an updated solid waste ordinance,
- Timely implementation of container labeling and color requirements,
- Timely enforcement of edible food waste generator and recovery organizations tracking, education and monitoring,
- Timely determination of technologies that constitute a reduction in landfill disposal with Ventura County, including adequate organic waste capacity,
- Completion of the issuance of waivers,
- Complete records of education and outreach requirements,
- Complete records of 3rd party and self-haulers operating within city limits,
- An adopted Model Water Efficient Landscape Ordinance,
- Compliance with procurement requirements,

- Significant participation of organics and food scraps collections among covered businesses.

PURSUANT TO SB 619, the City of Oxnard determines in good faith that meeting all of the provisions of SB 1383 in its entirety is unfeasible due to the following reasons:

- Cities were given only 13 months to fully prepare for this extremely complex and far-reaching legislation
- Ventura County still fails to have a viable option for organics processing, including no facility with anaerobic digestion capabilities
- Due to COVID 19 pandemic, many businesses have experienced great hardship and therefore are unable to absorb increased costs associated with food waste collection services
- Due to the older nature of the City of Oxnard's infrastructure, many businesses, including most multifamily complexes do not have sufficient capacity inside existing enclosures to accommodate the necessary extra bins required to collect organics
- Due to COVID 19 pandemic, progress towards the adoption of ordinances or enforceable mechanisms has been delayed
- Due to COVID 19 pandemic, the City of Oxnard has experienced supply chain delays resulting in inventory issues

IN ACCORDANCE WITH Senate Bill 619, the City of Oxnard proposes the following timeline for execution of the provisions required by SB 1383 as follows:

- By March 1, 2022, the City Council will adopt an enforceable mechanism(s) and updated solid waste ordinance reflective of requirements in SB 1383
- By June 30, 2022, the City will have finalized the issuance of all waivers and have a conforming reporting mechanism
- By June 30, 2022, the City will have formalized a plan for procurement pursuant to SB 1383 requirements
- By September 30, 2022, the City will have established its edible food recovery program in collaboration with the other 7 cities and the County of Ventura
- By July 1, 2023, the City will be on track to replace and/or modify all collection equipment to conform with provisions in SB 1383
- By the end of 2022, the City will have identified and/or received records from 3rd party and self-haulers
- The City of Oxnard has received Council approval to begin negotiations with a firm to develop vacant property adjacent to the Del Norte Regional Recycling and Transfer Station into a regional organics receiving and processing facility. The City estimates completion of a facility by the end of 2025
- By the end of 2022, the City will have a robust commercial food scraps collection program in place

(2) A detailed explanation of the reasons why the jurisdiction is unable to comply, supported by documentation, if applicable.

- Limited resources. Because this is an unfunded mandate, the City of Oxnard has not had sufficient resources to complete the required work applicable to the population of

over 200,000 residents, 37,000 households, 2,500 commercial businesses, and nearly 500 multi-family properties.

- (i) Despite the efforts to fully staff the Division with adequate staffing resources, recruitments have failed and the lack of applicants during the Covid-19 Pandemic has limited the Division's capacity to just two (2) full-time employees (FTEs) responsible for AB 341 (post-Jurisdictional Compliance Order and Local Implementation Plan 2018 - 2021), AB 1826, SB 1383 implementation plans and outreach / education, in addition to other duties as assigned which include but are not limited to the following
 - 1) General Program Outreach and Education
 - 2) Enforcement of existing local ordinances
 - 3) Service change requests, initiating new service

 - 7) Interfacing with the City Manager's Public Information Office
 - 8) Responding to customer inquiries
 - 9) Managing customer account database
 - 10) Applying for and administering grant programs, such as the City-County Beverage Container Redemption and Used Motor Oil Recycling
- (ii) The Collection, MRF and Transfer operations are also struggling with COVID-related absences and difficulty filling 16 current vacancies due to current job market.
- (iii) Amount of additional responsibilities pursuant to the implementation of of SB 1383 including, but not limited to
 - 1) The fact that the City of Oxnard is not just the jurisdiction, but also the Collection hauler, MRF processing and transfer facility
 - 2) Coordinating with Collection's to ensure adherence with three-container waste collection services

- 3) Coordinating with Collection's to ensure adherence to container color and labeling requirements
 - 4) Conducting route reviews and insuring contamination minimization
 - 5) Coordinating responsible party's recordkeeping requirements
 - 6) Coordinating Waiver issuance

 - b) Edible Food Recovery activities
 - 9) Outreach to and recordkeeping of Self and 3rd party haulers' activities
 - 10) Coordinating the jurisdiction's achievement of the Recovered Organic Waste Procurement Targets
 - 11) Semi-annual and Annual reporting
 - 12) Enforcement of violations/Code Enforcement
- Lack of adequate Organic Waste Processing in the region.
 - (i) Despite the region's continued and long-standing efforts to approve and construct the necessary infrastructure to collect, process and recover organic waste, there is no such facility at this time
 - (ii) The City of Oxnard is currently working opportunities for local organic processing, however, such an investment will require more time
 - (iii) The current short-term solution, while technically meeting the requirements of SB 1383, only creates more inefficiencies, redundancies, externalized problems, and stress on an already limited infrastructure
 - Antiquated, outdated and impractical data management system.
 - (i) The City of Oxnard's billing system is still on a 1990s DOS-based software application, which was developed and implemented before the necessary requirements of SB 1383
 - 1) Staff has submitted a request in the recent SB 1383 Implementation Grant to ameliorate this deficiency

(3) A description of the impacts of the COVID-19 pandemic on compliance.

- Since the City of Oxnard is not only the local jurisdiction responsible for SB 1383 implementation, we are also the hauler and the transfer facility, which complicates and increases the number of opportunities for disruption due to COVID.
 - (i) Since the start of the pandemic, staff call-outs due to COVID have increased significantly.
 - (ii) COVID has impacted the supply chain, delaying the resupply of container inventory
 - (iii) The City also experienced a Ransomware attack early in 2020, which further impacted operations

(4) Provide a description of the proposed actions the jurisdiction will take to remedy the violations with a proposed schedule for completing each action. The proposed actions shall be tailored to remedy the violations in a timely manner.
