PUBLIC WORKS AND TRANSPORTATION COMMITTEE AGENDA REPORT

REPORTS
AGENDA ITEM NO. D.1

DATE: June 14, 2022

TO: Public Works and Transportation Committee

FROM: Michael Wolfe, Public Works Director, (805) 385-8055, michael.wolfe@oxnard.org

SUBJECT: Agreement A-8471 with Taft Electric Company for On-Call Traffic Signals Repairs and Maintenance Services, Specification No. PW 22-103. (0/5/5)

RECOMMENDATION

That the Public Works and Transportation Committee recommend that the City Council approve and authorize the Mayor to execute Agreement A-8471 with Taft Electric Company in the amount of $300,000 for a three year term for On-Call Traffic Signals Repairs and Maintenance Services, Specification No. PW 22-103.

Please click the following link to view the required Measure M pre-recorded presentation video: https://youtu.be/oZahCNj5jeU

BACKGROUND

The On-Call Traffic Signal Services will provide City Traffic Engineering staff with much-needed support during day-to-day operations, and emergency issues. The on-call contractor will supplement staff's capabilities with the ability to perform repairs that City staff does not have the capacity or the equipment to perform. Further, during emergency situations, the on-call contract will respond within 1 hour to an incident to make repairs, assisting City staff at locations where traffic collisions damage signal equipment, or where equipment has failed.

This will be a not-to-exceed agreement amount up to $300,000 and the term will be for three years. All work will be issued through task orders at the direction of the City Traffic Engineer. The work under this agreement will be at prevailing wage rates through task orders issued prior to the start of any work. The work includes furnishing all labor, materials, equipment and other incidentals to provide on-call traffic signals repairs, maintenance, replacement, construction and electrical services as directed by City staff.

Projects to be completed by Contractor are categorized as follows:

Non-Scheduled Urgent Repair Work

Contractor must verbally respond within 30 minutes of telephone notification by the City. Contractor must be on the site within one hour of the notification and begin work immediately. Urgent repairs are those where public interest and necessity demand the immediate response to avoid harm to or to safeguard life, health or property.

Scheduled Repair and Maintenance Work

Contractor must verbally respond within four hours of telephone notification by the City. The scope of work and schedule shall be mutually agreed to between City staff and the Contractor before work begins. Work under this category shall be planned and scheduled Monday through Friday between the hours of 8:00 am and 5:00 pm unless otherwise agreed to by the City.

DISCUSSION

The notice inviting formal bids (NIFB) on the Project was published on April 28, 2022, and all bids were due on May 17, 2022. The City received the following bid which is based on a summary of hourly rates for various services and equipment:

Taft Electric Company: $3,346.04

The lowest bidder is Taft Electric Company (Taft) and its bid is responsive to the City's NIFB. Following this determination, procurement staff reviewed all documentation received from Taft. Procurement staff verified possession of required currently valid licenses, reviewed the federal Occupational Safety and Health Administration (OSHA) website for safety violations, and verified registration with the California Department of Industrial Relations (DIR). Based upon the available information and research performed to date, staff believes that the contractor is capable of satisfactorily completing the project. Thus, staff recommends that the City Council award the contract for this Project to Taft.

STRATEGIC PRIORITIES

This agenda item supports the Infrastructure and Natural Resources strategy. The purpose of the Infrastructure and Natural Resources strategy is to preserve and improve our roads, utilities, parks, trees, water supply and natural resources through effective planning, prioritization, and an equitable and efficient use of available funding.

FINANCIAL IMPACT

The total cost for this agreement with Taft Electric Company shall not exceed $300,000 over three years commencing in Fiscal Year 2022-23. Staff has projected the annual budget for this work of approximately $100,000 per year. Funds for Fiscal Year 2022-23 have been included in the Proposed Budget in the General Fund Traffic Signal Maintenance Division (Account No. 101-3102-803-8209) for these on-call services.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for general liability and automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that you use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the attached.

FROM: Michael Wolfe, Public Works Director, (805) 385-8055, michael.wolfe@oxnard.org

SUBJECT: Agreement A-8468 with Parkhouse Tire, Inc. for Tire Retreading and Repair Services. (0/5/5)

RECOMMENDATION

That the Public Works and Transportation Committee recommend that the City Council approve and authorize the Mayor to execute Agreement A-8468 with Parkhouse Tire, Inc. in an amount not to exceed $600,000 for a three year term, with each year renewable in one year increments beginning September 4, 2022 and ending September 3, 2025 upon agreement by both parties for tire retreading and repair services.

Please click the following link to view the required Measure M pre-recorded presentation video: https://youtu.be/fl3t5el2usQ

BACKGROUND

The Fleet Services Division of the Public Works Department oversees maintenance and repairs on the City's 932 fleet vehicles and equipment valued at over $48 million. This includes preventive maintenance, comprehensive inspections and light to heavy repairs as needed.

In addition to passenger vehicles and trucks, the City's fleet includes approximately 100 heavy duty trucks, including but not limited to refuse trucks, dump trucks, semi-tractor/trailers and Fire apparatus that utilize tire repair and retread services. Parkhouse Tire, Inc. is our current vendor for heavy equipment tire services and has provided service to the Fleet Division for the past 18 years. Parkhouse Tire, Inc. is located in the City of Oxnard.

DISCUSSION

A Request for Bid PW 22-96 (RFB) was issued by the Purchasing Division on March 17, 2022, with a closing date of April 14, 2022. As part of this agreement, services include tire retreading, mounting, dismounting, plug and patch and additional road services 365 days per year. Offsite services for City vehicles include flat repairs at various locations within and outside the City limits. Per the RFB, the Vendor must dispatch sufficient equipment and arrive at the service location within 30 minutes of receiving a service call.

Tire services were competitively bid and the City received three responses to the RFB; Daniels Tire Service, Parkhouse Tire, Inc. and Santa Maria Tire, Inc. As a result of the RFB, the City determined Parkhouse Tire, Inc. to be the lowest responsive bidder. Parkhouse meets all required City contractual provisions including possession of a City business tax certificate, insurance certificates and corporate filing with the California Secretary of State. Furthermore, they have continued to perform effective and dependable services.

STRATEGIC PRIORITIES

This agenda item is a routine operational item or does not relate to the five strategic priorities adopted by City Council on March 16, 2021.

FINANCIAL IMPACT

The total cost for this agreement with Parkhouse Tire, Inc. shall not exceed $600,000 over three years. Funding will begin in Fiscal Year 2022-23 and has been considered in the FY 2022-23 Proposed Budget from the Fleet Services Fund (741). The estimated spending plan is shown in the table below. Funding for subsequent fiscal years will be requested in the annual budget process.

City shall not reimburse Vendor for sales taxes paid by Vendor.

7. Non-binding Terms. Any terms and conditions that are typed, printed, or otherwise included in any Vendor invoice rendered pursuant to this Agreement shall be deemed to be solely for the convenience of the parties. No such term or condition shall be binding upon City, and no action by City (including, without limitation, the payment of any such invoice in whole or in part) shall be construed as binding City with respect to any such term or condition, unless the specific term or condition has been previously agreed to by Vendor and City in this Agreement or in a binding amendment thereto.

8. Non-Appropriation of Funds. Payments to be made to Vendor by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the

current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in "(7) City's Project Manager" on the Cover Page, subject to the direction of the City Manager or Department Director. Vendor hereby designates the person in the position listed in "(8) Vendor's Project Manager" on the Cover Page as the person responsible for the Services who shall coordinate with City's Project Manager in making binding decisions in line with this Agreement on behalf of Vendor.

10. Personnel. Vendor represents that it has or shall secure at its own expense all personnel required to perform the Services. Vendor shall make reasonable efforts to maintain the continuity of Vendor's staff who are assigned to perform the Services. Vendor may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors' labor, advice or materials provided in furtherance of providing the Services. Should any of Vendor's employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City's Project Manager, in the process of providing the Services or any portion thereof, the City's Project Manager may notify the Vendor's Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City's Project Manager must authorize all such work in writing before commencement. Vendor shall perform such work, and City shall pay for such additional work, in accordance with the Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Vendor shall submit a quote for all additional work, which the City's Project Manager must approve in writing by before any such work may commence. The City shall compensate Vendor for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Vendor did not obtain the City's Project Manager's written approval before work commenced, as determined by the City's Project Manager in his or her sole discretion.

12. Advertising and Publicity. Vendor shall not use the name of or refer to City directly or indirectly in any advertisement, news release, or professional or trade publication without prior written approval from the City Manager. This Section shall survive the termination of this Agreement.

13. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials: used by Vendor in preparing its billings to City as a condition precedent to any payment to Vendor; or for other purposes relating to the Agreement. Vendor will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of $10,000, the State Auditor may examine and audit Vendor for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Vendor shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement or until an audit has been completed and accepted by City, whichever occurs later. Vendor shall maintain all such records in City or to promptly reimburse City for all reasonable costs incurred in conducting the audit at a location other than in City, including but not limited to expenses for personnel, salaries, private auditor, travel, lodging, meals and overhead. Vendor shall include a copy of this Section in all contracts with its subcontractors, and Vendor shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

14. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 calendar days' prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 15 calendar days from the date of the notice. Vendor may terminate this Agreement at any time, with or without cause and without penalty, upon 30 calendar days' prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 30 calendar days from the date of notice and only if all assignments accepted by Vendor have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Vendor, City shall pay Vendor compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Vendor receive an amount exceeding that which would have been paid to Vendor for the full performance of the Services. If City pays for any materials, City shall be entitled to the title and possession of such.

15. Hold Harmless, Defense and Indemnity.

To the fullest extent permitted by law, Vendor shall immediately defend, indemnify, and hold harmless City, its legislative and advisory bodies, and the City's officials, directors, officers, employees, and agents (the "Indemnitees") from and against all liabilities regardless of nature, type, or cause, arising out of or resulting from or in connection with Vendor's performance of this Agreement or Vendor's failure to comply with any of its obligations contained in this Agreement. Liabilities subject to the duties to defend and indemnify include, without limitation, all claims, losses, damages, penalties, fines, and judgments; associated investigation and administrative expenses; defense costs, including but not limited to reasonable attorneys' fees; court costs; and costs of alternative dispute resolution. Vendor's obligation to indemnify applies unless it is adjudicated that any of the liabilities covered by this Section 15 are the result of the sole active negligence or sole willful misconduct of any of the Indemnitees.

a. The duty to defend is a separate and distinct obligation from Vendor's duty to indemnify. Vendor shall be obligated to defend in all legal, equitable, administrative, or special proceedings with counsel approved by the City Attorney immediately upon tender to Vendor of the claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination of negligence or willful misconduct by any of the Indemnitees shall not relieve Vendor from its separate and distinct obligation to defend the Indemnitees. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes the obligation to provide independent defense counsel if Vendor asserts that liability is caused in whole or in part by the negligence or willful misconduct of the Indemnitees. If it is finally adjudicated that liability was caused by the sole active negligence or sole willful misconduct of any of the Indemnitees, Vendor may submit a claim to City for reimbursement of reasonable attorneys' fees and defense costs.

b. The review, acceptance or approval of Vendor's work or work product by any of the Indemnitees shall not affect, relieve or reduce Vendor's indemnification or defense obligations. This Section 15 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 15 shall not be restricted by and do not affect the provisions of this Agreement relating to insurance.

16. Insurance. Vendor shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the Risk Manager waives, in writing, the requirement that Vendor obtain and maintain such insurance coverages. Such insurance must be issued by a company satisfactory to the Risk Manager. Vendor shall, before performance of any Services pursuant to this Agreement, file with the Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Vendor is a material element of this Agreement. Vendor's failure to maintain or renew insurance coverages or to provide renewal evidence may be considered a material breach of this Agreement.

17. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Vendor pursuant to this Agreement ("Documents and Materials") shall be the property without restriction or limitation upon its use, duplication or dissemination by the City. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Vendor shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Vendor hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 17.

b. Vendor shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Vendor shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both

situations, if Vendor prepares Documents and Materials on a computer, Vendor shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Vendor may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of uncompleted Documents and Materials, without the written consent of Vendor, shall be at City's sole risk and without liability or legal exposure to Vendor.

d. Vendor warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Vendor shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Vendor shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Vendor, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 17 shall survive the termination of this Agreement.

18. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Vendor or is developed by Vendor in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Vendor without the written consent of the City, except as may be necessary for Vendor to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Vendor at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Vendor, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Vendor and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Vendor shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Vendor shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Vendor. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and

unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Vendor in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 18 shall survive the termination of this Agreement.

19. Independent Contractor. Vendor is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Vendor or any of its employees, except as stated in this Agreement. Vendor has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Vendor, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Vendor wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Vendor from rendering any services for Vendor's own account or to any other person or entity as Vendor in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Vendor shall perform for the City. Except as City's Project Manager specifies in writing, Vendor and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Vendor and its employees are not employees of City. Vendor and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Vendor shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Vendor agrees to pay all required taxes on amounts paid to Vendor under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Vendor shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Vendor's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Vendor under this Agreement any amount due to City from Vendor as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section.

20. Wages. If the first option is selected in response to (10) on the Cover Page and, thus, the payment of living wage is required, only this paragraph and subsections (a) through (d) of this Section 20 shall apply. If the second option is selected in response to (10) on the Cover Page and, thus, the payment of prevailing wages (and related Labor Code provisions) is required, only this paragraph and subsection (e) of this Section 20 shall apply. If the third option is selected in response to (10) on the Cover Page and, thus, both the payment of living wage and prevailing wages (and related Labor Code provisions) is required, this paragraph and subsections (a) through (e) shall apply, meaning Vendor shall compensate all of its employees providing services to City in accordance with both the City's Living Wage Policy and State-required prevailing wages. In the event of a conflict between the City's Living Wage Policy and State-required prevailing wages, the higher of the two shall prevail. If the fourth option is selected in response to (10) on the Cover Page and, thus, neither the payment of living wage nor prevailing wages (and related Labor Code provisions) is required, no part of this Section 20 shall apply.

If either the first or third option is selected in response to (10) on the Cover Page, Vendor shall compensate any employee of Vendor who provides Services to the City under this Agreement in accordance with the Living Wage Policy Exhibit, which is attached hereto and incorporated herein by this reference. While this Agreement is in effect, Vendor shall pay such employee no less than $16.89 per hour for each hour that such employee provides services under this Agreement. This hourly rate shall be adjusted on July 1, 2022, and each July 1 thereafter, according to the percentage change in the Consumer Price Index, all items, prepared by the Bureau of Labor Statistics for the Los Angeles area relating to all urban consumers (CPI-U), index base 1982-84=100, comparing May of the previous year

to May of the current year. In addition, while this Agreement is in effect, Vendor shall provide to such employee no less than 96 hours of paid leave per calendar year.

a. Vendor agrees to post, at a location readily accessible to those employees providing services to the City, a copy of the Living Wage Policy adopted by the Oxnard City Council on July 9, 2002, and effective October 1, 2002.

b. If Vendor fails to compensate such employee pursuant to the Living Wage Policy, the City Manager or designee shall terminate this Agreement on written notice to Vendor, effective immediately.

c. In addition, if Vendor fails to comply with the Living Wage Policy in any manner, Vendor shall pay to City a fine of $500 and shall pay to any employee providing services under this Agreement a penalty of three times the amount or value of the compensation owed to such employee under the Living Wage Policy. Vendor shall pay such fine and penalty within 15 days after the City Manager or designee provides written notice to Vendor of the amount owed.

d. If either the second or third option is selected in response to (10) on the Cover Page, in accordance with Labor Code Section 1770 *et seq*., the Project is a "public work." The Vendor shall pay wages in accordance with the determination of the Director of the Department of Industrial Relations ("DIR") regarding the prevailing rate of per diem wages. Copies of those rates are on file with the Public Works Director and are available to any interested party upon request. The Vendor shall post a copy of the DIR's determination of the prevailing rate of per diem wages at the job site. The Vendor shall comply with all provisions of the Prevailing Wage Exhibit, which is attached hereto and incorporated herein by this reference.

21. Nondiscriminatory Employment. Vendor shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Vendor understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Vendor shall be responsible for such subcontractor's compliance with this Section.

22. Vendor's Representations. Vendor represents, covenants and guarantees that: a) Vendor is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Vendor's full performance under this Agreement; c) to the extent required by the standard of practice, Vendor has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

23. Compliance with Laws. In performing the Services under this Agreement, Vendor shall comply with all applicable laws, ordinances and regulations. Before performing the Services under this Agreement, Vendor shall obtain all required licenses and permits, including a City business tax certificate.

24. Conflict of Interest. If, in performing the Services set forth in this Agreement, Vendor makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Vendor shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Vendor's personnel providing the Services set forth in this Agreement. Furthermore, Vendor shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Vendor "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Vendor has been retained pursuant to this Agreement.

25. Fictitious Name. If Vendor has a fictitious name, Vendor shall submit to City a new Fictitious Business Name Statement approved by any California county before Vendor's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

26. Non-Assignability. Vendor shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Vendor shall hold harmless, defend and indemnify Indemnitees regarding all Claims arising from or relating to any unauthorized assignment.

27. Protection of Services. Vendor shall continuously maintain adequate protection of all of Vendor's work from damage and shall protect the City's property from any and all injury or loss arising in connection with this Agreement. Vendor shall take all necessary precaution for the safety of employees on the job and shall comply with all applicable provisions of federal, State and municipal safety laws and building codes to prevent accidents or injury to persons on, about or adjacent to any premises where the Services are being performed.

28. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Vendor.

29. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

30. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

31. Force Majeure. Neither City nor Vendor shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

32. Authority. Any person executing this Agreement on behalf of Vendor warrants and represents that s/he has the authority to execute this Agreement on behalf of Vendor and to bind it to the performance of these obligations.

33. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

34. Cumulative Remedies. All rights and remedies of City herein shall be in addition to all other rights and remedies available at law or in equity, including, without limitation, specific performance for the enforcement of this Agreement, and temporary and permanent injunctive relief.

35. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Vendor regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

36. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

37. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Vendor constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Vendor, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

38. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relieve to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

39. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) on the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(11) Addresses for Notice" on the Cover Page or to such other address as one party may notify the other in writing.

40. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to either of City or Vendor's Project Managers' emails listed in "(12) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

41. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

(WHO DELIVER, INSTALL OR MAINTAIN PRODUCTS)

1. Vendor shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the sale and delivery, installation or maintenance of products by vendor, its agents, representatives, or employees.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than $1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;

b. Business Automobile Liability Insurance in an amount not less than $1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office Automobile Liability Coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

c. Workers' Compensation Insurance in compliance with the laws of the State of California, and Employer's Liability Insurance in an amount not less than $1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

2. Vendor shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-I. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before work commences. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

Via Fax: 678-259-1007

3. Vendor agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled by either party, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Vendor agrees that the Commercial General Liability and Business Automobile Liability Insurance policies shall be endorsed to name City, its City Council, officers, employees and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of vendor; products and completed operations of vendor; premises owned, occupied or used by vendor; or automobiles owned, leased, hired or borrowed by vendor. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-I or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**

5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance coverages **(this must be endorsed)**. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. Any deductibles or self-insured retentions must be declared to and approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the vendor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that you use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the attached.

PREVAILING WAGES EXHIBIT

1. Vendor acknowledges that the Project defined in the Agreement between Vendor and City is a "public work" as defined in Division 2, Part 7, Chapter 1 of the California Labor Code ("Chapter 1"), and that this Agreement is subject to Chapter 1 and the rules and regulations established by the Director of Industrial Relations ("DIR") implementing such statutes. Vendor shall perform the Project as a public work. Vendor shall comply with and be bound by all the terms, rules and regulations described in Chapter 1 and the DIR's rules and regulations as though set forth in full herein.
2. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Vendor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Vendor shall post such rates at each job site covered by this Agreement.
3. Vendor is required to post job site notices, as prescribed by regulation. See Labor Code Section 1771.4(a)(2).
4. Vendor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. Vendor shall, as a penalty to City, forfeit not more than $200 for each calendar day or portion thereof for each worker paid less than the DIR's determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by Vendor or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. Vendor shall comply with Labor Code Section 1776, which requires Vendor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform City of the location of the records.
6. Vendor shall comply with Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code Title 8, Section 200 *et seq*. concerning the employment of apprentices on public works projects for all apprenticeable occupations. Before commencing work under this Agreement, Vendor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within 60 days after concluding the Project, Vendor and each of its subcontractors shall submit to City a verified statement of the journeyman and apprentice hours performed under this Agreement.

8. Vendor is not qualified to bid on, be listed in a Bid proposal, or engage in the performance of any contract for public work, as defined in Labor Code Sections 1720 through 1861, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. Vendor shall continue without interruption to stay registered and qualified to perform public work pursuant to Section 1725.5 for the duration of the term of this Agreement. This provision does not apply to construction, alteration, demolition, installation or repair work of $25,000 or less or to maintenance work of $15,000 or less.

Vendor shall, as a penalty to City, forfeit $25 for each worker employed in the performance of this Agreement by Vendor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than 8 hours in any calendar day and 40 hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code Section 1815, work performed by Vendor's employees in excess of 8 hours per day and 40 hours per week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay.

13. To the maximum extent, Vendor shall hold harmless, defend (with counsel approved by the City Attorney) and indemnify City, its legislative bodies, and its officials, officers, employees and agents from any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above by any person or entity (including Vendor, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all attorneys' fees and other related costs.
