BACKGROUND

Community Development has been increasingly utilizing professional on-call planning and development plan check service in an effort to mitigate the ongoing staff shortages, extended processing timelines, and a backlog of projects. For the Planning Division, this is further exacerbated by an increase in the number of various types of permits due to changes in State laws. While the long-term business model for Community Development is to continue to fill vacant positions and perform permit processing work in-house, there has been a persistent backlog due to staff shortages that will require the continued use of consulting on-call planning and development plan check service for the next few fiscal years. As of December 1st, there are eight vacant planning positions, and three vacancies within the Building Division. We anticipate that the need for consulting on-call services will taper off as vacant positions are filled and new employees are trained and as the backlog of projects is cleared.

As of November 14, 2022 there were approximately 250 active planning permits. As of November 28, 2022, there were approximately 300 active building permit applications. The staff vacancies coupled with the high number of projects has led to extended processing timelines.

Currently, Community Development uses the following for on-call planning or development plan check services:

Consultant	Services	Term	Contract NTE
Rincon	On call Planning, environmental reviews, long-range planning	July 2021-June 2024	\$750,000*
CSG	On call Planning Development plan check	July 2021-June 2024 March 2022-March 2025	\$250,000 \$500,000
M6	Development plan check	February 2022-February 2025	\$2,000,000
Bureau Veritas	Development plan check	November 2020-December 2022	\$525,000**

*subject report is recommended increase to \$1,250,000

**contract expires at the end of the year and we are not seeking renewal

DISCUSSION

Contract planning staff, through on-call agreements (herein referred to as “contract planners”), are primarily used for: a) augmentation of Planning staff for the processing of development projects, and longer range or policy related work tasks; and b) assistance with interdepartmental projects and/or departmental project management. The use of contract planners through on-call agreements allows Planning the ability to respond quickly to these various types of work when full-time staff is not available.

Over the past few years, contract planners have been utilized to work primarily on “deposit based” permits, which may include environmental work. Deposit-based permits, means the cost of the contract planners is 100% covered by the applicant. Going forward, there is a need to assign a “fixed-fee” permit type to the consultants to get through the backlog of permits. This may mean the use of the consultants will not be 100% recoverable. The same would be true if the projects are assigned to staff. Some examples of projects assigned or completed by contract planners include:

- Sakioka Farms Implementation and Monitoring
- U-Haul of North Oxnard (2420 North Oxnard Boulevard - former Levitz site)
- Wagon Wheel (Oxnard Boulevard & Wagon Wheel Road)
- Avalon Homes (Wooley Road & Edison Canal)
- Oxnard Aquatics Cente
- Campus Park Activation Project
- Wireless permits

Additionally, Planning staff recently completed or is currently involved in managing a number of complex long-range projects such as the implementation of the City’s 6th cycle Amended Housing Element and inclusionary housing ordinance, planning efforts associated with the housing and sustainability-related grant projects (Senate Bill 2 Housing/Planning Grant and Local Early Action Planning (LEAP) Grant), documents and research related to the new State mandates pertaining to Vehicle Miles Traveled (VMT), and updates to the City’s environmental thresholds and guidelines. In the next few years, as a result of the federal and State approaches and mandates to address climate change, sustainability, housing mandates, and other legislative changes, staff anticipates utilizing contract planners to assist in writing, applying for, and managing grant projects.

Rincon

As a result of a competitive Request for Qualifications (RFQ) process, in July 2021 the City entered into a contract with Rincon Consultants, Inc. (“Rincon”) for on-call permit processing and planning services, including long range planning efforts.

Planning’s use of on-call services has outpaced the current Agreement with Rincon Consultants, Inc. to the extent that the current agreement has nearly been fully encumbered as of November 2022; thus, an increase in the total agreement amount is being sought. The attached first amendment is a draft and will be changed prior to being presented to Council. The Council report will highlight the changes in the amendment between Committee and Council meetings.

Interwest

The Public Works Department has an existing on-call contract with Interwest Consulting Group, Inc. for up to \$1,000,000 for project management, traffic engineering, engineering plan review and construction management, inspection and testing consulting and services. Interwest also provides high quality on-call planning, as well as development plan check services. Due to the urgency highlighted above, and because Community Development is trying to get through the backlog of permits while low on both planners and engineers, staff recommends entering into another contract with Interwest for \$1,100,000 in on-call planning as well as on-call development plan check services.

Staff met with Interwest’s team to discuss this option on November 22, 2022, and again on December 1, 2022. The agenda and full packet for the December 13th Community Services, Public Safety, Housing and Development Committee is scheduled to be posted publicly on December 6th, which is not enough time to thoughtfully draft a scope of work for the contract. Thus, staff comes to this Committee without the contract draft attached, requesting the Committee recommend a contract with Interwest be awarded by Council, and that contract will be attached to the staff report that goes to Council.

ERP Impact

In addition to the plan check backlog effort, Community Development will begin the implementation of the new ERP software (EnerGov) that will replace our current computer software starting in January of 2023. This effort will require additional professional consulting services from on-call consultants to offset the significant staff time the ERP implementation will require. We anticipate using all approved and available on-call contract services in this effort.

STRATEGIC PRIORITIES

This agenda item supports Economic Development strategy. The purpose of the Economic Development strategy is to focus on the retention and expansion of Oxnard businesses by increasing the skills and employability of our local workforce, invite new business investments, and target site-based redevelopment opportunities.

FINANCIAL IMPACT

With the proposed increase, the cost of the agreement with Rincon for on-call services will total \$1,250,000. Staff estimates there should be sufficient salary savings in the Planning Division this fiscal year - due to vacancies - to pay for anticipated planning services performed by Rincon. The amendment may also be funded by developer deposits received to date and additional future deposits, grant funding, General Plan Maintenance Fee funds (GPMF), and funding from other City departments for specific projects. These same funding sources, along with the general fund, will be utilized for the Interwest contract for planning services.

Planning collects permit revenue which helps to offset the contract expenses and their impact to the General Fund. In FY 2020-2021 and FY 2021-2022, Planning collected a total of \$2,038,912 and \$1,329,239 in total General Fund revenue, respectively.

A budget appropriation of \$350,000 for the Building & Engineering Division is needed for the contract for on-call development plan check services.

In light of the many above referenced different funding sources for this contract, the Community Development Department will continue to work with the Finance Department to ensure the availability of funds prior to assignment of each major task under the contracts.

Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

c. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 14 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 14 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

15. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

16. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Consultant pursuant to this Agreement ("Documents and Materials") shall be the City's property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 16.

b. Consultant shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Consultant shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City.

Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City's sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 16 shall survive the termination of this Agreement.

17. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Consultant shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is

valuable and unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 17 shall survive the termination of this Agreement.

18. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section 18.

19. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section 19.

20. Consultant's Representations. Consultant represents, covenants and guarantees that: a) Consultant is licensed, qualified, and capable of furnishing the labor, materials, and expertise necessary to perform the Services in accordance with the terms and conditions set forth in this Agreement; b) there are no obligations, commitments, or impediments of any kind that will limit or prevent Consultant's full performance under this Agreement; c) to the extent required by the standard of practice, Consultant has investigated and considered the scope of Services performed, has carefully considered how the Services should be performed, and understands the facilities, difficulties and restrictions attending performance of the Services under this Agreement.

21. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with all applicable laws, ordinances and regulations. Before providing any Services under this Agreement, Consultant shall,

at its own expense, obtain and maintain all required certificates, licenses and permits, including a City business tax certificate.

22. Conflict of Interest. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

23. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

24. Non-Assignability. This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.

25. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

26. Applicable Law; Venue. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of California, excluding California's choice of law rules. Venue for any such action relating to the Agreement shall be in the Ventura County Superior Court.

27. Titles. The titles used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

28. Force Majeure. Neither City nor Consultant shall be responsible for delays or failures in performance resulting from acts beyond the control of either party. Such acts shall include but are not be limited to acts of God, riots, acts of war, epidemics, fire, earthquakes, or other disasters.

29. Authority. Any person executing this Agreement on behalf of Consultant warrants and represents that s/he has the authority to execute this Agreement on behalf of Consultant and to bind it to the performance of these obligations.

30. Binding Agreement. The parties do not intend this Agreement to be binding upon them and shall not be held liable to its terms until it is fully executed by all required signers.

31. Integration; Amendment. This Agreement, including any other documents incorporated herein by specific reference, constitutes the entire and integrated agreement of City and Consultant regarding the subject matter described herein. This Agreement supersedes all prior oral or written communications, negotiations, representations, agreements and promises. This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

32. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

33. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

34. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relieve to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

35. Notice. Except as otherwise required by law, a notice or communication authorized or required by this Agreement shall be in writing and shall be deemed received—on (a) the day of delivery if delivered by hand or overnight courier service during City's regular business hours or (b) the third business day following deposit in the United States mail, postage prepaid—to the addresses listed as "(10) Addresses for Notice" on the Cover Page or at such other address as one party may notify the other in writing.

36. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall be deemed to be one and the same agreement. A signed copy of this Agreement transmitted by email to Project Managers' emails listed in "(11) Contact Emails" on the Cover Page or by other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement for all purposes.

37. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed the Agreement on the date that is written as "(1) Agreement Start Date" on the Cover Page.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). b. Business automobile liability insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office automobile liability coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

c. Professional liability/errors and omissions insurance appropriate to Consultant's profession to a minimum coverage of \$1,000,000, with neither Consultant nor listed subconsultants having less than \$500,000 individually. d. Workers' compensation insurance in compliance with the laws of the State of California, and employer's liability insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

2. Consultant shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-A. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before commencement of services. City reserves the right to require complete certified copies of all required insurance policies at any time. 3. Consultant agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Consultant agrees that the commercial general liability and business automobile liability insurance policies shall be endorsed to name City, its City Council, officers, employees, agents and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Consultant; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or automobiles owned, leased, hired or borrowed by Consultant. INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Consultant" on the Cover Page, for good and valuable consideration, subject to the following terms and conditions:

1. Scope of Services. Consultant shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Consultant shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.

2. Standard of Performance. Consultant shall undertake and complete the Services to conclusion using the standard of care, skill and diligence normally provided by a professional person in the performance of similar consulting services.

3. Correction of Errors. Consultant shall correct, at its expense, all errors which may be disclosed during review of the Services. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by City, and the cost thereof shall be paid by Consultant.

4. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.

5. Compensation. For the Services performed during the term of this Agreement, City shall pay Consultant an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in Rates and Costs Exhibit shall be in effect through the end of this Agreement. Except as otherwise expressly provided in this Agreement, City shall not be responsible for expenses incurred by Consultant in performing the Services.

6. Invoices. Consultant shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement.

7. Acceptance of Payment. Consultant's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Consultant for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Consultant for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Consultant and its employees, agents and subcontractors. Consultant shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Consultant or materials or products provided to City by Consultant, Consultant shall pay the sales tax. City shall not reimburse Consultant for sales taxes paid by Consultant.

8. Non-binding Terms. Any terms and conditions that are typed, printed, or otherwise included in any Consultant invoice rendered pursuant to this Agreement shall be deemed to be solely for the convenience of the parties. No such term or condition shall be binding upon City, and no action by City (including, without limitation, the payment of any such invoice in whole or in part) shall be construed as binding City with respect to any such term or condition, unless the specific term or condition has been previously agreed to by Consultant and City in this Agreement or in a binding amendment thereto.

9. Non-Appropriation of Funds. Payments to be made to Consultant by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

10. Coordination of Services. The Services shall be coordinated with the person in the position listed in "(7) City's Project Manager" on the Cover Page, subject to the direction of the City Manager and Department Director. Consultant hereby designates the person in the position listed in "(8) Consultant's Project Manager" on the Cover Page as the person responsible for the Services who shall coordinate with City's Project Manager in making binding decisions in line with this Agreement on behalf of Consultant.

11. Personnel. Consultant represents that it has, or shall secure at its own expense, all personnel required to perform the Services. Any person who performs engineering services pursuant to this Agreement shall be licensed as a Civil Engineer by the State of California and in good standing. Consultant shall make reasonable efforts to maintain the continuity of Consultant's staff who are assigned to perform the Services. Consultant may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Consultant be responsible for its associates and subcontractors' labor, advice or materials provided in furtherance of providing the Services. Should any of Consultant's employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City's Project Manager, in the process of providing the Services or any portion thereof, the City's Project Manager may notify the Consultant's Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

12. Additional Work. City may request additional specified work under this Agreement. The City's Project Manager must authorize all such work in writing before commencement. Consultant shall perform such work, and City shall pay for such additional work, in accordance with Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Consultant shall submit a quote for all additional work, which the City's Project Manager must approve in writing by before any such work may commence. The City shall compensate Consultant for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Consultant did not obtain the City's Project Manager's written approval before work commenced, as determined by the City's Project Manager in his or her sole discretion.

13. Advertising and Publicity. Consultant shall not use the name of or refer to City directly or indirectly in any advertisement, news release, or professional or trade publication without prior written approval from the City Manager. This Section shall survive the termination of this Agreement.

14. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials: used by Consultant in preparing its billings to City as a condition precedent to any payment to Consultant; or for other purposes relating to the Agreement. Consultant will promptly furnish all documents requested by City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Consultant for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Consultant shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement or until an audit has been completed and accepted by City, whichever occurs later. Consultant shall maintain all such records in City or to promptly reimburse City for all reasonable costs incurred in conducting the audit at a location other than in City, including but not limited to expenses for personnel, salaries, private auditor, travel, lodging, meals and overhead. Consultant shall include a copy of this Section in all contracts with its subcontractors, and Consultant shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

15. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 days prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice. Consultant may terminate this Agreement at any time, with or without cause and without penalty, upon 30 days prior written notice. Such

termination shall be effective on the date specified in the notice, or if no date is specified, then 10 calendar days from the date of delivery or mailing of such notice and only if all assignments accepted by Consultant have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Consultant, City shall pay Consultant compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Consultant receive an amount exceeding that which would have been paid to Consultant for the full performance of the Services.

16. Hold Harmless, Defense and Indemnity.

a. If Consultant provides any architectural, landscape architectural, engineering or land surveying ("design professional") services, to the maximum extent permitted by law, Consultant shall hold harmless, defend, and indemnify City, its legislative and advisory bodies, and the City's officials, directors, officers, employees, and agents (collectively, "Indemnitees") from and against any and all claims, demands, causes of action, damages, injuries, liabilities, losses, penalties, fines, judgments, costs or expenses, including reimbursement of attorneys' fees, court costs and costs of alternative dispute resolution, including but not limited to those relating to death or injury to any person and injury to any property (collectively, "Claims"), to the extent that the Claims arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant or of any of its officers, employees, subcontractors or agents in the performance of the Agreement or in the failure to comply with any of the obligations contained in this Agreement. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, to the extent required herein immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

b. If Consultant provides no design professional services, to the maximum extent permitted by law, Consultant shall hold harmless, defend and indemnify the Indemnitees from and against any and all Claims, which arise out of, pertain to, or relate to the performance of this Agreement, or the failure to comply with any of the obligations contained in this Agreement, by Consultant or of any of its officials, directors, officers, employees, subcontractors, or agents. Consultant's obligation to defend is a separate and distinct obligation from Consultant's duty to indemnify and applies through final judgment, including exhaustion of any appeals. Consultant shall be obligated to defend Indemnitees in all legal, equitable, administrative, or special proceedings, with counsel approved by the City Attorney, immediately upon tender to Consultant of the Claim in any form or at any stage of an action or proceeding. The defense obligation includes the obligation to provide independent defense counsel if Consultant asserts that the liability is caused in whole or in part by the negligence or willful misconduct of any of the Indemnitees.

c. The review, acceptance or approval of Consultant's work or work product by any of the Indemnitees shall not affect, relieve or reduce Consultant's indemnification or defense obligations. This Section 16 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 16 shall not be restricted by and does not affect the provisions of this Agreement relating to insurance.

17. Insurance. Consultant shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the City's Risk Manager waives, in writing, the requirement that Consultant obtain and maintain such insurance coverages. Consultant shall, before performance of any Services, file with the City's Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Consultant is a material element of this Agreement. Consultant's failure to maintain or renew insurance coverages or to provide renewal evidence, and any lapse in insurance coverage, may be considered a material breach of this Agreement.

18. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn,

calculated, photographed or developed by Consultant pursuant to this Agreement (“Documents and Materials”) shall be the City’s property without restriction or limitation upon its use, duplication or dissemination. All Documents and Materials shall be considered “works made for hire,” and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Consultant hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 18.

b. Consultant shall deliver all Documents and Materials to City’s Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City’s request, City shall be entitled to possession of, and Consultant shall furnish to City’s Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Consultant prepares Documents and Materials on a computer, Consultant shall provide City with said Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Consultant may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination of these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of incomplete Documents and Materials, without the written consent of Consultant, shall be at City’s sole risk and without liability or legal exposure to Consultant.

d. Consultant warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Consultant shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City’s use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Consultant shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Consultant, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 18 shall survive the termination of this Agreement.

19. Confidentiality of Information.

a. For the purposes of this Agreement, “confidential information” means all data or information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City, or to a third party whose information is in the City’s possession or control under obligations of confidentiality, and which is disclosed to Consultant or is developed by Consultant in whole or in part at the City’s expense.

b. Said data or information constitutes confidential information pursuant to California Government Code Sections 6254(e), 6254(k), 6254(aa), 6254.9, 6254.16, 6254.18 and 6255, which exempts the City’s internal programs and network structure and information regarding infrastructure and customer information from disclosure under the California Public Records Act (California Government Code Sections 6250 through 6276.48) (“CPRA”). Without in any way affecting the confidential nature of the information, the City will provide the requested

information to the Consultant pursuant to the terms of this Agreement, and the City's disclosure shall not constitute a public disclosure pursuant to Government Code Section 6254.5.

c. All confidential information shall not be reproduced, transmitted, disclosed or used by the Consultant without the written consent of the City, except as may be necessary for Consultant to fulfill its obligations to the City.

d. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Consultant at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Consultant, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Consultant and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Consultant shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

e. Consultant shall use reasonable care to protect the confidential information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Consultant. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages.

f. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any confidential information disclosed under this Agreement or for any business decisions made by Consultant in reliance on any confidential information disclosed under this Agreement.

g. Consultant will use the confidential information solely for the limited purposes of the Services.

h. Except as otherwise agreed upon by the Parties, Consultant shall maintain physical custody or control over all confidential information obtained by it and shall be responsible for ensuring that such confidential information is not disclosed.

i. Without prejudice to the rights and remedies otherwise available to City, Consultant acknowledges and agrees that: the confidential information is valuable to City, unique, and contains sensitive information; a breach of this Agreement could cause irreparable harm to City; and that City could be entitled to seek injunctive relief, specific performance or both if Consultant breaches or threatens to breach any of the provisions of this Agreement.

j. All confidential information shall remain the property of City. Following Consultant's completion of the Services, Consultant shall promptly destroy all such confidential information in its possession or control and certify such destruction to City in a writing signed by an authorized representative.

k. This Section 19 shall survive the termination of this Agreement.

20. Independent Contractor. Consultant is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Consultant or any of its employees, except as stated in this Agreement. Consultant has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Consultant, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Consultant wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Consultant from rendering any services for Consultant's own account or to any other person or entity as Consultant in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Consultant shall perform for the City. Except as City's Project Manager specifies in writing, Consultant and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Consultant and its employees are not employees of City. Consultant and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Consultant shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant agrees to pay all required taxes on amounts paid to Consultant under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall be solely responsible for, and shall

save City harmless from, all matters relating to the payment of Consultant's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Consultant under this Agreement any amount due to City from Consultant as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section.

21. Nondiscriminatory Employment. Consultant shall not unlawfully discriminate against any individual based on race, color, religion or religious creed, national origin, ancestry, ethnic group identification, primary language, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, sexual orientation, age, immigration status, citizenship or military and veteran status. Consultant understands and agrees that it is bound by and will comply with all legal nondiscrimination mandates. For every subcontractor who will perform Services, Consultant shall be responsible for such subcontractor's compliance with this Section.

22. Consultant's Representations. If, in performing the Services set forth in this Agreement, Consultant makes, or participates in, a "governmental decision" as described in Title 2, Section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for City that would otherwise be performed by a City employee holding a position specified in City's conflict of interest code, Consultant shall be subject to City's conflict of interest code, the requirements of which include the filing of one or more statements of economic interests disclosing the relevant financial interests of Consultant's personnel providing the Services set forth in this Agreement. Furthermore, Consultant shall not to accept any employment or representation during the term of this Agreement or within 12 months after completion of the Services which is or may likely make Consultant "financially interested," as provided in California Government Code Sections 1090 and 87100, in any decisions made by City on any matter in connection with which Consultant has been retained pursuant to this Agreement.

25. Fictitious Name. If Consultant has a fictitious name, Consultant shall submit to City a new Fictitious Business Name Statement approved by any California county before Consultant's prior Fictitious Business Name Statement expires if such expiration may occur during the term of this Agreement, including any term amendment.

This Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's personnel's unique competence, experience and specialized personal knowledge. Consultant shall not assign or transfer any interest in this Agreement or any part thereof, whether by assignment or novation, without City's prior written consent, which may be withheld for any reason or for no reason at all. Any purported assignment without written consent shall be null, void, and of no effect, and Consultant shall hold harmless, defend and indemnify Indemnitees from and against all Claims arising from or relating to any unauthorized assignment.

27. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of Consultant.

This Agreement may not be modified or amended, nor any provision or breach waived, except in a writing, signed by both parties, that expressly refers to this Agreement.

35. Construction. In the event of any asserted ambiguity in or dispute regarding the interpretation of any matter herein, the interpretation of this Agreement shall not be resolved by any rules of construction providing for interpretation against the party who causes the uncertainty to exist or who drafted the Agreement in whole or in part.

36. No Waiver. Waiver by either party of any one or more of the conditions of performance under this Agreement shall not be a waiver of any other condition of performance under this Agreement. In no event shall the making by City of any payment to Consultant constitute or be construed as a waiver by City of any breach of covenant, or any default that may then exist on the part of Consultant, and the making of any such payment by City shall in no way impair or prejudice any right or remedy available to City with regard to such breach or default.

37. Attorneys' Fees. The prevailing party shall be entitled to recover reasonable costs, attorneys' fees (including the reasonable value of the services rendered by the City Attorney's Office) and expenses, including investigation fees and expert witness fees, in addition to any other relieve to which that party may be entitled, in any legal action or other proceeding, including an action for declaratory relief, for the enforcement of this Agreement or because of an alleged dispute, breach, default or misrepresentation in connection with this Agreement.

INSURANCE REQUIREMENTS FOR CONSULTANTS (WITH ERRORS AND OMISSIONS REQUIREMENT)

1. Consultant shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Consultant, its agents, representatives, employees or subconsultants.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;

b. Business automobile liability insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office automobile liability coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

c. Professional liability/errors and omissions insurance appropriate to Consultant's profession to a minimum coverage of \$1,000,000, with neither Consultant nor listed subconsultants having less than \$500,000 individually. The professional liability/errors and omissions insurance must be project specific with at least a one year extended reporting period, or longer upon request.

d. Workers' compensation insurance in compliance with the laws of the State of California, and employer's liability insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

2. Consultant shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-A. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before commencement of services. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

City of Oxnard

P.O. Box 100085 – OX
Duluth, GA 30096
Via Email: cityofoxnard@ebix.com
Via Fax: 678-259-1007

3. Consultant agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Consultant agrees that the commercial general liability and business automobile liability insurance policies shall be endorsed to name City, its City Council, officers, employees, agents and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Consultant; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees, agents and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-A or substitute forms containing the same**

information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).

5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. The insurer shall declare any deductibles or self-insured retentions to and be approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

7. All insurance standards applicable to Consultant shall also be applicable to Consultant's subconsultants. Consultant agrees to maintain appropriate agreements with subconsultants and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that the Consultant/insurer use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.

- Due to limited staffing levels and increases in the number of some permit types, there has been a increased need for consultant work.

- Contract planners have been utilized to work primarily on “deposit based” permits.
- Some examples of projects assigned to contract planners include:
 - **Developer Funded:**
 - Sakioka Farms Implementation and Monitoring
 - U-Haul of North Oxnard (2420 North Oxnard Boulevard - former Levitz site)
 - Wagon Wheel (Oxnard Boulevard & Wagon Wheel Road)
 - Avalon Homes (Wooley Road & Edison Canal)
 - Teal Club (Ventura Road & Teal Club Road)

 - Approximately ten various projects
 - Wireless Permits
 - **Grant Funding Projects:**
 - SB2 Grant - \$625,000 in grant funding
 - Local Early Action Planning (LEAP) Grant -\$500,000 in grant funding
- There is a need to assign a “fixed-fee” permit type to the consultants to get through the backlog of permits.

Rincon Consultants, Inc.

- July 2021 - the City entered into a contract with Rincon Consultants, Inc. (“Rincon”) for on-call permit processing and planning services, including long range planning efforts.
- Planning’s use of on-call services has outpaced the current Agreement with Rincon Consultants, Inc. to the extent that the current agreement has nearly been fully encumbered as of November 2022; thus, an increase in the total agreement amount is being sought.

- Public Works Department has an existing on-call contract with Interwest up to \$1,000,000 for project management, traffic engineering, engineering plan review and construction management, inspection and testing consulting and services.
- Community Development has a backlog of permits while low on both planners and engineers, staff recommends entering into another contract with Interwest for \$1,100,000 in on-call planning as well as on-call development plan check services.
- Staff met with Interwest's team to discuss this option on November 22, 2022, and again on December 1, 2022.
- Staff comes to this Committee without the contract draft attached, requesting the Committee recommend a contract with Interwest be awarded by Council, and that contract will be attached to the staff report that goes to Council.

ERP Impact

- Community Development will begin the implementation of the new ERP software (EnerGov) that will replace our current computer software starting in January of 2023.
- This effort will require additional professional consulting services from on-call consultants to offset the significant staff time the ERP implementation will require.

- Cost of the agreement with Rincon for on-call services will total \$1,250,000.
- Staff estimates sufficient salary savings due to vacancies in the Planning Division to pay for anticipated planning services performed by Rincon.
- Amendment may also be funded by developer deposits received to date and additional future deposits, grant funding, General Plan Maintenance Fee funds (GPMF), and funding from other City departments for specific projects.
- Planning collects permit revenue which helps to offset the contract expenses and their impact to the General Fund.
 - FY 2020-2021 and FY 2021-2022 = \$2,038,912 and \$1,329,239 in total General Fund revenue.
- Budget appropriation of \$350,000 in the Building & Engineering Division is needed for the contract for on-call development plan check services.

Recommendation

That the Community Services, Public Safety, Housing & Development Committee recommend that the City Council:

1. Approve and authorize the execution of a First Amendment to the Agreement with Rincon Consultants, Inc. for on-call contract planning services, increasing the agreement amount by \$500,000 for a total agreement amount of \$1,250,000;
2. Award agreement to Interwest Consulting Group, Inc. for on-call planning as well as on-call development plan check services in the amount of \$1,100,000; and
3. Approve a budget appropriation in the amount of \$350,000 for development plan check services.
