1. Environmental Resources, 111 S. Del Norte Boulevard
2. Fleet Services Shops, 1060 Pacific Ave and 111 S. Del Norte Boulevard

DISCUSSION

On March 5, 2024, the City solicited Request for Bid (RFB) PW24-89 for the purchase and delivery of bulk lubricants and antifreeze to various City sites to support and maintain machinery, equipment, and vehicles under their responsibility. The RFB closed on April 4, 2024. The City received only one responsive bid, Conico Toro, Inc. dba Mac Valley Oil Company. Upon review by City staff, it was determined that the bid was

reasonable compared to prior contract costs. City Purchasing Policy allows the City to enter into a negotiated contract when only one bid is received. MacValley Oil Company has been the City's contracted supplier of lubricants and antifreeze for the past five years.

STRATEGIC PRIORITIES

A waiver by CITY of any breach of any term, covenant, or condition contained in this Agreement will not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition contained in this Agreement, whether of the same or different character.

23. INDEMNIFICATION, HOLD HARMLESS & DEFENSE.

23.1 As a separate and independent covenant from SERVICE PROVIDER's obligations under this section, SERVICE PROVIDER shall to the fullest extent permitted by law, immediately defend, indemnify, and hold harmless CITY, its legislative and advisory bodies, and the CITY's officials, directors, officers, employees, and agents (the "Indemnitees") from and against all liabilities regardless of nature, type, or cause, arising out of or resulting from or in connection with SERVICE PROVIDER's performance of this Agreement or SERVICE

PROVIDER's failure to comply with any of its obligations contained in this Agreement. Liabilities subject to the duties to defend and indemnify include, without limitation, all claims, losses, damages, penalties, fines, and judgments; associated investigation and administrative expenses; defense costs, including but not limited to reasonable attorneys' fees; court costs; and costs of alternative dispute resolution. SERVICE PROVIDER's obligation to indemnify applies unless it is adjudicated that any of the liabilities covered by this Section are the result of the sole active negligence or sole willful misconduct of any of the Indemnitees.

23.2 The duty to defend is a separate and distinct obligation from SERVICE PROVIDER's duty to indemnify. SERVICE PROVIDER shall be obligated to defend in all legal, equitable, administrative, or special proceedings, with counsel approved by the CITY Attorney, immediately upon tender to SERVICE PROVIDER of the claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination of negligence or willful misconduct by any of the Indemnitees shall not relieve SERVICE PROVIDER from its separate and distinct obligation to defend the Indemnitees. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes the obligation to provide independent defense counsel if SERVICE PROVIDER asserts that liability is caused in whole or in part by the negligence or willful misconduct of the Indemnitees. If it is finally adjudicated that liability was caused by the sole active negligence or sole willful misconduct of any of the Indemnitees, SERVICE PROVIDER may submit a claim to CITY for reimbursement of reasonable attorneys' fees and defense costs.

23.3 The review, acceptance or approval of SERVICE PROVIDER's work or work product by any of the Indemnitees shall not affect, relieve or reduce SERVICE PROVIDER's indemnification or defense obligations. SERVICE PROVIDER waives any right of contribution against CITY or any of CITY's officers, employees, agents, or volunteers arising out of such failure to inspect, review, monitor, or supervise the work performed by SERVICE PROVIDER pursuant to this Agreement. The provisions of this Section shall not be restricted by and do not affect the provisions of this Agreement relating to Section 24. The SERVICE PROVIDER's obligations under this Section of the Agreement shall survive the termination of the Agreement.

23.4 SERVICE PROVIDER agrees to pay all required taxes on amounts paid to SERVICE PROVIDER under this Agreement, and to indemnify and hold CITY harmless from any and all taxes, assessments, penalties, and interest asserted against CITY by reason of the independent contractor relationship created by this Agreement. SERVICE PROVIDER shall be solely responsible for, and shall save CITY harmless from, all matters relating to the payment of SERVICE PROVIDER's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. CITY shall have the right to offset against the

24. INSURANCE.

SERVICE PROVIDER shall, before performance of any Services pursuant to this Agreement, file with the Risk Manager evidence of insurance coverage as specified in "Exhibit C". evading these prevailing wage requirements.

26.4. Use of Prevailing Wages vs. Living Wages. In the event that there is a difference between the amount of wages to be paid under the CITY of Oxnard's local Living Wage requirements and the requirements of this provision, the wage rate that is the higher of the two shall be applicable to this Agreement. The duty to pay the correct wage is the responsibility of the SERVICE PROVIDER.

The mediator shall be selected by a "blindfold" process. The cost of mediation shall be borne equally by both Parties. Neither Party shall be deemed the prevailing Party. No Party shall be permitted to file a legal action without first meeting in mediation and making a good faith attempt to reach a mediated settlement. The mediation process, once commenced by a meeting with the mediator, shall last until agreement is reached by the Parties but not more than sixty (60) calendar days, unless the maximum time is extended in writing by both Parties.

TRADE SERVICES AGREEMENT (CITY of Oxnard and Conico Toro, Inc. dba Mac Valley Oil Company)

INSURANCE REQUIREMENTS

Prior to contract approval, CONSULTANT/SERVICE PROVIDER/SELLER/BIDDER (hereafter referred to as "SERVICE PROVIDER") must procure, agree to maintain and supply evidence of insurance at the levels listed and in accordance with the other provisions listed in this document.

INSURANCE REQUIREMENTS FOR VENDORS (WHO DELIVER, INSTALL OR MAINTAIN PRODUCTS)

1. Vendor shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the sale and delivery, installation or maintenance of products by vendor, its agents, representatives, or employees.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;

b. Business Automobile Liability Insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office Automobile Liability Coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

c. Workers' Compensation Insurance in compliance with the laws of the State of California, and Employer's Liability Insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

2. Vendor shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-I. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before work commences. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email. If you have not received your request or are having difficulty with electronic upload, contact insurance@oxnard.org

3. Vendor agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled by either party, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Vendor agrees that the Commercial General Liability and Business Automobile Liability Insurance policies shall be endorsed to name City, its City Council, officers, employees and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of vendor; products and completed operations of vendor; premises owned, occupied or used by vendor; or automobiles owned, leased, hired or borrowed by vendor. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-I or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**

5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance coverages **(this must be endorsed)**. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. Any deductibles or self-insured retentions must be declared to and approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the vendor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that you use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the attached.

PREVAILING WAGE

1. SERVICE PROVIDER acknowledges that the Project defined in the Agreement between SERVICE PROVIDER and CITY is a “public work” as defined in Division 2, Part 7, Chapter 1 of the California Labor Code (“Chapter 1”), and that this Agreement is subject to Chapter 1 and the rules and regulations established by the Director of Industrial Relations (“DIR”) implementing such statutes. SERVICE PROVIDER shall perform the Project as a public work. SERVICE PROVIDER shall comply with and be bound by all the terms, rules and regulations described in Chapter 1 and the DIR’s rules and regulations as though set forth in full herein.
2. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. SERVICE PROVIDER acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and SERVICE PROVIDER shall post such rates at each job site covered by this Agreement.
3. SERVICE PROVIDER is required to post job site notices, as prescribed by regulation. See Labor Code Section 1771.4(a)(2).
4. SERVICE PROVIDER shall, as a penalty to CITY, forfeit not more than \$200 for each calendar day or portion thereof for each worker paid less than the DIR’s determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by SERVICE PROVIDER or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. SERVICE PROVIDER shall comply with Labor Code Section 1776, which requires SERVICE PROVIDER and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform CITY of the location of the records.

subcontractors shall submit to CITY a verified statement of the journeyman and apprentice hours performed under this Agreement.

7. SERVICE PROVIDER may not be debarred or suspended throughout the Agreement Term pursuant to Labor Code Section 1777.1 or 1777.7. If he, she or it becomes debarred or suspended in the Agreement Term, SERVICE PROVIDER must immediately notify CITY.

8. SERVICE PROVIDER is not qualified to bid on, be listed in a Bid proposal, or engage in the performance of any contract for public work, as defined in Labor Code Sections 1720 through 1861, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. This provision does not apply to construction, alteration, demolition, installation or repair work of \$25,000 or less or to maintenance work of \$15,000 or less.

9. SERVICE PROVIDER acknowledges that 8 hours labor constitutes a legal day's work. SERVICE PROVIDER shall comply with and be bound by Labor Code Section 1810.

SERVICE PROVIDER shall include in the written contract between it and each subcontractor a copy of, and a requirement that each subcontractor shall comply with, those statutory provisions. SERVICE PROVIDER shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractors' compliance, including without limitation, conducting a periodic review of the certified payroll records of each subcontractor, and upon becoming aware of the failure of the subcontractor to pay its workers the specified prevailing rate of wages, SERVICE PROVIDER shall diligently take corrective action to halt or rectify any failure.

13. To the maximum extent, SERVICE PROVIDER shall hold harmless, defend (with counsel approved by the City Attorney) and indemnify CITY, its legislative bodies, and its officials, officers, employees and agents from any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above by any person or entity (including Service Provider, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all attorneys' fees and other related costs. RECOMMENDATION

That the Public Works and Transportation Committee recommend that the City Council authorize the Mayor to execute an Agreement with GreenCoast Landscapes Inc. in the amount not to exceed \$1,200,000 for an initial one-year term from July 1, 2024, to June 30, 2025, with the option to extend for four (4) consecutive one (1) year option terms, that shall not exceed a total of five (5) years for a final term ending June 30, 2029, for landscape maintenance services at various City locations.

BACKGROUND

The landscaping services at several City-owned facilities have been maintained and serviced by an outside contractor. These locations include:

1. Del Norte Recycling and Transfer Station, 111 Del Norte Blvd, Oxnard, CA 93030
2. Oxnard Police Department Sturgis Annex, 3001 Sturgis Road, Oxnard, CA 93030
3. Wastewater Treatment Plant, 6001 Perkins Road, Oxnard, CA 93033
4. Advance Water Purification Facility (AWPF), 5700 Perkins Road, Oxnard, CA 93033
5. Blending Station No. 3, 1700 Solar Drive, Oxnard, CA 93036
6. Water Campus, 251 S. Hayes Avenue, Oxnard, CA 93030
7. Oxnard Transit Center, 201 East 4th Street, Oxnard, CA 93030

Outside vendors are contracted to perform landscape maintenance at the above locations as the locations are not within a public right-of-way, contain areas behind fencing, or are enterprise-funded. Contracting out these locations provides benefits to the City such as providing professional expertise on landscapes and eliminating the need to purchase equipment for these services. The current landscape maintenance services agreement will expire on June 30, 2024.

DISCUSSION

On March 20, 2024, the City released Request for Bid (RFB) No. PW 24-95 for Landscaping Services at Various Locations with bids due on April 11, 2024. The City received five responsive bids.

1. Garcia's Landscaping
2. GreenCoast Landscapes Inc.
3. JAS Landscape
4. Mariposa Landscape
5. SGD Enterprises dba Four Seasons

GreenCoast Landscapes Inc. (GreenCoast) was selected as the lowest, responsive bid. On April 15, 2024, the “award notice” was posted on the Public Purchase website. GreenCoast meets all required City contractual provisions, including possession of a City business tax certificate, insurance certificates, and corporate filing with the California Secretary of State. Based upon the available information and research performed to date, staff believes that this vendor is capable of satisfactorily meeting the needs of the City.

GreenCoast will provide routine landscape maintenance services to the seven locations listed above at different frequencies based on the needs of the facility. As needed and directed by the City, GreenCoast will also provide additional landscaping services to ensure facilities are properly maintained. These services include but are not limited to additional landscaping clean-up and removal, replacement of existing plantings and modifications to planting beds. These additional services will be utilized only as funding is available and the City deems it in the best interest of that location to ensure appearance and public access are maintained. The additional services may also include unforeseen circumstances that may arise.

STRATEGIC PRIORITIES

This agenda item supports the Infrastructure and Natural Resources strategy. The purpose of the Infrastructure and Natural Resources strategy is to preserve and improve our roads, utilities, parks, trees, water supply and natural resources through effective planning, prioritization, and an equitable and efficient use of available funding.

FINANCIAL IMPACT

The total amount of this Agreement with GreenCoast Landscapes Inc. shall not exceed \$1,200,000 over the entire term of five years, if fully extended. Funding for this Agreement has been programmed in the Proposed Fiscal Year 2024-25 Budget from various funds receiving these services for the City Council’s consideration. Funding sources include: Environmental Resources (Fund 631), Transportation Development Act (Fund 212/Subfund 9040), General Fund (101), Wastewater Operating (Fund 611) and Water Operating (Fund 601). Subsequent year allocations for the remainder agreement value will be requested during the annual budget process.

INSURANCE REQUIREMENTS

Prior to contract approval, CONSULTANT/SERVICE PROVIDER/SELLER/BIDDER (hereafter referred to as “SERVICE PROVIDER”) must procure, agree to maintain and supply evidence of insurance at the levels listed and in accordance with the other provisions listed in this document.

INSURANCE REQUIREMENTS FOR SMALL/MEDIUM CONSTRUCTION AND SERVICES CONTRACTS (WITHOUT BUILDER’S RISK REQUIREMENT)

1. Contractor shall obtain and maintain during the performance of any services under this Contract the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Contractor, its agents, representatives, employees or subcontractors.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project location or shall be twice the occurrence amount;

b. Business Automobile Liability Insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office Automobile Liability Coverage (Occurrence Form CA0001) covering Code No. 1, “any auto;”

c. If architectural, engineering, or electrical work will be performed under the Contract, Professional Liability/Errors and Omissions Insurance appropriate to the work being done in an amount not less than \$1,000,000, with neither Contractor nor listed subcontractors having less than \$500,000 individually. The Professional Liability/Errors and Omissions Insurance must be project specific with at least a one-year extended reporting period, or longer upon request.

d. Workers’ Compensation Insurance in compliance with the laws of the State of California, and Employer’s Liability Insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers’ compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

1. Contractor shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-D. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before work commences. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email. If you have not received your request or are having difficulty with electronic upload, contact insurance@oxnard.org

2. Contractor agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled by either party, or reduced in coverage or limits without 30 days’ prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains “best effort” modifiers or if the insurer is relieved from the responsibility to give such notice.

3. Contractor agrees that the Commercial General Liability and Business Automobile Liability Insurance policies shall be endorsed to name City, its City Council, officers, employees and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor; premises owned, occupied or used by Contractor; or automobiles owned, leased, hired or borrowed by Contractor. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special**

Endorsement Form attached to this Exhibit INS-D or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).

4. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5. Any deductibles or self-insured retentions must be declared to and approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

6. All insurance standards applicable to Contractor shall also be applicable to Contractor's subcontractors. Contractor agrees to maintain appropriate agreements with subcontractors and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for general liability and automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that you use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the attached.

SUBJECT: Second Amendment to Agreement A-8368 with Toter, LLC for the Purchase of Residential Curbside Collection Carts and Parts. (10 minutes)

RECOMMENDATION

That the Public Works and Transportation Committee recommend that the City Council approve and authorize the Mayor to execute a Second Amendment to Agreement No. A-8368 with Toter, LLC in the amount of \$560,000 for a new total not to exceed \$2,085,000 for the replenishment of curbside carts and parts.

BACKGROUND

In order to provide uninterrupted, weekly collection of refuse, recyclables and green waste (organics) to approximately 34,000 residential customers in the City of Oxnard (City), the Environmental Resources Division (ER) must maintain a sufficient inventory of carts, lids and parts. Since 2011, the ER has standardized the use of Toter-manufactured for residential carts.

In lieu of issuing a formal request for bid, staff utilized the City of Oxnard's membership in Sourcewell, a National Intergovernmental Purchasing Alliance program that enables government agencies to simplify and accelerate their procurement processes through competitive, pre-negotiated contracts. The City acquired new residential carts and parts through Sourcewell contract #041521-TOT.

On November 16, 2021, the City Council approved Agreement A-8368 with Toter in the amount not to exceed \$750,000 for a three-year term ending December 31, 2024 for the purchase of residential carts and parts. On June 29, 2023, the City Council approved a First Amendment to Agreement No. A-8368 for a new total not to exceed \$1,525,000 and to extend the term ending from December 31, 2024, to May 28, 2025.

Below is a history of Agreement A-8368 and the amendments:

Table 1

AGREEMENT A-8368	COUNCIL DATE	CUMULATIVE AMOUNT	TERM DATE

Original Agreement	November 16, 2021	\$750,000	December 31, 2024
First Amendment	June 29, 2023	\$1,525,000	May 28, 2025
<i>Second Amendment*</i>	<i>June 18, 2024</i>	<i>\$2,085,000</i>	<i>May 28, 2025</i>

DISCUSSION

The ER Division is responsible for the maintenance and repairs of approximately 102,000 residential carts. These carts are being replaced or repaired due to normal wear and tear. This Second Amendment allows the Environmental Resources Division to continue to fulfill customer work orders for the replacement and repairs of carts and lids. Unrepairable carts and lids are recycled and sold for scrap value.

It should be noted, Toter, LLC warrants its wheeled carts for normal and intended use and service against operational failure caused by proven defective material or workmanship as follows: for the Rotomolded Container Body (refuse, recycle and organic carts) the warranty period is twelve (12) years from the date of original purchase; and ten (10) years from the date of purchase for all other standard components (wheels, bars, lid straps, etc). Toter's warranty equally covers Toter Containers molded of either virgin resign or recycled content plastic materials. ER staff documents, takes photos, and submits Toter warranty items on a quarterly basis. Labor and installation are specifically excluded from this warranty.

Toter, LLC meets all required City contractual provisions, including possession of a City business tax certificate, insurance certificates, and corporate filing with the California Secretary of State.

STRATEGIC PRIORITIES

This agenda item is a routine operational item or does not relate to the five strategic priorities adopted by City Council on March 16, 2021.

FINANCIAL IMPACT

The cost of this Second Amendment to Agreement No. A-8368 with Toter is \$560,000 for a total new agreement value of \$2,085,000. Funding for this Agreement has been programmed in the Proposed Fiscal Year 2024-25 Budget from the Environmental Resources Fund 631 (6313632-52400) for the City Council's consideration.

AGREEMENT FOR TRADE SERVICES

THIS AGREEMENT FOR TRADE SERVICES ("Agreement") is entered into in Ventura County, California, on the date that is written as "(1) Agreement Start Date" on the Cover Page, which is attached hereto and incorporated herein by this reference. This Agreement is entered by and between the City of Oxnard ("City") and the person or entity listed as "(2) Vendor" on the Cover Page, subject to the following terms and conditions:

1. Scope of Services. Vendor shall provide to City the services listed as "(3) Services" on the Cover Page (the "Services"). Vendor shall provide the Services during the term of this Agreement, as set forth below, according to the schedule written as "(4) Schedule of Services" on the Cover Page, and as further explained in the Scope of Services Exhibit, which is attached hereto and incorporated herein by this reference. In the event of any conflict between the terms of this Agreement and any incorporated document(s), the terms of this Agreement shall control.
2. Term. This Agreement shall begin on the date that is written as "(1) Agreement Start Date" on the Cover Page and shall end on the date that is written as "(5) Agreement Ending Date" on the Cover Page. Time is of the essence in this Agreement.
3. Compensation. For the Services performed during the term of this Agreement, City shall pay Vendor an amount not to exceed the amount that is listed as "(6) Total Agreement Amount" on the Cover Page, at the rates listed in the Rates and Costs Exhibit, attached hereto and incorporated herein by this reference. The rates in the Rates and Costs Exhibit shall be in effect through the end of this Agreement unless otherwise stated therein.
4. Invoices. Vendor shall submit a payment request to City by the end of each calendar month listing the Services provided, costs of those Services, and total amount due for the month. Each invoice must also list the current balance on the Agreement, including that invoice, as well as the months remaining on the term of the Agreement. Invoices may be emailed to: invoices@oxnard.org.
5. Most Favored Nation. Throughout the term of the Agreement, in the event Vendor provides the same Services, under similar quantities, delivery conditions and payment terms, pursuant to a Sourcewell Contract No. 041521-TOT RFP # 041521 ("Sourcewell Contract") related-agreement, having terms more favorable than this Agreement to any person or entity other than City, Vendor shall notify City within 10 calendar days of signing the other contract, or if there is no other contract, of finalizing that deal or providing any services, whichever occurs first in time. In that notice, Vendor shall offer City to amend this Agreement to reflect such more favorable terms into this Agreement without any contingency to amend any other provision of this Agreement.
6. Acceptance of Payment. Vendor's acceptance of final payment made pursuant to this Agreement shall constitute a release of City from all claims and liabilities for compensation to Vendor for anything completed, finished or relating to the Services. City's payment shall not constitute nor be deemed a release of the responsibility and liability of Vendor for the accuracy and competency of the information provided and/or the Services performed hereunder, nor shall such payment be deemed to be an assumption of responsibility or liability by City for any defect or error in the Services performed by Vendor and its employees, agents and subcontractors. Vendor shall provide City with a completed Request for Taxpayer Identification Number and Certification, as issued by the Internal Revenue Service. If any sales tax is due for the Services performed by Vendor or materials or products provided to City by Vendor, Vendor shall pay the sales tax. City shall not reimburse Vendor for sales taxes paid by Vendor.
7. Non-binding Terms. Any terms and conditions that are typed, printed, or otherwise included in any Vendor invoice rendered pursuant to this Agreement shall be deemed to be solely for the convenience of the parties. No such term or condition shall be binding upon City, and no action by City (including, without limitation, the payment of any such invoice in whole or in part) shall be construed as binding City with respect to any such term or condition, unless the specific term or condition has been previously agreed to by Vendor and City in this Agreement or in a binding amendment thereto.
8. Non-Appropriation of Funds. Payments to be made to Vendor by City for the Services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted and unencumbered appropriation of City. In the event City does not appropriate sufficient funds for payment of the Services beyond the

current fiscal year, this Agreement shall cover payment for the Services only up to the conclusion of the last fiscal year in which City appropriated sufficient funds and shall automatically terminate at that fiscal year's conclusion.

9. Coordination of Services. The Services shall be coordinated with the person in the position listed in "(7) City's Project Manager" on the Cover Page, subject to the direction of the City Manager or Department Director. Vendor hereby designates the person in the position listed in "(8) Vendor's Project Manager" on the Cover Page as the person responsible for the Services who shall coordinate with City's Project Manager in making binding decisions in line with this Agreement on behalf of Vendor.

10. Personnel. Vendor represents that it has or shall secure at its own expense all personnel required to perform the Services. Vendor shall make reasonable efforts to maintain the continuity of Vendor's staff who are assigned to perform the Services. Vendor may associate with or employ associates or subcontractors in the performance of the Services, but at all times shall Vendor be responsible for its associates and subcontractors' labor, advice or materials provided in furtherance of providing the Services. Should any of Vendor's employees, assigns or subcontractors not conduct him- or herself appropriately, as determined by the City's Project Manager, in the process of providing the Services or any portion thereof, the City's Project Manager may notify the Vendor's Project Manager, who shall immediately handle the problem, as determined appropriate by him or her, such that the problem does not persist.

11. Additional Work. City may request additional specified work under this Agreement. The City's Project Manager must authorize all such work in writing before commencement. Vendor shall perform such work, and City shall pay for such additional work, in accordance with the Rates and Costs Exhibit. Should the work not fall under any such listed rate or cost, Vendor shall submit a quote for all additional work, which the City's Project Manager must approve in writing by before any such work may commence. The City shall compensate Vendor for any work that does not fall under a rate or cost listed in the Rates and Costs Exhibit, and for which Vendor did not obtain the City's Project Manager's written approval before work commenced, as determined by the City's Project Manager in his or her sole discretion.

12. Advertising and Publicity. Vendor shall not use the name of or refer to City directly or indirectly in any advertisement, news release, or professional or trade publication without prior written approval from the City Manager. This Section shall survive the termination of this Agreement.

13. Audit. City shall have the option of inspecting, auditing and/or reproducing all records and other written materials: used by Vendor in preparing its billings to City as a condition precedent to any payment to Vendor; or for other purposes relating to the Agreement. Vendor will promptly furnish all documents requested by the City. Additionally, if this Agreement is in excess of \$10,000, the State Auditor may examine and audit Vendor for a period of 3 years after final payment under the Agreement. Regardless of whether a State audit is permitted, Vendor shall maintain and preserve all such records for a period of at least 3 years after final payment under the Agreement or until an audit has been completed and accepted by City, whichever occurs later. Audits by the City shall be limited to no more than once per year. Vendor shall maintain all such records. Vendor shall include a copy of this Section in all contracts with its subcontractors, and Vendor shall be responsible for immediately obtaining those records or other written material from its subcontractors upon a request by the State Auditor and/or City.

14. Termination. City may terminate this Agreement at any time, with or without cause and without penalty, upon 15 calendar days' prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 15 calendar days from the date of the notice. Vendor may terminate this Agreement at any time, with or without cause and without penalty, upon 30 calendar days' prior written notice. Such termination shall be effective on the date specified in the notice, or if no date is specified, then 30 calendar days from the date of notice and only if all assignments accepted by Vendor have been completed before the date of termination. In the event of termination of this Agreement by either party due to no fault or failure of performance by Vendor, City shall pay Vendor compensation for all Services satisfactorily completed in accordance with all of the terms and provisions of this Agreement, as determined by the City, before the effective date of termination; provided, in no event shall the Vendor receive an amount exceeding that which would have been paid to Vendor for the full performance of the Services. If City pays for any materials, City shall be entitled to the title and possession of such.

15. Hold Harmless, Defense and Indemnity.

To the fullest extent permitted by law, Vendor shall immediately defend, indemnify, and hold harmless City, its legislative and advisory bodies, and the City's officials, directors, officers, employees, and agents (the "Indemnitees") from and against all liabilities regardless of nature, type, or cause, arising out of or resulting from or in connection with Vendor's performance of this Agreement or Vendor's failure to comply with any of its obligations contained in this Agreement. Liabilities subject to the duties to defend and indemnify include, without limitation, all claims, losses, damages, penalties, fines, and judgments; associated investigation and administrative expenses; defense costs, including but not limited to reasonable attorneys' fees; court costs; and costs of alternative dispute resolution. Vendor's obligation to indemnify applies unless it is adjudicated that any of the liabilities covered by this Section 15 are the result of the sole active negligence or sole willful misconduct of any of the Indemnitees.

a. The duty to defend is a separate and distinct obligation from Vendor's duty to indemnify. Vendor shall be obligated to defend in all legal, equitable, administrative, or special proceedings with counsel approved by the City Attorney immediately upon tender to Vendor of the claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination of negligence or willful misconduct by any of the Indemnitees shall not relieve Vendor from its separate and distinct obligation to defend the Indemnitees. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes the obligation to provide independent defense counsel if Vendor asserts that liability is caused in whole or in part by the negligence or willful misconduct of the Indemnitees. If it is finally adjudicated that liability was caused by the sole active negligence or sole willful misconduct of any of the Indemnitees, Vendor may submit a claim to City for reimbursement of reasonable attorneys' fees and defense costs.

b. The review, acceptance or approval of Vendor's work or work product by any of the Indemnitees shall not affect, relieve or reduce Vendor's indemnification or defense obligations. This Section 15 shall survive completion of the Services or termination of this Agreement. The provisions of this Section 15 shall not be restricted by and do not affect the provisions of this Agreement relating to insurance.

16. Insurance. Vendor shall obtain and maintain during the performance of any services under this Agreement the insurance coverages listed within the insurance document stated in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit, which is attached hereto and incorporated herein by this reference, unless the Risk Manager waives, in writing, the requirement that Vendor obtain and maintain such insurance coverages. Such insurance must be issued by a company satisfactory to the Risk Manager. Vendor shall, before performance of any Services pursuant to this Agreement, file with the Risk Manager evidence of insurance coverage as specified in "(9) Insurance Coverage" on the Cover Page and in the Insurance Exhibit. Maintenance of insurance coverages by Vendor is a material element of this Agreement. Vendor's failure to maintain or renew insurance coverages or to provide renewal evidence may be considered a material breach of this Agreement.

17. Documents and Materials.

a. All final computations, exhibits, files, plans, correspondence, reports, drawings, designs, data, photographs, specifications, information, images, video files, media, or other deliverables prepared, created, drawn, calculated, photographed or developed by Vendor pursuant to this Agreement ("Documents and Materials") shall be the property without restriction or limitation upon its use, duplication or dissemination by the City. All Documents and Materials shall be considered "works made for hire," and all Documents and Materials and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Vendor shall not obtain or attempt to obtain copyright protection as to any Documents and Materials. Vendor hereby assigns to the City all ownership and any and all intellectual property rights to the Documents and Materials that are not otherwise vested in the City pursuant to this Section 17.

b. Vendor shall deliver all Documents and Materials to City's Project Manager upon completion of the Services or termination of this Agreement without additional cost or expense to the City. Additionally, anytime at City's request, City shall be entitled to possession of, and Vendor shall furnish to City's Project Manager within 10 calendar days, any or all of the Documents and Materials without additional cost or expense to the City. In both situations, if Vendor prepares Documents and Materials on a computer, Vendor shall provide City with said

Documents and Materials both in a printed format and in an electronic format that is acceptable to the City. Vendor may retain copies of these Documents and Materials but must request permission from the City before use, duplication or dissemination these Documents and Materials for any purpose other than for the Services provided to the City pursuant to this Agreement.

c. Any substantive modification of the Documents and Materials by City staff or any use of the completed Documents and Materials for other City projects, or any use of uncompleted Documents and Materials, without the written consent of Vendor, shall be at City's sole risk and without liability or legal exposure to Vendor.

d. Vendor warrants and represents that it has secured all necessary licenses, consents or approvals to use any instrumentality, thing or component as to which any intellectual property right exists, including computer software, used in the rendering of the Services and the production of all Documents and Materials, and that the City has full legal title to and the right to use, duplicate or disseminate the Documents and Materials. Vendor shall defend, indemnify and hold Indemnitees harmless from any loss, claim or liability in any way related to a claim that City's use of any of the Documents and Materials is violating federal, state or local laws, any contractual provisions, or any laws relating to trade names, licenses, franchises, copyrights, patents or other means of protecting intellectual property rights and/or interests in products or inventions. Vendor shall bear all costs arising from the use of patented, copyrighted, trade secret or trademarked documents, materials, equipment, devices or processes in connection with its provision of the services and Documents and Materials. In the event the use of any of the Documents and Materials by the City is held to constitute an infringement and the use of any of the same is enjoined, Vendor, at its own expense, shall: secure for City the right to continue using the Documents and Materials by suspension of any injunction, or by procuring a license or licenses for City; or modify the Documents and Materials so that they become non-infringing while remaining in compliance with the requirements of this Agreement.

e. This Section 17 shall survive the termination of this Agreement.

18. Confidentiality of Information.

a. For the purposes of this Agreement, "Confidential Information" means all information, in whatever form transmitted, relating to the past, present or future business affairs of the City, including without limitation, (i) technical information, including patent, copyright, trade secret, and other proprietary information, techniques, sketches, drawings, models, inventions, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulas; or (ii) non-technical information, including without limitation finances, financial and accounting data and information, suppliers, customers, customer lists, purchasing data and any other information belonging to the City or to a third party whose information is in the City's possession or control under obligations of confidentiality, and which is disclosed to Vendor or is developed by Vendor in whole or in part at the City's expense.

b. All Documents and Materials shall be considered Confidential Information and shall not be reproduced, transmitted, disclosed or used by the Vendor without the written consent of the City, except as may be necessary for Vendor to fulfill its obligations to the City.

c. Notwithstanding the above, these limitations shall not apply to information that (i) is already known to Vendor at the time of that information's disclosure or becomes publicly known through no wrongful act or omission of Vendor, (ii) is communicated to a third party with the express written consent of City and is not subject to restrictions on further use or disclosure, (iii) is independently developed by Vendor and has no relation to this Agreement, or (iv) is required by law, court order, court-issued subpoena or other legal process to be disclosed; provided, however, that before making such disclosure, Vendor shall immediately provide City with written notice and a reasonable opportunity for City to object to the disclosure or to take action to maintain the confidentiality of the information, unless such prior disclosure is legally impermissible.

d. Vendor shall use reasonable care to protect the Confidential Information. In the event of a breach or threatened breach of this Agreement, City shall be entitled to obtain an injunction prohibiting any such breach, the costs of which shall be paid by Vendor. Any relief granted shall be in addition to and not in lieu of any other legal or equitable relief, including money damages. The parties acknowledge that Confidential Information is valuable and

unique and that disclosure of the Confidential Information in breach of this Agreement may result in irreparable injury to the City.

e. Other than an obligation upon the City to deal in good faith, the City makes no warranties and shall bear no liability or responsibility for errors or omissions in any Confidential Information disclosed under this Agreement or for any business decisions made by Vendor in reliance on any Confidential Information disclosed under this Agreement.

f. This Section 18 shall survive the termination of this Agreement.

19. Independent Contractor. Vendor is and shall at all times remain, as to City, a wholly independent contractor. Neither City nor any of its employees or agents shall have control over the conduct of Vendor or any of its employees, except as stated in this Agreement. Vendor has and shall retain the right to exercise full control over the employment, direction, means of performance, location, compensation and discharge of all persons assisting Vendor, and it is free to dispose of all portions of its time which it is not obligated to devote to City in such a manner and to such persons, firms, or corporations as Vendor wishes except as expressly provided in this Agreement. This Agreement shall not be interpreted to prevent or preclude Vendor from rendering any services for Vendor's own account or to any other person or entity as Vendor in its sole discretion shall determine; provided, however, that performing such services shall not materially interfere with the Services Vendor shall perform for the City. Except as City's Project Manager specifies in writing, Vendor and its employees and agents have no authority, express or implied, to act on behalf of City in any capacity, to incur any debt, obligation or liability on behalf of City, bind City in any manner, or otherwise act on behalf of City as an agent. Vendor and its employees are not employees of City. Vendor and its employees are not entitled to receive from City any of the benefits or rights afforded employees of City, including but not limited to reserve leave, sick leave, vacation leave, holiday leave, compensatory leave, Public Employees Retirement System benefits, and health, life, dental, long-term disability and workers' compensation insurance benefits. Vendor shall not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Vendor agrees to pay all required taxes on amounts paid to Vendor under this Agreement, and to indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Vendor shall be solely responsible for, and shall save City harmless from, all matters relating to the payment of Vendor's subcontractors, material suppliers, directors, officers, employees, agents and representatives, including compliance with social security requirements, federal and State income tax withholding, and all other regulations governing employer-employee relations, as applicable. City shall have the right to offset against the amount of any compensation due to Vendor under this Agreement any amount due to City from Vendor as a result of its failure to promptly pay to City any reimbursement or indemnification arising under this Section.

20. Wages. If the first option is selected in response to (10) on the Cover Page and, thus, the payment of living wage is required, only this paragraph and subsections (a) through (d) of this Section 20 shall apply. If the second option is selected in response to (10) on the Cover Page and, thus, the payment of prevailing wages (and related Labor Code provisions) is required, only this paragraph and subsection (e) of this Section 20 shall apply. If the third option is selected in response to (10) on the Cover Page and, thus, both the payment of living wage and prevailing wages (and related Labor Code provisions) is required, this paragraph and subsections (a) through (e) shall apply, meaning Vendor shall compensate all of its employees providing services to City in accordance with both the City's Living Wage Policy and State-required prevailing wages. In the event of a conflict between the City's Living Wage Policy and State-required prevailing wages, the higher of the two shall prevail. If the fourth option is selected in response to (10) on the Cover Page and, thus, neither the payment of living wage nor prevailing wages (and related Labor Code provisions) is required, no part of this Section 20 shall apply.

If either the first or third option is selected in response to (10) on the Cover Page, Vendor shall compensate any employee of Vendor who provides Services to the City under this Agreement in accordance with the Living Wage Policy Exhibit, which is attached hereto and incorporated herein by this reference. While this Agreement is in effect, Vendor shall pay such employee no less than \$16.89 per hour for each hour that such employee provides services under this Agreement. This hourly rate shall be adjusted on July 1, 2022, and each July 1 thereafter, according to the percentage change in the Consumer Price Index, all items, prepared by the Bureau of Labor Statistics for the Los Angeles area relating to all urban consumers (CPI-U), index base 1982-84=100,

comparing May of the previous year to May of the current year. In addition, while this Agreement is in effect, Vendor shall provide to such employee no less than 96 hours of paid leave per calendar year.

a. Vendor agrees to post, at a location readily accessible to those employees providing services to the City, a copy of the Living Wage Policy adopted by the Oxnard City Council on July 9, 2002, and effective October 1, 2002.

b. If Vendor fails to compensate such employee pursuant to the Living Wage Policy, the City Manager or designee shall terminate this Agreement on written notice to Vendor, effective immediately.

c. In addition, if Vendor fails to comply with the Living Wage Policy in any manner, Vendor shall pay to City a fine of \$500 and shall pay to any employee providing services under this Agreement a penalty of three times the amount or value of the compensation owed to such employee under the Living Wage Policy. Vendor shall pay such fine and penalty within 15 days after the City Manager or designee provides written notice to Vendor of the amount owed.

d. If either the second or third option is selected in response to (10) on the Cover Page, in accordance with Labor Code Section 1770 *et seq.*, the Project is a "public work." The Vendor shall pay wages in accordance with the determination of the Director of the Department of Industrial Relations ("DIR") regarding the prevailing rate of per diem wages. Participation is open to federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. Sourcewell issued a public solicitation for Plastic Refuse and Recycling Containers with Related Technology Solutions from which Vendor was awarded a contract.

Vendor desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

TERM OF CONTRACT

EFFECTIVE DATE. This Contract is effective upon the date of the final signature below.

EXPIRATION DATE AND EXTENSION. This Contract expires May 28, 2025, unless it is cancelled sooner pursuant to Article 22. This Contract may be extended up to one additional one-year period upon request of Sourcewell and with written agreement by Vendor.

SURVIVAL OF TERMS. Articles 11 through 14 survive the expiration or cancellation of this Contract.

EQUIPMENT, PRODUCTS, OR SERVICES

EQUIPMENT, PRODUCTS, OR SERVICES. Vendor will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Vendor's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract

PRICING

All Equipment, Products, or Services under this Contract will be priced as stated in Vendor's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Vendor must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery.

Vendor must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcewell may declare the Vendor in breach of this Contract if the Vendor intentionally delivers substandard or inferior Equipment or Products. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Vendor as soon as possible and the Vendor will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

SALES TAX. Each Participating Entity is responsible for supplying the Vendor with valid tax- exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax- exempt entity.

HOT LIST PRICING. At any time during this Contract, Vendor may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Vendor determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

PRODUCT AND PRICING CHANGE REQUESTS

Vendor may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcewell Price and Product Change Request Form to the assigned Sourcewell Contract Administrator. This form is available from the assigned Sourcewell Contract Administrator. At a minimum, the request must

Identify the applicable Sourcewell contract number;

Clearly specify the requested change;

Provide sufficient detail to justify the requested change;

Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and

Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

Failure to request certificates of insurance by Sourcewell, or failure of Vendor to provide certificates of insurance, in no way limits or relieves Vendor of its duties and responsibilities in this Contract.

ADDITIONAL INSURED ENDORSEMENT AND PRIMARY AND NON-CONTRIBUTORY INSURANCE CLAUSE. Vendor agrees to list Sourcewell and its Participating Entities, including their officers, agents, and employees, as an additional insured under the Vendor's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of Vendor, and products and completed operations of Vendor. The policy provisions or endorsements must further provide that coverage primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

WAIVER OF SUBROGATION. Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Vendor or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance maintained by the Vendor or its subcontractors. Where permitted by law, Vendor must require similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

UMBRELLA/EXCESS LIABILITY/SELF-INSURED RETENTION. The limits required by this Contract can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies), or self-insured retention.

COMPLIANCE

LAWS AND REGULATIONS. All Equipment, Products, or Services provided under this Contract must comply fully with applicable federal laws and regulations, and with the laws in the states and provinces in which the Equipment, Products, or Services are sold.

LICENSES. Vendor must maintain a valid and current status on all required federal, state/provincial, and local licenses, bonds, and permits required for the operation of the business that the Vendor conducts with Sourcewell and Participating Entities.

BANKRUPTCY, DEBARMENT, OR SUSPENSION CERTIFICATION

Vendor certifies and warrants that it is not in bankruptcy or that it has previously disclosed in writing certain information to Sourcewell related to bankruptcy actions. If at any time during this Contract Vendor declares bankruptcy, Vendor must immediately notify Sourcewell in writing.

Vendor certifies and warrants that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this Contract. Vendor further warrants that it will provide immediate written notice to Sourcewell if this certification changes at any time.

PROVISIONS FOR NON-UNITED STATES FEDERAL ENTITY PROCUREMENTS UNDER UNITED STATES FEDERAL AWARDS OR OTHER AWARDS

Participating Entities that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Participating Entities may also require additional requirements based on specific funding specifications. Within this Article, all references to “federal” should be interpreted to mean the United States federal government. The following list only applies when a Participating Entity accesses Vendor’s Equipment, Products, or Services with United States federal funds.

EQUAL EMPLOYMENT OPPORTUNITY. Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of “federally assisted construction contract” in 41 C.F.R. § 60-

1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 C.F.R. § 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.” The equal opportunity clause is incorporated herein by reference.

DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148). When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non- federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Vendor must be in compliance with all applicable Davis-Bacon Act provisions.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40

U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT. If the federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

CLEAN AIR ACT (42 U.S.C. § 7401-7671q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of \$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor certifies that during the term of this Contract will comply with applicable requirements as referenced above.

DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R.

§180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352). Vendors must file any required certifications. Vendors must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Vendors must disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Vendors must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

RECORD RETENTION REQUIREMENTS. To the extent applicable, Vendor must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Vendor further certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of 3 years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

ENERGY POLICY AND CONSERVATION ACT COMPLIANCE. To the extent applicable, Vendor must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

BUY AMERICAN PROVISIONS COMPLIANCE. To the extent applicable, Vendor must comply with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must follow the applicable procurement rules calling for free and open competition.

ACCESS TO RECORDS (2 C.F.R. § 200.336). Vendor agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Vendor that are directly pertinent to Vendor's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents.

PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act.

The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

CANCELLATION

Sourcewell or Vendor may cancel this Contract at any time, with or without cause, upon 60 days' written notice to the other party. However, Sourcewell may cancel this Contract immediately upon discovery of a material defect in any certification made in Vendor's Proposal. Cancellation of this Contract does not relieve either party of financial, product, or service obligations incurred or accrued prior to cancellation.

INSURANCE REQUIREMENTS FOR VENDORS (WHO DELIVER, INSTALL OR MAINTAIN PRODUCTS)

1. Vendor shall obtain and maintain during the performance of any services under this Agreement the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the sale and delivery, installation or maintenance of products by vendor, its agents, representatives, or employees.

a. Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001). If a general aggregate limit is used, that limit shall apply separately to the project or shall be twice the occurrence amount;

b. Business Automobile Liability Insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office Automobile Liability Coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

c. Workers' Compensation Insurance in compliance with the laws of the State of California, and Employer's Liability Insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

2. Vendor shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-I. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before work commences. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

3. Vendor agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled by either party, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

4. Vendor agrees that the Commercial General Liability and Business Automobile Liability Insurance policies shall be endorsed to name City, its City Council, officers, employees and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of vendor; products and completed operations of vendor; premises owned, occupied or used by vendor; or automobiles owned, leased, hired or borrowed by vendor. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-I or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**

5. The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. Any deductibles or self-insured retentions must be declared to and approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers, employees and volunteers, or the vendor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS

Certificates of Insurance

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

Endorsement Forms

Original endorsements are required for commercial general liability and business automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that you use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the attached.

PREVAILING WAGES EXHIBIT

1. Vendor acknowledges that the Project defined in the Agreement between Vendor and City is a “public work” as defined in Division 2, Part 7, Chapter 1 of the California Labor Code (“Chapter 1”), and that this Agreement is subject to Chapter 1 and the rules and regulations established by the Director of Industrial Relations (“DIR”) implementing such statutes. Vendor shall perform the Project as a public work. Vendor shall comply with and be bound by all the terms, rules and regulations described in Chapter 1 and the DIR’s rules and regulations as though set forth in full herein.
2. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the Agreement are on file at City Hall and will be made available to any interested party on request. Vendor acknowledges receipt of a copy of the DIR determination of such prevailing rate of per diem wages, and Vendor shall post such rates at each job site covered by this Agreement.
3. Vendor is required to post job site notices, as prescribed by regulation. See Labor Code Section 1771.4(a)(2).
4. Vendor shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. Vendor shall, as a penalty to City, forfeit not more than \$200 for each calendar day or portion thereof for each worker paid less than the DIR’s determined prevailing rates for the work or craft in which the worker is employed pursuant to this Agreement by Vendor or any subcontractor. The Labor Commissioner shall determine the amount of the penalty as described in Section 1775.
5. Vendor shall comply with Labor Code Section 1776, which requires Vendor and each subcontractor to (1) keep accurate payroll records and verify such records in writing under penalty of perjury, (2) certify and make such payroll records available for inspection, and (3) inform City of the location of the records.
6. Vendor shall comply with Labor Code Sections 1777.5, 1777.6 and 1777.7 and California Administrative Code Title 8, Section 200 *et seq.* concerning the employment of apprentices on public works projects for all apprenticeable occupations. Before commencing work under this Agreement, Vendor shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within 60 days after concluding the Project, Vendor and each of its subcontractors shall submit to City a verified statement of the journeyman and apprentice hours performed under this Agreement.
7. Vendor may not be debarred or suspended throughout the Agreement Term pursuant to Labor Code Section 1777.1 or 1777.7. If he, she or it becomes debarred or suspended in the Agreement Term, Vendor must immediately notify City.
8. Vendor is not qualified to bid on, be listed in a Bid proposal, or engage in the performance of any contract for public work, as defined in Labor Code Sections 1720 through 1861, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. Vendor shall continue without interruption to stay registered and qualified to perform public work pursuant to Section 1725.5 for the duration of the term of this Agreement. This provision does not apply to construction, alteration, demolition, installation or repair work of \$25,000 or less or to maintenance work of \$15,000 or less.
9. Vendor acknowledges that 8 hours labor constitutes a legal day’s work. Vendor shall comply with and be bound by Labor Code Section 1810.
10. Vendor shall comply with and be bound by Labor Code Section 1813 concerning penalties for workers who work excess hours. Vendor shall, as a penalty to City, forfeit \$25 for each worker employed in the performance of this Agreement by Vendor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than 8 hours in any calendar day and 40 hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code Section 1815, work performed by Vendor’s employees in excess of 8 hours per day and 40 hours per week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay.
11. The Project listed in the Agreement is subject to compliance monitoring and enforcement by the DIR.
12. Vendor shall be responsible for each and every one of its subcontractors’ compliance with Chapter 1, the DIR’s rules and regulations, and Labor Code Sections 1860 and 3700. Vendor shall include in the written contract between it and each subcontractor a copy of, and a requirement that each subcontractor shall comply with, those statutory provisions. Vendor shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractors’ compliance, including without limitation, conducting a periodic review of the certified payroll records of each subcontractor, and upon becoming aware of the failure of the subcontractor to pay its workers the specified prevailing rate of wages, Vendor shall diligently take corrective action to halt or rectify any failure.
13. To the maximum extent, Vendor shall hold harmless, defend (with counsel approved by the City Attorney) and indemnify City, its legislative bodies, and its officials, officers, employees and agents from any demand or claim for damages, compensation, fines, penalties or other amounts arising out of or incidental to any acts or omissions listed above by any person or entity (including Vendor, its subcontractors, and each of their officials, officers, employees and agents) in connection with any work undertaken or in connection with the Agreement, including without limitation the payment of all attorneys’ fees and other related costs. All duties of Vendor under this Section shall survive Agreement termination.

Hi, Lupe!

Thank you for your time on the phone to discuss this need. Immediately after we spoke, I also called your Toter Regional Sales Manager, Maribel Ramos, and she will help as we discussed.

As promised, here's a quick recap of the calls:

- We are pleased that the City wants to set a multi-year agreement with Toter, LLC, piggybacking off our Sourcewell #0415-21-TOT contract!
- This contract mirrors OMNIA in the products and services offered off Sourcewell, and we basically have a solution for the City's roll cart needs with products, options, and services.
- Maribel is set to contact Erik Okada, as you suggested. She is looking forward to discussion with him to provide a Toter Sourcewell quote based on their discussion.
- Maribel will copy us when she emails Mr. Okada.
- Maribel can help with any product, quoting, and other customer service type information for the contract set-up.
- I am also on hand to answer contract questions, provide any documentation or help in any way possible.

Toter certainly values the business of the City of Oxnard, and we look forward to serving the City with our Sourcewell Contract.

Best regards,

Kellie
